My Eyes:

Through My Eyes Lora Norman, 2021-08-25 *Through My Eyes* is a memoir about life and all the intoxicating emotions that come with it. Filled with anecdotes, memories and reflections about the meaning of home, romance, travel, education, family and figuring out what to do in life. *Through My Eyes* is alternately funny, moving and enlightening. Whether navigating grocery stores and subways in South Korea, transporting hospital patients to safety during the Fort McMurray fire, or adapting to eccentric roommates during her university studies, Lora Norman discovered adventure, new connections and life lessons in every opportunity and every challenge. Life is not just shaped by our experiences but also by our perceptions of and reactions to those experiences. That is what keeps it interesting.

Angels in My Eyes Darlene Eagle, 2022-11-10 This book is about being a blessed, normal person in the kingdom of God, receiving such a special gift as many of us do receive from being part of the body of Christ. I was so broken, just a helpless feeling so deep inside. Now I'm free. God blessed me with the gift of seeing angels, dreams and visions. I'm just another born-again believer, so I know you too can have a special gift from Christ. Maybe singing music, writing books, prophecy, healing, maybe seeing angels. Living with the angels is so reassuring of my relationship with Christ. I love waking up every day to angels who are always with me, floating around or zooming around at the beach. I love the dreams and visions the Lord gives me. It's so entertaining, prophetic and cool. It keeps me in the knowing of the spiritual realm, the unseen realm, and our heavenly Father who continues to bless me daily. He will take you as you are, broken, sad, addicted, whatever. Come as you are. Her prayer: life manifests the glory of God.

every time and this has changed her life forever She is so very grateful for the Lord Jesus and the body of Christ being in her life The Lord ordered Darlene to leave California her friends family and business for a year or so and she did it She returned to her dad s home forty three years later The Lord sent her back to California from Minnesota and ordered her to her dad s home Not her choice of a starting point in California but through her obedience the Lord made beautiful memories from that return home He turned ashes into beauty in a very short time For there is no respect of persons with God he loves all of us Romans 2 11 16 For God so Loved the world that he gave his one and only son that who ever believes in him shall not perish but have eternal life John 3 16 NIV

My Eyes Are Up Here Laura Zimmermann,2020-06-23 My Eyes Are Up Here is a razor sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules If Greer Walsh could only live inside her head life would be easier She d be able to focus on excelling at math or negotiating peace talks between her best friend and everyone else She wouldn t spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head But you can t play volleyball inside your head Or go to the pool Or have confusingly date like encounters with the charming new boy You need an actual body for all of those things And Greer is entirely uncomfortable in hers Hilarious and heartbreakingly honest My Eyes Are Up Here is a story of awkwardness and ferocity of imaginary butterflies and rock solid friends It s the story of a girl finding her way out of her oversized sweatshirt and back into the real world

A Look Through My Eyes Dawn Vandenberg,2012-11-09 This book begins with the story of a young boy Rem Vandenberg who was born in 1937 in the Netherlands just before the onslaught of the Second World War His youth was a struggle to exist under the German occupation and in combating the depravation of poverty Added to these hardships was the ongoing personal battle he fought daily in accepting the doctrines of the Roman Catholic Church which were heavily imposed on him by the uncompromising adult belief of the time His authoritarian father loaded with the responsibility of caring for the large family was staunch in upholding his strong principles and instilling them into his children Of a less serious nature and with a strong desire to be free of the bonds restricting him from freedom of expression and thought Rem was often on the punitive end of the discipline rod both at school and home Opposing this oppression was the endless love and compassion of his mother who through the strength of her faith was able to engulf the whole family under her mantle of love and bind them together into a caring family unit At a young age Rem had to begin work to help support the family What he was expected to do for a few cents per week was beyond the capability of this small undernourished lad His father insisted on strength of character and allowed him to be pushed to the limit of his endurance Held by the love of his family but tormented with the urge to be free of restrictions Rem

finally took his life in his own hands At the age of sixteen driven by the spirit of adventure he left home and joined the merchant navy His first voyage was on a whaling ship to the South Pole which was followed by voyages throughout the world for the next few years On sailing into his first Australian port his desire to stay in Australia took over He jumped ship and went inland where he took a job on the railway After six months as gang worker he was finally picked up by the law and experienced a short jail sentence before being deported back to Holland His love for Australia was strong and within two years he returned as a legal migrant and still lives in his beloved land today *What My Eyes Have Seen In My Lifetime*

Shontavia Brown,2022-09-02 This is a summary of the book entitled A Blind Man s Tale This book depicts what my eyes have seen within my lifetime from the late 1950 s until 2019 This book is a story about possible threats that are being placed against our Democracy and it gives a brief synopsis of some of the possible solutions to various problems that we currently face within our Great Nation today This book is based upon World Leaders from then and until now who have played a key role in the vast history of our Nation and Democracy which has now found us in a State of Disarray We are in a situation knowing that half of these World Leaders appear to have not made the right decisions over the many years and the ones who did make the right decisions the Nation does not approve That s why I base the book on a lot of ideals that are formulated from greenhouse gases to the forest preserves burning to us starting a Nuclear War with North Korea So all of this is seen through the persona of how long are we going to keep doing the same old things over and over again by kicking the same old can down the road We appear to keep making the same old mistakes over and over again with all of these old and outdated laws from centuries long ago We continue to call ourselves the Number One Nation of the World and yet every Leader that enters into office continues to set their own private agenda And it s not even an agenda to help out our country nor the planet Earth No one appears to be looking out for the greater good of this Nation and it appears to be a continual agenda of the same old business as usual with profit over people with both the Middle Class and the Lower Income Families left to suffer and pay the costs of it all I would like for the reader to be able to grasp upon some new ways of thinking to spread love and peace immediately deploy steps to save our natural resources and put aside our differences so that we can work together as one United Front for the preservation of both our planet and mankind Let s all join together right now before it s too late to save our entire world May you continue to be an avid reader and change maker Thanks for listening *The Light Through My Eyes* Cindy Kupinski,2019-03-15 There is light at the end of the tunnel Cindy for years has been trying to be healthier and stronger after a life of abuse and confusion The fact that she s alive and not locked up somewhere is a miracle Cindy talked and sang to God in her front lawn to a tree when she was only four years old She sang This Little Light of Mine since she was in so much pain and didn t want other people to hurt as much as she was This book is a story that journals Cindy s life that she is an amazing woman of God whose faith and desire to get healthy got her through all the craziness of her life that one day she will be completely healed from all her abuse Cindy s desire is to place this story in the hands of people who believe

that God is present even in a life of craziness and abuse that no means no that their choices do matter that they can end their pain that Cindy's story can give them strength and encouragement when they see no light at the end of the tunnel and that one day they can be healed too

Architecture Through My Eyes, A Travel Journal on Architecture Bimo Hernowo, 2014-06-20 ARCHITECTURE THROUGH MY EYES is a record of an architectural journey recorded by the author *Through my eyes* Aadithya Shree, Growing up every child was nurtured and loved At the same time they were hurt by the words and actions of their parents Indian parents are one great example for their authoritative parenting methods We are always expected to be the best at everything we do We are often pressurized into doing things that we are not interested in Society always has a say in our life This book is a collection of emotions from children who want to convey a tiny message to their parents Vietnam Through My Eyes Ralph Boirum, 2024-07-24 The inspiring true story of an infantryman in the jungles the Mekong Delta and during the Tet Offensive in Vietnam Note from the Author Vietnam was a tough unpopular war It was fought by tough men and women who by the very act of being there themselves became unpopular Returning home to the States after a year of monumental effort and personal sacrifice a GI was often scorned even spat upon The jubilant welcome experienced by their fathers returning from Europe and the Pacific twenty years previously was nowhere to be seen No one wanted to hear about Vietnam and relatively few veterans wrote about their experiences Most did their best just to forget and get along with their lives Only now more than 50 years later is there an acceptance and appreciation of the sacrifice and valor shown by so many Unfortunately many are no longer with us Lives were shortened by the effects of battle or exposure to chemicals or just an excess of years such that many veterans never lived long enough to begin to feel the appreciation they deserve By describing his own war I hope some of the remaining vets can relive their own experiences and appreciate themselves for their effort and sacrifice The F 100 streaked in low barely a couple hundred feet over the scrubby treetops Its 20mm cannon rounds tearing up the brush throwing earth vegetation into the air with loud buzzing popping thunder As he neared the low point in his shallow dive two dark oblong objects fell from his wings Three bladed slats immediately deployed from the trailing end of each object slowing them to allow the plane to get out of blast range of the Mark 82 Snake Eye 500 pound bombs Down someone yelled unnecessarily as this was the third bombing run in as many minutes by the two jets providing our air support I flattened out behind the low dike in the stubble of the dry rice paddy and closed my eyes against the dust that would be raised by the exploding bombs I was already soaked with sweat and filthy as the warm dry rice paddy dirt stuck to every damp surface I momentarily forgot the itching that comes with sweat filth and a week in the same dirty clothes Incredibly

loud almost simultaneous crumps and violent shocks that took the breath away followed by the buzz of shrapnel flying overhead announced the bombs detonations
