Daly, 2019-08-22 Robert J. Daly S. J. examines the concept of sacrifice in the ancient Mediterranean world and discusses how the rise of bloodless Christian sacrifice and the use of sacrificial language in reference to highly spiritualized Christian lives would have seemed unsettling and radically challenging to the pagan mind Acknowledging the difficulties posed by an overwhelmingly Christian scholarly narrative around the topic of sacrifice Daly specifically sets out to tell the non-Christian

side of this story He first outlines the pagan trajectory and then the Jewish Christian trajectory before concluding with a representative series of comparisons and contrasts Covering the concept of sacrifice in relation to prayer ethics and morality the rhetoric and economics of sacrificial ceremonies and heroes and saints Daly finishes with an estimation of how this study might inform further study of sacrifice Pagans and Practitioners Alf H. Walle,2010 Biblical scholarship like many other disciplines has become increasingly isolated As a result the field has not borrowed as much from other areas of scholarship as it could have and has exerted a smaller impact upon the larger intellectual community A significant portion of Pagans and Practitioners deals with how the New Testament can be read as a rebuttal of Pagan rivals In doing so greater linkages with other disciplines are reestablished Discussion of how the tools developed by Biblical criticism can serve other secular disciplines are provided Collectively this book explores how Biblical criticism can exert a greater impact upon the intellectual world *The Student's New Testament Compilation* ,1928 **Camwood at Crossroads** Femi Euba,2007-01-23 A philosophical novel about exploitation in particular the evangelical factor Olumofin a Nigerian Attorney now living in the US stands at the intersection of culture crossings implicating the fate of his African identity within the American world especially that of his intended intimacy with an African American Creole In an attempt to come to terms with the past initiated by present criminal currents in the news media regarding the depraved religious practices of his estranged father he unleashes through shifting thought processes that crosses from Lagos to New Orleans the demons of exploitation humorous as well as tragic that have defined his colonial upbringing and the cross cultural paths of his future African American in laws From Violence to Peace Alex Deagon,2017-08-24 This book contributes to the literature on jurisprudence and theology by arguing for the role of a theoretically robust Christian theology in a legal community dominated by secular and liberal ideology It is not a doctrinal or empirical analysis but a theoretical exposition of the way in which modern law has contingently drifted from its theological origins As a result the legal system and the ideal of individual and communal relationship it envisages is characterised by antagonism and alienation or more broadly violence The book contends that the way to restore a legal community of peace is to return to a Christian theology which is informed by Trinitarian thinking or the notion of unity in diversity and reunites faith with reason Returning reason to its ground in being allows peaceful persuasion by the revelation of God's perfect being through the Trinity and Incarnation which models and enables the peaceful coexistence of difference through self sacrificing love This in turn produces the law of love to love your neighbour as yourself Since love does no wrong to a neighbour a legal community operating by the law of love can fulfil the obligations of law by going beyond merely what is required by law and love individuals as part of a community **The Case Against the Pagans** Arnobius (of Sicca.),1949 **The letters of Horace Walpole, ed., with notes, by mrs. P. Toynbee. [With] Suppl. to the Letters (together with letters addressed to Walpole between 1735 and 1796) ed., with notes, by P. Toynbee** Horace Walpole,1905 **The Letters of Horace Walpole: 1783-1787** Horace Walpole,1905
