Painting By The Post Impressionists:

Post-Impressionism Nathalia Brodskaja, 2018-03-13 The Post Impressionist period was one of solitary painters Gauguin Sisley C zanne Van Gogh etc There is no longer a unique school There are a few groups but even they break up constantly All these movements remind me of moving geometrical pieces in a kaleidoscope which separate suddenly only to better come together again They move apart then get together but nevertheless stay in the same circle the circle of the new art Emile Verhaeren Nathalia Brodskaja a curator at the State Hermitage Museum describes with her own unsurpassed talent the different paths taken by the heirs of Impressionism towards Modern Art **Impressionist and Post-impressionist**

Post-impressionism John Rewald, 1978 A lavishly illustrated book that concentrates on the works of Van Gogh and Gauguin **Impressionism and Post-Impressionism** Nathalia Brodskaja, 2018-03-13 Impressionism is the most famous artistic movement But what appears today as a charming and exquisite landscape painting was actually one of the first avant garde movements whose members had decided to fight the values of traditional art The impressionist outdoor paintings shocked the public by the technique used but also by their apparent banality As Monet Sisley Pissarro and many others sought to capture the ephemeral nature of light the next generation would reject naturalism Indeed post impressionists such as Gauguin Van Gogh C zanne and Seurat favored the subjective rather than the objective and the eternal rather than the concrete In doing so they laid the formal foundations of 20th century modern art This book is a visual guide through the crucial moments in the history of art and the progression of the 19th century to modernity *Post-Impressionism* Emilie Dufresne, 2021-07-15 The work of post impressionists is some of the best known art in the world Vincent van Gogh was a post impressionist painter and so was Paul C zanne Readers learn all about these famous post impressionists in this book alongside a friendly gallery worker guide The main features and techniques of post impressionism are covered and activities help readers create their own post impressionist masterpieces Including examples of famous post impressionist works an explanation of what an art gallery is and a quiz to aid in comprehension this book is a great introduction to an important movement in art history **Painting by the Post-Impressionists** Alfred Werner, 1963 **Post-impressionism** Royal Academy of Arts (Great Britain), 1979 **Post-impressionism** Thomas Parsons, Iain Gale, 1999 Within a year of closing the last Impressionist exhibition in 1886 a large and disparate group of movements had appeared each with its own beliefs about the nature and function of art From Neo Impressionism to Symbolism from Gauguin and van Gogh to Matisse and Munch the program of 20th century art was emerging These individual styles are now collectively referred to as Post Impressionism This book imposes coherence and a sense of pattern upon this diverse mix of movements and individuals that reacted against the style and subject matter of the Impressionists The sociohistoric background against which Post Impressionism evolved and the international reverberations of the movement are presented Special emphasis is given to the revolution that Post

Impressionism created in Russia which had effects far beyond the confines of art **The Letters of a Post-impressionist**
Vincent van Gogh, 1913 **Impressionism and Post-impressionism, 1874-1904** Linda Nochlin, 1966
