Painting the Four Seasons Wendy Jelbert,Aubrey Phillips,Dale Evans,Timothy Pond,1994 [American Book Publishing Record Cumulative, 1950-1977](#) R.R. Bowker Company. Department of Bibliography,1978 [Raymond Jonson and the Spiritual in Modernist and Abstract Painting](#) Herbert R. Hartel, Jr.,2018-02-21 This is the most thorough and detailed monograph on the artwork of Raymond Jonson He is one of many artists of the first half of the twentieth century who demonstrate the richness and diversity of an under appreciated period in the history of American art Visualizing the spiritual was one of the fundamental goals of early abstract painting in the years before and during World War I Artists turned to alternative spirituality the occult and mysticism believing that the pure use of line shape color light and texture could convey spiritual insight Jonson was

steadfastly dedicated to this goal for most of his career and he always believed that modernist and abstract styles were the most effective and compelling means of achieving it

Victorian Landscape Watercolors Scott Wilcox, Christopher Newall, 1992 English landscape watercolor painting a perfect marriage of genre and medium entered a lively period of experimentation in style and content during the second half of the nineteenth century with rich and diverse results Through all the changes of style and technique and all the debates over the appropriate use of the medium it was watercolor's ability to convey the timeless truth and reality of the natural world that mattered to artists critics and audiences British watercolors of the Victorian period continued to observe an essential humility before nature they remain fresh and compellingly immediate because they derived in the first place from the artists heartfelt communion with the elements of nature *Victorian Landscape Watercolors* begins with a consideration of the continuing influence of the great generation who earlier in the century during the extraordinary parallel rise of watercolor and landscape painting had established the landscape watercolor as a major British contribution to the arts The second chapter examines the role of the landscape watercolor in the aesthetic thought of John Ruskin whose critical

voice played a dominant role in shaping that art The third chapter looks at the place of landscape within the watercolor societies and its development as it appeared in their annual exhibitions The final chapter deals with the tug of new and old foreign and native in the later Victorian period The book also features 126 watercolors from public and private collections in America and England all reproduced in full color and accompanied by individual commentaries Among the 76 artists represented are David Cox Sr and Jr Walter Crane William Holman Hunt Edward Lear Samuel Palmer James Mallord William Turner James McNeill Whistler and Ruskin himself along with dozens of lesser known masters of the medium Victorian Landscape Watercolors is published in conjunction with the first exhibition to survey this period of this particularly British contribution to the arts the exhibition organized by the Yale Center for British Art in New Haven Connecticut will also be seen at the Cleveland Museum of Art and in Birmingham England

American Drawings and Watercolors in the Metropolitan Museum of Art Kevin J. Avery, Metropolitan Museum of Art (New York, N.Y.), 2002 The Metropolitan Museum began acquiring American drawings and watercolors in 1880 just ten years after its founding Since then it has amassed more than 1 500 works executed by American artists during the eighteenth and nineteenth centuries in watercolor pastel chalk ink graphite gouache and charcoal This volume documents the draftsmanship of more than 150 known artists before 1835 and that of about 60 unidentified artists of the period It includes drawings and watercolors by such American masters as John Singleton Copley John Trumbull John Vanderlyn Thomas Cole Asher Brown Durand George Inness and James Abbott McNeill Whistler Because the 504 works illustrate such a wide range of media techniques and styles this publication is a veritable history of American drawing from the eighteenth through most of the nineteenth century Metropolitan Museum of Art website
