Gubrium, Tone A. Andreassen, Per K. Solvang, 2016-07-05 The traditional lines of demarcation between service providers and service users are shifting Professionals in managed service organizations are working to incorporate the voices of service users into their missions and the way they function and service users with growing access to knowledge have taken on the semblances of professional

expertise Additionally the human services environment has been transformed by administrative imperatives The drive toward greater efficiency and accountability has weakened the bond between users and providers Reimagining the Human Service Relationship is informed by the premise that the helping relationship should be seen as developing in the interactive space between those who provide human services and those who receive them The contributors to this volume redefine the contours roles institutional divisions means and aims of providing and receiving services in a range of settings including child welfare addiction treatment social enterprise doctoring mental health and palliative care Though they advocate an experience near approach they remain sensitive to the ambiguities and competing rationalities of the service relationship Taken together these chapters reimagine the service relationship by making visible the working relevancies of service delivery

The Routledge Handbook of Global Child Welfare Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children

Improving Children's Services Networks Jane Tunstall, Jane Aldgate, Marilyn Hughes, 2007 Family centres are designed to meet a range of day care needs for individuals families or wider communities This text details and evaluates expert research into the developing role of family centres in the light of political and social trends including the Every Child Matters legislation

The Dynamics of the Social Worker-Client Relationship Joseph F. Walsh, 2021 While providing competent intervention modalities is vital for a social worker's success in direct practice it is only part of what makes a social worker effective Outcomes also depend on the social worker's ability to develop and maintain constructive relationships with clients An essential book for social work students and professionals alike *The Dynamics of the Social Worker-Client Relationship* details the many ways that such relationships can be developed with clients who display a wide range of presenting problems in many types of social service agencies Each chapter focuses on a particular challenge that social workers may encounter in that process These include boundaries the use of self the working alliance relationship ruptures special issues presented by children and adolescents terminations and transfers clients about whom a social worker experiences highly positive or negative feelings the use of physical contact the use of humor working with psychotic clients and the use of technology In every chapter graduate students provide case studies to illustrate how relationships can be formed and perhaps tested Written in an accessible style and full of stories and examples this book provides future social service professionals with the much needed insight into creating and maintaining professional relationships with clients Book jacket
