

The background of the book cover is a still life photograph of various kitchen items. In the center, there is a wooden cutting board with a large, dark, rectangular object, possibly a piece of meat or a vegetable, and several cinnamon sticks. To the right, a pair of dark-rimmed glasses lies on the surface. In the foreground, a metal grater is visible. The overall lighting is warm and slightly blurred, giving it a homey, rustic feel.

Juan José Arreola, Viviana Paletta

Relatos A La Carta Historias Y Recetas De Cocina:

Relatos a la carta Francisco Ayala, Javier Sáez de Ibarra, 2000 Antología temática de cuentos españoles y latinoamericanos

Días de lluvia Montserrat Lunati, 2018 Writers, publishers, readers and scholars have stopped apologising for the short story: the genre is no longer a bad investment, a trial exercise for a novel or a minor entertainment as demonstrated by exceptional writers with an almost exclusive dedication to it such as Jorge Luis Borges, Alice Munro, Quim Monzó or Cristina Fernández Cubas. With deep roots in classic and medieval literatures and great achievements in the nineteenth and twentieth centuries, the genre of the short story which benefits from the linguistic tightness of poetry and the narrative comforts of the novel has finally been recognised as having a hybrid identity of its own. This volume re-edits and expands a previous bilingual collection published in 1997. The first edition included stories by twelve writers: Pilar Cebreiro, Cristina Fernández Cubas, Paloma Díaz Mas, Adelaida García Morales, Lourdes Ortiz, Laura Freixas, Marina Mayoral, Mercedes Abad, Rosa Montero, Maruja Torres, Soledad Puértolas and María Eugenia Salaverri. The present edition adds another four: Nuria Amat, Juana Salabert, Luisa Castro and Berta Mars. The stories gathered in this second edition were written between 1980 and 2010 and testify to the richness and vitality of women's writing in contemporary Spain. With the original texts in Spanish as well as facing page English translations, an Introduction, notes and bio-bibliographical information on each author, this volume is a useful tool for students of the Spanish language and culture at all levels. It includes a selection of secondary reading on Spanish women writers and a selection of anthologies of Spanish short stories since 1997. Relatos y cuentos Ana M.^a

Navales, 2017-10-08. Cuando en 2014 se editó el volumen *Cuentos y relatos* ya avanzábamos que se trataba de una primera entrega. Estos *Relatos y cuentos* la completan y conforman el total de la narrativa breve de Ana María Navales. Se recogen textos publicados desde 1987 hasta el que apareció en 2011 y que fue el primer capítulo de su novela *postuma*. Sus ensayos dan lugar a un acercamiento sutil y escaso en la literatura española a la figura de otras artistas. Su poética se ha depurado y aquí encuentra su espacio. Es por tanto la narrativa breve de Navales durante este periodo, el crisol donde se vierte su mejor esencia. **Pan, hambre y trascendencia** Carla Pederzini, Villarreal, Luzma Becerra, Isabel Contreras Islas, 2009
