THE ROOTS OF RADICAL ISLAM

'Extremely thoughtful and balanced' Cambridge Review

Roots Of Radical Islam

Manus I. Midlarsky

Roots Of Radical Islam:

The Roots of Radical Islam Gilles Kepel, 2005 Gilles Kepel one of the world's leading experts on Islamist movements was amongst the first to identify Egypt as the cradle of contemporary Islamism This seminal work now with a new introduction gives a profoundly perceptive account of the foundations of today's radical Islamic organisations and offers compelling insights into the structure theory and tactics employed by the various groups as early as the 1970s in Egypt
BOOK JACKET

Scripts of Terror Benedict Wilkinson, 2020-02-01 This book explores terrorism as a strategic choice one made carefully and deliberately by rational actors Through an analysis of the terrorist groups of Egypt Saudi Arabia and Yemen this book charts a series of different strategic scripts at play in terrorist behavior from survival to efforts in mobilizing a supporter base through to the grinding attrition of a long terrorist campaign The theme that runs through all the organizations is the unbridgeable gap between their strategic vision and what actually unfolds Regardless of which script terrorists follow they often fall short of achieving their political ambitions And yet despite its frequent failure the terrorist strategy is returned to time and again people continue to join such groups and to commit mindless acts of violence *Scripts of Terror* explores the reasons behind this It asks why if terrorism is so rarely successful and so hard to pull off its approach remains an appealing one And it examines how terrorists formulate their strategies and how they envisage achieving their ambitions through violence Most importantly it explores why they so often fail
The (De)Legitimization of Violence in Sacred and Human Contexts Muhammad Shafiq, Thomas Donlin-Smith, 2021-01-21 This book provides a multidisciplinary commentary on a wide range of religious traditions and their relationship to acts of violence Hate and violence occur at every level of human interaction as do peace and compassion Scholars of religion have a particular obligation to make sense out of this situation tracing its history and variables and drawing lessons for the future From the formative periods of the religious traditions to their application in the contemporary world the essays in this volume interrogate the views on violence found within the traditions and provide examples of religious practices that exacerbate or ameliorate situations of conflict
The Muslim Brotherhood and its Quest for Hegemony in Egypt Annette Ranko, 2014-12-26 Annette Ranko analyses the Muslim Brotherhood's challenging of the Mubarak regime and the ensuing struggle between the two from 1981 to 2011 She furthermore traces how the group evolved throughout the process of that struggle She studies how the Brotherhood's portrayal of itself as an attractive alternative to the regime provoked the Mubarak regime to level anti Brotherhood propaganda in the state run media in order to contain the group's appeal amongst the public The author shows how the regime's portrayal of the Brotherhood and the Brotherhood's engagement with it have evolved over time and how this ideational interplay has combined with structural institutional aspects in shaping the group's behaviour and ideology

Violence in the Name of God Joel Hodge, 2020-01-23 This book traces the trajectory of militant jihadism to show how violence is more intentionally embraced as the centre of worship social order and ideology Undertaking an in depth analysis

of militant jihadist groups and utilising the work of Ren Girard Joel Hodge argues that the extreme violence of militant jihadists is a response to modernity in two ways that have not been sufficiently explored by the existing literature Firstly it is a manifestation of the unrestrained and escalating state of desire and rivalry in modernity which militant jihadists seek to counter with extreme violence Secondly it is a response to the unveiling and discrediting of sacred violence which militant jihadists seek to reverse by more purposefully valorising sacred violence in what they believe to be jihad Relevant to anyone interested in Islam philosophy of religion theology and terrorism Violence in the Name of God imagines new ways of thinking about militancy in the name of Islam in the twenty first century *Origins of Political Extremism* Manus I.

Midlarsky,2011-03-17 Political extremism is one of the most pernicious destructive and nihilistic forms of human expression During the twentieth century in excess of 100 million people had their lives taken from them as the result of extremist violence In this wide ranging book Manus I Midlarsky suggests that ephemeral gains together with mortality salience form basic explanations for the origins of political extremism and constitute a theoretical framework that also explains later mass violence Midlarsky applies his framework to multiple forms of political extremism including the rise of Italian Hungarian and Romanian fascism Nazism radical Islamism and Soviet Chinese and Cambodian communism Other applications include a rampaging military Japan Pakistan Indonesia and extreme nationalism in Serbia Croatia the Ottoman Empire and Rwanda Polish anti Semitism after World War II and the rise of separatist violence in Sri Lanka are also examined **Sectarian**

Roots of Jihad Adib Abdulmajid,2024-11-25 Sectarian Roots of Jihad Religious Conflicts in the Middle East examines the sectarian dimension of jihad and delves into the under researched sectarian inspired discursive employment of the notion by radical Islamist groups It explores the transformation of the basic Islamic principle of striving in the Path of God into a radical foundation upon which some of the most fanatic and atrocious organizations are based in terms of thought ideology discourse and course of action This book investigates sectarian based interpretations and connotations of jihad as a concept and practice by means of exploring similarities and differences between Sunni and Shia approaches to the notion and its fundamental principles It analyzes the way sectarian guided Islamist organizations employ jihad in their propaganda activities and exploit it as a brand to religiously legitimize their cause and emotionally manipulate the recipients of their ideological discourse It also delves into the development of sectarianism Islamism Salafism and Jihadism in order to scrutinize and analyze the rise of sectarian guided extremism in the Middle East **The Faceless Terrorist** Sophie

Roche,2019-05-31 How could a person portrayed as a terrorist by the Tajik state also be seen as a mujahid fighter in Islam and be a cousin all at the same time Is this just a matter of perspective and conceptualization To believe in the protection of concepts to safeguard groups and individuals from the uncertain character of the world is to deny the existence of chance and the contradictions in life This book uses approaches from existential anthropology to enquire into the question of how concepts and experiences relate The focus is on the way the notions jihad mujahid and terrorism were used during a military

intervention in Tajikistan in 2010 The book includes long term ethnographic material popular pamphlets on Islam and an internet analysis of the conflict offering new insights into how concepts and experiences relate Since the end of the Soviet Union the people from the republic Tajikistan have struggled to find a place in the larger Muslim world a painful process unfolding in relation to global events discourses and politics The primary readership for the book will come from academia and policy makers The book presents novel material on a fascinating and highly important topic the nature of ostensibly Islamist political violence against the state in Tajikistan John Heathershaw **Al Qaeda** Denise N. Baken,Ioannis Mantzikos,2015-08-26 What threat does Al Qaeda pose to the United States as it continues to evolve in the wake of the Arab Spring and what are the group s evolving strategies for growth and survival internationally This book provides answers Ideal for both students of terrorism and general readers wanting to better understand modern terrorism this book provides an in depth look at Al Qaeda including its origins evolution doctrines structure and terrorist operations The authors examine Al Qaeda s operational transitions over the last two decades and consider these changes in terms of the impact of the Internet the viciousness of the violence employed the leverage of colonial past and the subsequent international implications Particular attention is paid to Al Qaeda s changing strategies for growth and survival across the Middle East and Africa as well as the threats that it poses to the United States as it continues to evolve in the wake of the Arab Spring The work addresses why Al Qaeda now both a professional force and a network of so called lone wolves must remain a primary focus of the United States and other Western states while also recognizing that the threat of terrorism goes beyond Al Qaeda *The Roots of Violent Islamist Extremism and Efforts to Counter it* United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs,2009 **Social Roots of Violent Extremism** Liana Maria Daher,Francesco Antonelli,Valeria Rosato,2025-08-02 This volume examines the environments that enable radicalization and extremism today drawing from extensive European research based on the Horizon 2020 project PARTICIPATION Examining theoretical and practical studies the book analyzes how the erosion of institutional integration social participation and political stability among marginalized groups can lead to feelings of deprivation alienation and self victimization In these environments individuals often from disadvantaged or immigrant backgrounds rebuild their identities through extremism finding a sense of belonging in radical and sometimes violent ideas that are easily accessible online The book further sheds light on this paradox of modern extremism while extremists embrace technological tools like digital platforms they reject core modern values such as personal freedom and cultural diversity This volume argues for innovative approaches to radicalization emphasizing prevention through the creation of inclusive social environments and critical dialogue on the role of digital technology in radical movements In the Whirlwind of Jihad Martha Brill Olcott,2012-07-12 In Uzbekistan Central Asia s most populous country Islam has been an ever present factor in the lives of its people and a contentious force for political officials trying to build a secular and authoritarian government In the Whirlwind of Jihad examines the intertwined and

evolving relationships between religion the state and society in Uzbekistan from the late 1980s to today encompassing the period from the collapse of the Soviet Union to the launch of the U S led war on terror in neighboring Afghanistan Martha Brill Olcott the foremost expert on Central Asia concludes that in an era of global communication and increased contact with international Islamic communities a new role for Islam in Uzbekistan will ultimately emerge with implications beyond the country s borders

Islamism: Religion and Ideology Wilyam Shar?f,2009 The book is a critique of Islamic fundamentalism modernist rationalism and imperialism It argues that there is a firm relationship between Islamism and the religion of Islam and that Muslims today need a new Islamic discourse

Failed States and the Origins of Violence Tiffiany Howard,2016-04-15 What makes a terrorist Is an individual inherently predisposed to be attracted to political violence or does exposure to a certain environment desensitize them in such a way that violence represents a viable mode for addressing political grievances Identifying state failure as the impetus for political violence this book addresses these questions and focuses on why existing extremist groups find failed states so attractive Utilizing global barometer data Tiffiany Howard examines the underpinnings of individual support for political violence and argues that an insidious pattern of deprivation within failed states drives ordinary citizens to engage in and support extreme acts of political violence A rigorous examination of four regions plagued by a combination of failed states and political violence Sub Saharan Africa The Middle East and North Africa Southeast and South Asia and Latin America this text draws parallels to arrive at a single conclusion that failed states are a natural breeding ground for terrorism and political violence

Refuting the Anti-Israel Narrative Jeremy Havardi,2016-04-12 In recent decades Israel has come under sustained diplomatic pressure from the West According to the press and the policy establishment she acts aggressively and with disregard for civilian lives in pursuit of an unnecessary and illegal occupation of Palestinian territory Others view the country as an embarrassing outpost of colonialism racism and apartheid whose actions and those of the pro Israel lobby have provoked a fiery Islamist backlash This book refutes these misrepresentations showing that Israel s actions are well within the norms of international law and morality and arguing that the country far from being a deviant state is a bastion of Western values The author offers a nuanced narrative outlining the legal moral and historical justice behind Jewish statehood and discussing the reasons behind the failed peace process in recent years

Islam on Trial Daniel L. Burghart,Theresa Sabonis-Helf,2004 In an age of increased globalization Islam has found itself in crisis Extremism secularization and ever increasing encounters with the Christian gospel have raised fundamental questions about the nature of Islam its development and the future of its relationship with the West Islam on Trial addresses these questions while avoiding the pitfalls of either hostility or naivety As an Arab Christian from the Middle East Dr Chawkat Moucarry has spent his life engaging with Islam both personally and academically In this book he provides non Muslims with a foundation for understanding Muslim faith and practice while offering insight into the complex relationship between Islam culture and

politics The author addresses key controversial theological issues and highlights shared common ground between Christianity and Islam He challenges members of both religions to engage in genuine dialogue built on mutual understanding and respect and to work together for the common good of their societies *Symbolism in Terrorism* Jonathan Matusitz,2014-09-16 The symbolic value of targets is what differentiates terrorism from other forms of extreme violence Terrorism is designed to inflict deep psychological wounds on an enemy rather than demolish its material ability to fight The September 11 2001 attacks for example demonstrated the power of symbolism The World Trade Center was targeted by Al Qaeda because the Twin Towers epitomized Western civilization U S imperialism financial success modernity and freedom The symbolic character of terrorism is the focus of this textbook A comprehensive analysis it incorporates descriptions definitions case studies and theories Each chapter focuses on a specific dimension of symbolism in terrorism and explains the contexts and processes that involve the main actors as well as the symbolism of both the purposes and targets of terrorism Also discussed are new religious movements which represent another important aspect of terrorism such as Aum Shinrikyo the Japanese cult that used sarin gas in the Tokyo subway in 1995 Over forty areas of symbolism are covered throughout the chapters including physical and non physical symbolism linguistic symbolism the social construction of reality rituals myths performative violence iconoclasm brand management logos semiotics new media and the global village This allows for an in depth examination of many issues such as anti globalization honor killing religious terrorism suicide terrorism martyrdom weapons female terrorism public communication visual motifs and cyberspace Main concepts are clearly defined and followed by theory illustrated by international case studies Chapter summaries key points review questions research and practice suggestions are recurring components as well This groundbreaking text encompasses all major aspects of symbolism in terrorism and will be an essential resource for anyone studying terrorism **Teaching Humanity** Vernon James Schubel,2023-03-21 This book introduces Islam through a humanistic lens by highlighting the affective traditions and expressions associated with Sufism and Shi ism While most introductory books emphasize the shari a and especially the Five Pillars as the primary defining characteristic of Islam Vernon James Schubel provides an alternative introduction which instead underscores the importance of humanity and the human being within Islamic thought and practice The book stresses the diversity of Islamic beliefs and practices presenting them as varied responses to the shared multivalent concepts of tawhid the unity of God nubuwwa prophecy and qiyama the Day of Judgment Readers are introduced to essential aspects of Islam including the life of the Prophet Muhammad the Qur an the development of the shari a and the emergence of the Sunni Shi a and Sufi traditions The book concludes with a call to redefine mainstream Islam as a religious tradition focused on the centrality of love and rooted in the importance of humanity and universal human virtues *Citizen-Soldier Handbook: 101 Ways Every American Can Fight Terrorism* Michael Mandaville,2009-02 Citizen Soldier Handbook 101 Ways for Every American to Fight Terrorism is a How To Guide for Americans to fight the greatest threat to Western Civilization Radical

Roots Of Radical Islam Introduction

In today's digital age, the availability of Roots Of Radical Islam books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Roots Of Radical Islam books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Roots Of Radical Islam books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Roots Of Radical Islam versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Roots Of Radical Islam books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Roots Of Radical Islam books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Roots Of Radical Islam

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Roots Of Radical Islam books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Roots Of Radical Islam books and manuals for download and embark on your journey of knowledge?

FAQs About Roots Of Radical Islam Books

What is a Roots Of Radical Islam PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Roots Of Radical Islam PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Roots Of Radical Islam PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Roots Of Radical Islam PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Roots Of Radical Islam PDF?** Most

PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
