

Sectional Stress and Party Strength

A COMPUTER ANALYSIS OF ROLL-CALL VOTING PATTERNS

IN THE UNITED STATES HOUSE OF REPRESENTATIVES, 1836-1860

BY THOMAS B. ALEXANDER

Sectional Strength Party Stress

W. Stephen Belko

Sectional Strength Party Stress:

Sectional Stress and Party Strength Thomas Benjamin Alexander, 1967 *Party Ideologies in America, 1828-1996* John Gerring, 2001-02-05 This book first published in 1998 presents historical analysis of the ideologies of major American parties from the early nineteenth century onwards **The Political Culture of the American Whigs** Daniel Walker Howe, 1979 Howe studies the American Whigs with the thoroughness so often devoted their party rivals the Jacksonian Democrats He shows that the Whigs were not just a temporary coalition of politicians but spokesmen for a heritage of political culture received from Anglo American tradition and passed on with adaptations to the Whigs Republican successors He relates this culture to both the country's economic conditions and its ethno-religious composition *'Agrarians' and 'Aristocrats'* John Ashworth, 1987-03-27 Cover title *Agrarians aristocrats* Includes index Bibliography p 280 312 **Essays on American Antebellum Politics, 1840-1860** William E. Gienapp, 1982 Writing on such subjects as voter partisanship the road to recovery and the surge of Republican power these historians reach different conclusions but essentially agree on the centrality of the party system and the importance of ethnocultural issues in the sectional conflict Besides using traditional historiographic techniques some of the authors draw upon the findings and methods of the New political history to illuminate a variety of hitherto ignored or misunderstood aspects of antebellum American politics In the process they offer a new look at some old problems and many new provocative insights into these crucial two decades of American history **The Road to Disunion** William W. Freehling, 1990 Far from a monolithic block of diehard slave states the antebellum South was in William Freehling's words a world so lushly various as to be a storyteller's dream It was a world where Deep South cotton planters clashed with South Carolina rice growers as Northern egalitarianism infiltrated border states already bitterly divided on key issues It was the world of Jefferson Davis John C Calhoun Andrew Jackson and Thomas Jefferson and also of Gullah Jack Nat Turner and Frederick Douglass Now in the first volume of his long awaited monumental study of the South's road to disunion historian William Freehling offers a sweeping political and social history of the antebellum South from 1776 to 1854 All the dramatic events leading to secession are here the Missouri Compromise the Nullification Controversy the Gag Rule the Annexation of Texas the Compromise of 1850 and the Kansas Nebraska Act Vivid accounts of each crisis reveal the surprising extent to which slavery influenced national politics before 1850 and provide important reinterpretations of American republicanism Jeffersonian states rights Jacksonian democracy and the causes of the American Civil War Freehling's brilliant historical insights illustrate a work of rich social observation In the cities of the Antebellum South in the big house of a typical plantation we feel anew the tensions between the slaveowner and his family poor whites and planters the Old and New Souths and most powerfully between slave and master Freehling has evoked the Old South in all its color cruelty and diversity It is a memorable portrait certain to be a key analysis of this crucial era in American history **The Context of Human Discourse** Eugene Edmond White, 1992 Offers a way of looking at rhetoric that is more comprehensive more

realistic more rewarding than current views **Storm over Texas** Joel H. Silbey, 2005-08-01 In the spring of 1844 a fiery political conflict erupted over the admission of Texas into the Union This hard fought and bitter controversy profoundly changed the course of American history Indeed as Joel Silbey argues in *Storm Over Texas* it marked the crucial moment when partisan differences were transformed into a North vs South antagonism and the momentum towards Civil War leaped into high gear Silbey one of America s most renowned political historians offers a swiftly paced and compelling narrative of the Texas imbroglio which included an exceptional cast of characters from John C Calhoun and John Quincy Adams to James K Polk and Martin Van Buren We see how a series of unexpected moves some planned some inadvertent sparked a crisis that intensified and crystallized the North South divide Sectionalism Silbey shows had often been intense but rarely widespread and generally well contained by other forces After Texas statehood it became a driving force in national affairs ultimately leading to Southern secession and Civil War With subtlety great care and much imagination Joel Silbey shows that this brief political struggle became in the words of an Alabama congressman the greatest question of the age and a pivotal moment in American history The Invincible Duff Green W. Stephen Belko, 2006 Drawing on previously unexploited primary sources Belko illuminates the wide ranging influence of Duff Green as land speculator entrepreneur lawyer militia officer politician and newspaper editor Disputing common assumption Green is portrayed as a political moderate and independent westerner who played a fundamental role in the shaping of Jacksonian America Provided by publisher *Reader's Guide to American History* Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history The South and the Politics of Slavery, 1828-1856 William J. Cooper, Jr., 1980-06 Reporting on attitudes and reactions in each of the eleven states that were to form the Confederacy William Cooper traces and analyzes the history of southern politics from the formation of the Democratic party in the late 1820s to the cessation of the Democratic Whig struggle in the 1850s He bases his study on extensive research of regional political manuscripts and newspapers *Slavery, Capitalism, and Politics in the Antebellum Republic: Volume 1, Commerce and Compromise, 1820-1850* John Ashworth, 1995 The Civil War should be seen as America s bourgeois revolution So argues Dr John Ashworth in this novel reinterpretation from a Marxist perspective of American political and economic development in the forty years before the Civil War This book the first of a two volume treatment of slavery capitalism and politics locates the political struggles of the antebellum period in the international

context of the dismantling of unfree labor systems With its sequel the volume will demonstrate that the conflict resulted from differences between capitalist and slave modes of production With a careful synthesis of existing scholarship on the economics of slavery the origins of abolitionism the proslavery argument and the second party system Ashworth maintains that the origins of the American Civil War are best understood in terms derived from Marxism *The Papers of Henry Clay* Henry Clay, The Papers of Henry Clay span the crucial first half of the nineteenth century in American history Few men in his time were so intimately concerned with the formation of national policy and few influenced so profoundly the growth of American political institutions The year 1837 found Henry Clay hard at work in a successful effort to organize and strengthen the new Whig party In his attempt to provide for it an ideological core he emphasized restoration of the Bank of the United States distribution of the treasury surplus to the states continued adherence to his Compromise Tariff Act of 1833 and federal funding of internal improvements The achievement of these goals Clay reasoned would mitigate the severe impact of the Depression of 1837 and sweep the Whigs into the White House in 1840 Soon after the election of 1836 Clay began running again for the presidency By 1838 it was clear to him that he would have to come to grips politically with the long muted slavery question This he did in February 1839 in a Senate speech that was so proslavery anti abolitionist and racially extremist that it cost him the Whig presidential nomination at the Harrisburg convention in December 1839 William Henry Harrison was nominated in his stead and won handily But one month after his inauguration Harrison died and Vice President John Tyler a states rights Democrat turned Whig was elevated to the presidency Senator Clay emerged from his disappointment at Harrisburg as the acknowledged leader of the Whig party and further unified it in a wide ranging assault on the Tyler administration s refusal to support Whig principles By the end of 1843 Tyler had been broken the Whig party was Clay s to lead and the Kentuckian was again in the presidential lists Confident that 1844 would surely be his year Clay unfortunately failed to see the formation and growth of the black cloud that was Texas annexation Publication of this book was assisted by a grant from the National Historical Publications and Records Commission **The Making of American**

Congressional Mavericks Johanna Nicol Shields,1972 **Free Soil, Free Labor, Free Men** Eric Foner,1995-04-20 Free Soil Free Labor Free Men has been recognized as a classic an indispensable contribution to our understanding of the causes of the American Civil War A key work in establishing political ideology as a major concern of modern American historians it remains the only full scale evaluation of the ideas of the early Republican party modern American historical writing

Manifest Design Thomas R. Hietala,2003 Praise for the earlier edition A fascinating thought provoking book Hietala shows that it was not destiny but design and aggression that enabled the United States to control Texas New Mexico and California Historian Hietala has examined an impressive array of primary and secondary materials His handling of the relationship between the domestic and foreign policies of the decade shatters some myths about America s so called manifest destiny and deserves the attention of all scholars and serious students of the period Western Historical Quarterly Since 1845

the phrase manifest destiny has offered a simple and appealing explanation of the dramatic expansionism of the United States In this incisive book Thomas R Hietala reassesses the complex factors behind American policymaking during the late Jacksonian era Hietala argues that the quest for territorial and commercial gains was based more on a desire for increased national stability than on any response to demands by individual pioneers or threats from abroad *Changing Party Coalitions* Jerry F. Hough, 2006 Exploring the causes of the unnatural red state blue state dichotomy in America Hough a professor of comparative politics ponders the likely effects of the next economic crisis and what it will take to create new party coalitions *The American Party Battle* Joel H Silbey, 2009-06-30 The nineteenth century was the heyday of furious contention between American political parties and Joel Silbey has recaptured the drama and substance of those battles in a representative sampling of party pamphlets The nature of political controversy as well as the substance of politics is embedded in these party documents which both united and divided Americans Unlike today's party platforms these pamphlets explicated real issues and gave insight into the society at large *Party, Process, and Political Change in Congress, Volume 1* David W. Brady, Mathew D. McCubbins, 2002-08-20 In recent decades political scientists have produced an enormous body of scholarship dealing with the U S Congress and in particular congressional organization However most of this research has focused on Congress in the twentieth century especially the post New Deal era and the long history of Congress has been largely neglected The contributors to this book demonstrate that this inattention to congressional history has denied us many rich opportunities to more fully understand the evolution and functioning of the modern Congress In striking contrast to the modern era which is marked by only modest partisan realignment and institutional change the period preceding the New Deal was a time of rapid and substantial change in Congress During the nation's first 150 years parties emerged developed and realigned the standing rules of the House and Senate expanded and underwent profound changes the workload of Congress increased dramatically and both houses grew considerably in size Studying history is valuable in large part because it allows scholars to observe greater variation in many of the parameters of their theories and to test their core assumptions A historical approach pushes scholars to recognize and confront the limits of their theories resulting in theories that have increased validity and broader applicability Thus incorporating history into political science gives us a more dynamic view of Congress than the relatively static picture that emerges from a strict focus on recent periods Each contributor engages one of three general questions that have animated the literature on congressional politics in recent years What is the role of party organizations in policy making In what ways have congressional process and procedure changed over the years How does congressional process and procedure affect congressional politics and policy

Recreating the American Republic Charles A. Kromkowski, 2002-09-16 Rules of apportionment are elements of social and political order In social gatherings families and governments they assume a variety of written and unwritten forms and in every order they determine not only how collective decisions are made but also how and why a particular constitutional order

develops over time Recreating the American Republic provides a far reaching analysis of when how and why these rules change and with what consequences Recreating the American Republic reveals the import of these rules of apportionment by engaging the three most widely recognized and studied eras and events of American political history the Colonial era and the American Revolution the early national years and the 1787 Constitutional Convention and the nineteenth century and the American Civil War Recreating the American Republic systematically compares each seemingly familiar era and event revealing new insights and a new metanarrative of American political development between 1700 and 1870

Sectional Strength Party Stress Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sectional Strength Party Stress has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sectional Strength Party Stress has opened up a world of possibilities. Downloading Sectional Strength Party Stress provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sectional Strength Party Stress has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sectional Strength Party Stress. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sectional Strength Party Stress. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sectional Strength Party Stress, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sectional Strength Party Stress has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Sectional Strength Party Stress Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sectional Strength Party Stress is one of the best book in our library for free trial. We provide copy of Sectional Strength Party Stress in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sectional Strength Party Stress. Where to download Sectional Strength Party Stress online for free? Are you looking for Sectional Strength Party Stress PDF? This is definitely going to save you time and cash in something you should think about.
