Smith, 2021-02-19 Folk Music Traditional Music Ethnomusicology Canadian Perspectives Past and Present features the proceedings of the Fiftieth Annual Conference of the Canadian Society for Traditional Music La Soci t Canadienne pour les Traditions Musicales formerly the Canadian Folk Music Society La Soci t canadienne de musique folklorique that took place in November 2006 in Ottawa at Carleton University and the Canadian Museum of Civilization This publication showcases the diversity of music research currently being conducted by folk and traditional music specialists ethnomusicologists and practicing musicians in Canada The papers are organized in five sections according to common themes in contemporary research in ethnomusicology and folk music studies and each section is preceded by a short introduction which highlights the section s theme s as well as the individual papers Folk Music Traditional Music Ethnomusicology Canadian Perspectives Past and Present confirms the rich history of the Canadian Society for Traditional Music a history that comprises enormous changes in scholarly research musical practice emergent technologies changes in doing fieldwork and shifting identity boundaries over the past fifty years This volume is intended as a contribution to published literature on ethnomusicological and folklore research in Canada creating a new resource of historical contemporary and scholarly relevance that will appeal to academics and music enthusiasts alike Canadian ethnomusicologists expertise in the realm of First Nations musics and Anglo Celtic and French folksong repertoires is already well established This volume shows us the breadth of cultural territory with which 21st century Canadian scholars of music and scholars of Canadian musics are now engaged as well as their theoretical and methodological sophistication Kati Szego School of Music Memorial University [The Journey from Music Student to Teacher](#) Michael Raiber, David Teachout, 2014-01-03 From Music Student to Teacher A Professional Approach helps prospective music educators begin their transition from music student to professional music teacher The text uniquely works to build upon the individual s personal experience to enhance their approach to the profession The authors help students first recognize their personal perspectives of the profession and uncover the assumptions they have concerning learning and teaching They are then prepared to make mindful informed decisions about their professional education The topics and activities are deliberately organized to help the reader think as a professional rather than a student Divided into three parts a discovery of self b discovery of teaching and c discovery of learners The three parts address the primary stages of teacher development Within each part readers are connected to the theoretical foundations of the text and the process of becoming an insider to the profession From Music Student to Teacher A Professional Approach incorporates online resources

and tools that are already familiar to students in their world of networking through social media Features include Social networking activities to aid self reflection and discussion Connecting to the Profession sections that provide resources which help to bridge the gap between theory and practice Discussion and glossary that provide a solid base in professional terminology An integrated companion website including videos of teaching practice and further activities for self reflection plus instructor material Michael A Raiber is Professor of Music Education at Oklahoma City University David J Teachout is Associate Professor and Department Head of Music Education at the University of North Carolina Greensboro

Enjoying the Track of Term: An Emotional Symphony within **Silver Burdett Making Music Texas Edition**

In a world eaten by displays and the ceaseless chatter of quick transmission, the melodic elegance and psychological symphony produced by the prepared word usually disappear in to the backdrop, eclipsed by the constant sound and interruptions that permeate our lives. But, located within the pages of **Silver Burdett Making Music Texas Edition** a stunning fictional value brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the hidden tunes and profound influence resonating within each cautiously crafted phrase. Within the depths of this moving review, we shall investigate the book's main harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
