LORENZO'S OIL

"Nick Nolte and Susan Sarandon give remarkable performances that resonated with their conviction. In terms of pure feeling, *Lorenzo's Oil* is emotional phenomena."

—*Los Angeles Times*

Oscar winners Nick Nolte and Susan Sarandon star in this powerful and unforgettable drama based on a true story.

The sobering news that their five-year-old son, Lorenzo, has a rare terminal disease, marks the beginning of an extraordinary mission for Angus and Michaela Odette (Nolte and Sarandon).

Despite the prognosis, the Odettes set out to save their child, colliding with doctors, scientists and support groups who are reluctant to encourage the couple in their quest for a cure. Their relentless struggle tests the strength of their marriage, the depth of their beliefs, and the boundaries of conventional medicine.

Nolte and Sarandon deliver exceptional performances as the loving and determined parents who bring hope to many in this critically-acclaimed hit from director George Miller.
