Lots Wife:

All the Women of the Bible Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible Sodomy Michael Carden, 2004 Study of the reception of Genesis 19 with Judges 19 21 in both Christian and Jewish traditions from antiquity to the Reformation period Remember Lot's Wife April Yamasaki, 1991 **Awakening Words** David Gay, James G. Randall, Arlette Zinck, 2000 Writing from the model and authority of scripture Bunyan offers his readers fictional narratives and theological treatises that variously challenge resist invert and imaginatively transform the conditions under which they are written BOOK JACKET *Weekly World News*, 2003-02-04 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

Sermon Outlines on Women of the Bible Charles R. Wood, Expository outlines that can lead to sermons or lessons filled with a deeper understanding of the truth of God's Word **Cruising World**, 1992-01 **Holiness** J. C. Ryle, 2001-11 This book lays out the requirements and difficulties that will come with the pursuit of holiness in our Christian lives Ryle starts out with the way to achieve holiness and the difficulties that arise with pursuing a holy life and then going throughout the Bible giving true examples of the cost of holiness and the rewards it brings as the Bible promises us To often we sing and pray for such a life without being willing to undergo the necessary life changes and adjustments to get there This book lays out what we can expect in such a journey and what God will ask of each of us to get us to the point He wants us to be

Sodom's Sin Ed Noort, Tigchelaar, 2021-11-29 This volume is devoted to the receptions of and reflections on the story of Sodom and Gomorrah as told in Genesis 18 and 19 Two articles discuss intertextual reactions to the Sodom narrative within the Hebrew Bible Five contributions examine readings and rewritings of the Sodom narrative in early Jewish Christian and Islamic writings Jubilees the Dead Sea Scrolls the New Testament Revelation 11 Targumim and early Koran commentaries Two articles focus on separate themes the punishment of the Dead Sea and the prohibition on looking back Finally two articles that focus on Peter Damian and Proust's *Sodome et Gomorrhe* I describe the later reception of the sin of Sodom as homosexuality A bibliography of recent works completes the volume *The Kingdom* Witness Lee, 1980 *Tehiyyat Ha-Metim* Harry Sysling, 1996 The study deals with all those passages in the Palestinian Targums the Aramaic translations of the Pentateuch that refer to the Resurrection of the Dead Of central interest in it is the question to what extent the targumic traditions on a future resurrection of the body or on the fate of the soul after death agree with or differ from corresponding traditions in rabbinic sources With a few exceptions the relation between targumic traditions and rabbinic sources has been neglected in targumic studies of the last decades This may have been caused by the questionable assumptions that a the Aramaic of the Palestinian Targums represents the spoken Aramaic of Palestine in the New Testament period b the Palestinian Targums contain an important number of early pre Christian traditions and c the Palestinian Targums are popular

in origin being written in the vernacular in contrast with the scholastic authoritative expositions in the learned rabbinic sources Harry Sysling first offers a survey of these and other important issues in targumic research of the past and of recent opinions on character origin and interrelationship of the Palestinian Targums In the following chapters the author makes a careful analysis of those passages in the Palestinian Targums that directly by the use of specific terminology or indirectly by the use of metaphors refer to the resurrection of the body and to the fate of the body and or soul after death

Genesis As Dialogue Thomas L. Brodie, 2001-08-16 Recent years have seen a remarkable surge in interest in the book of Genesis the first book of the Hebrew Bible and a foundational text of Western culture In this new commentary Thomas Brodie offers a complete and accessible overview of Genesis from literary theological and historical standpoints Brodie s work is organized around three main ideas The first is that the primary subject of Genesis is human existence the second is that Genesis basic organizational unity is binary or diptych Brodie argues that the entire book is composed of diptychs accounts which like some paintings consist of two parts or panels Finally Brodie contends that many of Genesis sources still exist and can be identified and verified

Out of the Shadows Kate Bruce, Liz Shercliff, 2024-05-30 The story of the Bible us most often told as the story of men from patriarchs to prophets kings disciples and apostles But women are there sometimes in the background sometimes striding powerfully onto the stage Their stories

are frequently moving prophetic and often good news Sometimes they experience appalling violence and abuse which needs to be named In some examples their behaviour is less than appealing and power is misused which needs acknowledgement and exploration In this volume Bruce and Shercliff continue to explore the stories of the women of the bible offering exegesis and comment enabling preachers and readers with a more general interest to encounter and appreciate more of the female characters in scripture Again they seek to inspire imaginative approaches in preachers combining commentary and homiletic textbook
