Lotsa De Casha:

Lotsa de Casha Madonna,2005 A wonderful story about a very rich and very selfish man who has everything in the world except happiness Who can give the secret of happiness *Lotsa de Casha* Madonna,2005 Money can't buy love and being the wealthiest person in the world doesn't guarantee happiness Lotsa de Casha is the richest and most miserable man in the world No matter how colossal his castles how fast his horses nor how big his sandwiches he remains a gloomy old sourpuss until he embarks on a fantastic adventure that leads him to the discovery of life's greatest treasure What is the secret to happiness Read Lotsa's story and find out **Lotsa de Casha** ,2004-06-08 A wonderful story about a very rich and very selfish man who has everything in the world except happiness Who can give the secret of happiness Ages 6 **Lotsa de Casha** Madonna (is Madonna Louise Veronica Ciccone.),Mireille Vroege,2005 Lotsa de Casha een rijke koopman kan er niet meer tegen ongelukkig te zijn Hij gaat op reis en ontdekt niet alleen het geheim om gelukkig te worden maar vindt ook een vriend Prentenboek met fijn geschilderde illustraties in warme tinten Vanaf ca 6 jaar , **Wild Things! Acts of Mischief in Children's Literature** Betsy Bird,Julie Danielson,Peter D. Sieruta,2014-08-05 Secret lives scandalous turns and some very funny surprises these essays by leading kids lit bloggers take us behind the scenes of many much loved children's books Told in lively and affectionate prose this treasure trove of information for a student librarian parent or anyone wondering about the post Harry Potter children's book biz brings contemporary illumination to the warm and fuzzy bunny world we think we know **Madonna: Biography of the World's Greatest Pop Singer** Karen Lac,2012-07-30 ABOUT THE BOOK In 1984 a young pop musician with a few hits under her belt gave an energetic performance on Dick Clark's American Bandstand After the performance Dick Clark asked of the young woman What do you hope will happen not only in 1984 but for the rest of your professional life What are your dreams What's left Without missing a beat Madonna replied that she wanted to rule the world Twenty eight years after her bold response Madonna's accomplishments and popularity demonstrate that in a way this proclamation proved prophetic Madonna is undoubtedly an international celebrity Thanks to the spread of MTV and the Internet Madonna's music has become a fixture in the lives of people as far away as Zimbabwe She has achieved a level of fame that causes her to be known by people across the world regardless of culture age or sex Even those who don't listen to music know who Madonna is Right from the start Madonna seemed to have a plan on how to dominate the world She wasn't just satisfied with having a successful music career Right after her first two albums both of which were blockbuster albums that produced numerous hit singles such as Like a Virgin Holiday and Material Girl she dabbled in movies and became a movie star With her messy chic style that was mimicked by girls everywhere she also became a fashion icon Her presence and influence was so great in the 1980s that her style and music has come to characterise the decade As time went on the world saw that Madonna wasn't just some entertainer who loved to shock people Of course she did a great job of that over the years by doing things such as wearing scanty clothing while draped in

crucifix necklaces kissing other women and releasing a soft porn coffee table book But perhaps the real reason why she hasn't disappeared yet is because Madonna is extremely smart and shrewd Her accomplishments in the music industry alone include selling more than 300 million records worldwide ranking as the world's top selling female recording artist and top solo artist several sold out tours and multiple Grammy awards This hardly scratches the surface of what she's done with her life By reinventing herself over and over again and diversifying her talents she had managed to keep herself relevant and exciting Not only is she a singer and actress she's also a movie producer songwriter author philanthropist and business entrepreneur She is one of those rare people who have become a part of American culture itself EXCERPT FROM THE BOOK So after struggling for several years in New York City Madonna finally hit it big in the early 80s Her first album the self titled Madonna featured several Billboard top hits including Holiday Borderline and Lucky Star At MTV's very first Video Music Awards she performed her new song Like a Virgin to promote her upcoming album of the same name Performing on top of a giant wedding cake and writhing around on the floor while dressed in a wedding dress fitted with a bustier she became a national sensation She also caused parental and religious outrage who thought her blatant displays of sexuality rather offensive Like a Virgin demonstrated that Madonna wasn't just a one album wonder It took the number one spot on the album charts for three weeks straight Seven million copies of the album were sold worldwide by May 1985 Her music video for Material Girl inspired by Marilyn Monroe's Diamonds Are a Girl's Best Friend song routine from the movie Gentlemen Prefer Blondes showed that Madonna could do the glamorous look as well just as good as any other celebrity

Crossover Picturebooks Sandra L. Beckett,2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children s genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide

multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books. The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre. Crossover picturebooks are often very complex texts that are challenging for adults as well as children. Many are characterized by difficult adult themes, genre blending, metafictional discourse, intertextuality, sophisticated graphics, and complex text-image interplay. Exciting experiments with new formats and techniques, as well as novel interactions with new media and technologies, have made the picturebook one of the most vibrant and innovative contemporary literary genres, one that seems to know no boundaries. Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole.
