Greene County, Arkansas , 2002-08-02 The history of the community and people of Greene County Arkansas T.H. White's Troubled Heart Kurth Sprague, 2007 An analysis of women in *The Once and Future King* The contexts for the *The Once and Future King* are here expertly analysed through the lenses of previously unpublished materials and drawings from the Ransom Center by the late novelist and poet Kurth Sprague The author concentrates on White's misogyny as a result of his reaction to his difficult mother Constance but he equally focuses on the charm of White's other queen Guenevere Nothing had more impact on White than his mother his dogs and his friendships though his readings in the history of chivalry are very deep and this book enables us to see the development of White's monumental and symphonic work **Fenner and White's Medical Virology** Christopher J. Burrell, Colin R. Howard, Frederick A. Murphy, 2016-11-09 Fenner and White's *Medical Virology* Fifth Edition provides an integrated view of related sciences from cell biology to medical epidemiology and human social behavior The perspective represented by this book that of medical virology as an infectious disease science is meant to provide a starting point an anchor for those who must relate the subject to clinical practice public health practice scholarly research and other endeavors The book presents detailed exposition on the properties of viruses how viruses replicate and how viruses cause disease These chapters are then followed by an overview of the principles of diagnosis epidemiology and how virus infections can be controlled The first section concludes with a discussion on emergence and attempts to predict the next major public health challenges These form a guide for delving into the specific diseases of interest to the reader as described in Part II This lucid and concise yet comprehensive text is admirably suited to the needs of not only advanced students of science and medicine but also postgraduate students teachers and research workers in all areas of virology Features updated and expanded coverage of pathogenesis and immunity Contains the latest laboratory diagnostic methods Provides insights into clinical features of human viral disease vaccines chemotherapy epidemiology and control *Journal* Bath and West and Southern Counties Society, 1929 The Medical Officer , 1914 **White's Aviation** , 1945 **Southern Women** Sally G. McMillen, 2017-08-14 The third edition of *Southern Women* relays the historical narrative of both black and

white women in the patriarchal South Covering primarily the years between 1800 and 1865 it shows the strengths and varied experiences of these women on plantations small farms in towns and cities in the Deep South the Upper South and the mountain South It offers fascinating information on family life sexuality and marriage reproduction and childrearing education and religion women and work and southern women and the Confederacy Southern Women Black and White in the Old South Third Edition distills and incorporates recent scholarship by historians It presents a well written more complicated multi layered picture of Southern women s lives than has ever been written about before thanks to its treatment of current relevant historiographical debates The book also Includes new scholarship published since the second edition appeared Pays more attention to women in the Deep South especially the experiences of those living in Louisiana and Mississippi Is part of the highly successful American History Series The third edition of Southern Women Black and White in the Old South will serve as a welcome supplementary text in college or community college level survey courses in U S Women s African

American or Southern history It will also be useful as a reference for graduate seminars or colloquia **Here Is Wisdom** Alexander Meer,2019-12-04 If you ever wanted to read a book that describes the history of the world as well as the origin and evolution of humankind in a nutshell this book is a must read We live in an age of information and technology and everything we want to know about the world whether it is related to history philosophy science or religion is available at our fingertips Yet the more information we have at our fingertips the more confused we seem to become The traditional answers to the age old philosophical questions about who we are where we came from and where we are heading should be reevaluated and redefined in light of the abundance of information available at our fingertips today This book compiles all the essential information we need to know in order to reevaluate and redefine our deepest beliefs The forty chapters of this book provide great insights into the origin and evolution of human civilization by exploring the most recent scientific theories of our Modern Age It also explores all the hallmark events of history and analyzes those events from the point of view of science religion and the philosophical theories that emerged throughout the ages Each of the chapters of this book should be viewed as dots on a map that represents the journey of humankind from the beginning of time till the 21st century As you read through the various chapters how you choose to connect the dots is entirely up to you But no matter how you connect those dots the lines that you draw should represent a framework for understanding the nature and history of this world and our place within it
