Something to Hide Rosina Umelo,1986      **Bearing Witness** Wendy Griswold,2018-06-05 Greed frustrated love traffic jams infertility politics polygamy These together with depictions of traditional village life and the impact of colonialism made familiar to Western readers through Chinua Achebe s writing are the stuff of Nigerian fiction **Bearing Witness** examines this varied content and the determined people who against all odds write publish sell and read novels in Africa s most populous nation Drawing on interviews with Nigeria s writers publishers booksellers and readers surveys and a careful reading of close to 500 Nigerian novels from lightweight romances to literary masterpieces Wendy Griswold explores how global cultural flows and local conflicts meet in the production and reception of fiction She argues that Nigerian readers and writers form a reading class that unabashedly believes in progress rationality and the slow but inevitable rise of a reading culture But they do so within a society that does not support their assumptions and does not trust literature making them modernists in a country that is simultaneously premodern and postmodern Without privacy reliable electricity political freedom or even social toleration of bookworms these Nigerians write and read political satires formula romances war stories complex gender fiction blood and sex crime capers nostalgic portraits of village life and profound explorations of how decent people get by amid urban chaos **Bearing Witness** is an inventive and moving work of cultural sociology that may be the most comprehensive sociological analysis of a literary system ever written      *The Pacesetter* Jerry M Fisher,2014 Who was responsible for the these Great American Landmarks The Indy 500 The Dixie Highway The Lincoln Highway Miami Beach and Montauk New York      *Something to Hide* Rosina Umelo,2009      **Nigerian Female Writers** Henrietta C. Otokunefor,Obiageli C. Nwodo,1989 Fifteen contributors from Nigerian universities write on twenty Nigerian women writers The aim of the editors was to bring into focus the literary contribution of Nigerian women writers up to the present The writers are grouped into four broad categories novelists dramatists poets and the children s literature writers They include the well known writers such as Flora Nwapa Buchi Emecheta and Adaora Ulasi but also relatively unknown female writers who have contributed to the development of Nigerian literature The book includes a short biography on each writer a list of her publications words about her and a critical analysis of her works      *Pacesetter* ,1988      *Popular Mechanics* ,1994-11 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle      **The Pace Setters** Aileen O'Toole,1987      Hidden Assets Charles Ehin,2006-07-06 Based on his diverse personal experiences and two decades of interdisciplinary research Dr Ehin unveils the mysteries and shows the practicality of tapping into the ever evolving yet extraordinarily powerful informal networks present in all social groups What this book reveals is the extraordinarily dynamic and tight linkage between three hidden organizational success factors responsible for most work accomplished in both for profit and nonprofit ventures

especially in the development of new innovations The book shows why in a knowledge economy it is essential to design organizations that facilitate the fundamental collaborative and creative qualities of human nature rather than unconsciously suppressing them In doing so it is made obvious why most mergers and change efforts fail and the reasons why an average employee only works at two thirds of his her capacity This work clearly demonstrates how smart institutions can harness rather than manage these invisible emergent forces and in the process avoid the dismal record of past organizational transformation initiatives Hidden Assets is a must read not only for top executives knowledge professionals and organizational scholars but for everyone associated with private public or voluntary social institutions **The Hidden**

**Voyage** Dr. Sharon Campbell-Phillips, 2023-01-07 This book is a fiction romance novel that tells a beautiful love story As the streets that lead from the Strand to the Embankment are very slim it s better no longer to walk down them arm in arm If you persevere lawyers clerks will have to make flying leaps into the mud young female typists will have to fidget in the back of you In the streets of London wherein beauty is going unregarded eccentricity must pay the penalty and it is higher no longer to be very tall to put on a long blue cloak or to conquer the air together with your left hand One afternoon in the beginning of October whilst the traffic was turning brisk a tall guy strode alongside the edge of the pavement with a lady on his arm Angry glances struck upon their backs Moody: a Biographical Portrait of the Pacesetter in Modern Mass Evangelism John

Pollock, 1963 Hidden Relationships of the Homicide Detective Herman L. Hinton, 2013-12-12 This book is titled Hidden Relationships of the Homicide Detective The responsibility of overseeing the Homicide Unit and my everyday exposure to witnessing violent crimes throughout the city of Birmingham led me to write this fiction novel that depicts a young man who takes a circuitous route in his quest to restore the luster in his parents dismal marriage While in pursuit of what he believes is the key to restoring happiness in his family Trey Wilcox meets some interesting people who at one time or another crossed paths with his dad along with other amazing discoveries But more than anything else this long and winding voyage reinforces his belief that family and lifelong relationships are vitally important for survival This book is designed to help restore family values to encourage friendly relationships and to truncate the rise in the number of dysfunctional families across the globe It is also designed to uplift victims of violent crimes who might still be in despair because of the unwarranted trauma they have experienced It will also help them understand that irrespective of the odds that they currently face they can pick up the fragments of their broken lives and rise far above that experience This is a must read for adults of all ages But with the vast majority of youths in the world maturing as quickly as they do I envision upper class high school age as a starting point for marketing this book This is definitely a must read for high school seniors as they prepare to enter college and adulthood in a world filled with an assortment of surprises traps and vices designed to trip them up It serves as an eye opener for all of us irrespective of whether we or any of our family members have ever been the victim of a violent crime As a matter of fact the content in this book is written in such a manner that it serves as a great read for every family and ideal for public libraries
