Pacific Air Race Robert H. Schepppler, 1988-01-01 **Pacific Air Race** Robert H. Schepppler, 1988 *The Ninety-Nines Inc.*, 1996-06 *The Golden Age of Air Racing: 1934-1939* Sylvester H. Schmid, Truman C. Weaver, 1983 *Wally Funk's Race for Space* Sue Nelson, 2019-03-05

Wally Funk was among the Mercury 13 the first group of American pilots to complete NASA's 1961 Women in Space program. Funk breezed through the rigorous physical and mental tests her scores beating those of many of the male candidates even John Glenn. Just one week before Funk was to enter the final phase of training the entire program was abruptly cancelled. Politics and prejudice meant that none of the more than qualified women ever went to space. Undeterred Funk went on to become one of America's first female aviation inspectors and civilian flight instructors though her dream of being an astronaut never dimmed. In this offbeat odyssey journalist and fellow space buff Sue Nelson travels with Wally Funk approaching her 80th birthday as she races to make her giant leap. Covering their travels across the United States and Europe taking in NASA's mission control in Houston and Spaceport America in New Mexico where Funk's ride to space awaits this is a uniquely intimate and entertaining portrait of a true aviation trailblazer.

E. L. Cord was first and foremost a salesman both of products and of himself. In 1924 after achieving great success as an automobile distributor Cord became the man with enough talent and panache to lead the Auburn Automobile Company out of its slumber. By 1929 Auburn sales had increased 15 fold and Cord was the head of an empire. His Cord Corporation owned Lycoming Mfg Co engines Limousine Body Co and Central Mfg Co auto bodies Century Airlines and Duesenberg among others. Cord's philosophy of automobile design and salesmanship might be summed up in two words Novelty Sells. Though mechanically ordinary his Auburn models with outstanding styling and clever paint combinations were hot sellers. Cord oversaw the introduction of the fabulous Model J Duesenberg a car whose combination of size cost performance and style was and is unmatched in American automotive history. His most novel car was the rakish Cord L 29 the first American production car to feature front wheel drive. All this and more is told of America's true renaissance man E. L. Cord in the original and complete biography of the man behind the Auburn Cord and Duesenberg lines. The luxurious presentation includes 280 oversized pages containing more than 500 rare illustrations photographs and documents.

A thrilling account. *Race to Hawaii* chronicles the first flights to Hawaii in the 1920s during the Golden Age of Aviation. These journeys were fraught with danger. To reach the tiny islands fearless pilots flew unreliable and fragile aircraft outfitted with primitive air navigation equipment. The Dole Derby was an unprecedented 1927 air race in which eight planes set off at once across the Pacific all eager to reach the islands first and claim a cash prize offered by Pineapple King James Dole. Military men barnstormers a schoolteacher a Wall Street bond salesman a Hollywood stunt flyer and veteran World War aces all encountered every type of hazard during

their perilous flights With so many pilots taking aim at the far flung islands in so many different types of planes everyone wondered who would reach Hawaii first or at all **The Aeroplane** ,1927 **Aircraft** ,1914 *Western Aviation, Missiles, and Space* ,1941 **Aviation in Northern California 1910-1939** Allen Herr,2020-07-01 Aviation in Northern California 1910 1939 Vol 1 San Francisco Bay Area is the only book to give a detailed account of early flying in the Bay Area Historian Allen Herr recalls the aviation pioneers who flew weekly exhibitions promoting the Panama Pacific International Exposition fifteen months prior to its San Francisco opening These pioneers formed flying schools built airports manufactured aircraft and competed against each other Herr captures the energy behind the Bay Area aviation movement tells who was involved and describes the effects of their extraordinary determination and achievements This edition is one of three in Herr s series of Aviation in Northern California 1910 1939 **The World of Ham Radio, 1901-1950** Richard A.
