Pacific Alamo The Battle For Wake Island

John F. Wukovits

Pacific Alamo The Battle For Wake Island:

Pacific Alamo John Wukovits,2004-07-06 It happened in the shadow of Pearl Harbor mere hours after the first attack on the day that would live in infamy But few know the full story of Wake Island Now a prominent military historian breaking new ground on the assault relates the compelling events of that day and the heroic struggle that followed Thanks to the brave Marines stationed there and the civilian construction workers who selflessly put their lives on the line to defend the island what was supposed to be an easy victory became a protracted and costly battle for Imperial Japan This is the story of that battle from survivors on both sides and with a gallery of historic photos **Pacific Alamo** John Wukovits,2004 **The**

Early Air War in the Pacific Ralph F. Wetterhahn,2019-11-29 During the first 10 months of the war in the Pacific Japan achieved air supremacy with its carrier and land based forces But after major setbacks at Midway and Guadalcanal the empire s expansion stalled in part due to flaws in aircraft design strategy and command This book offers a fresh analysis of the air war in the Pacific during the early phases of World War II Details are included from two expeditions conducted by the author that reveal the location of an American pilot missing in the Philippines since 1942 and clear up a controversial account involving famed Japanese ace Saburo Sakai and U S Navy pilot James Pug Southerland One Square Mile of Hell

John Wukovits,2007-08-07 The riveting true account of the Battle of Tarawa an epic World War II clash in which the U S Marines fought the Japanese nearly to the last man In November 1943 the men of the 2d Marine Division were instructed to clear out Japanese resistance on the Pacific island of Betio a speck at the end of the Tarawa Atoll When the Marines landed the Japanese poured out of their underground bunkers and launched one of the most brutal and bloody battles of World War II For three straight days attackers and defenders fought over every square inch of sand in a battle with no defined frontlines and where there was no possibility of retreat because there was nowhere to retreat to It was a struggle that would leave both sides stunned and exhausted and prove both the fighting mettle of the Americans and the fanatical devotion of the Japanese Drawn from new sources including participants letters and diaries and exclusive firsthand interviews with survivors One Square Mile of Hell is the true story of a battle between two determined foes neither of whom would ever look at the other in the same way again Pacific Crucible: War at Sea in the Pacific, 1941-1942 (Vol. 1) (The Pacific War Trilogy) Ian W.

Toll,2011-11-14 Winner of the Northern California Book Award for Nonfiction Both a serious work of history and a marvelously readable dramatic narrative San Francisco Chronicle On the first Sunday in December 1941 an armada of Japanese warplanes appeared suddenly over Pearl Harbor Hawaii and devastated the U S Pacific Fleet Six months later in a sea fight north of the tiny atoll of Midway four Japanese aircraft carriers were sent into the abyss a blow that destroyed the offensive power of their fleet Pacific Crucible through a dramatic narrative relying predominantly on primary sources and eyewitness accounts of heroism and sacrifice from both navies tells the epic tale of these first searing months of the Pacific war when the U S Navy shook off the worst defeat in American military history to seize the strategic initiative *Fly Boy*

Heroes James H. Hallas, 2022-04-01 On the morning of December 7 1941 Chief Aviation Ordnanceman John W Finn though suffering multiple wounds continued to man his machine gun against waves of Japanese aircraft attacking the Kaneohe Bay Naval Station during the infamous Pearl Harbor raid Just over three years later as World War II struggled into its final months a B 29 radioman named Red Erwin lingered near death after suffering horrific burns to save his air crew in the skies off Japan They were the first and last of thirty U S Navy Army and Marine Corps aviation personnel awarded the Medal of Honor for their actions against the Japanese during World War II They included pilots and crewmen manning fighters and dive bombers and flying boats and bombers One was a general Another was a sergeant Some shot down large numbers of enemy aircraft in aerial combat Others sacrificed themselves for their friends or risked everything for complete strangers Who were these now largely forgotten men Where did they come from What inspired them to rise above and beyond What if anything made them different Virtually all had one thing in common they always wanted to fly They came from a generation that revered the aces of World War I like Eddie Rickenbacker the civilian flyer Charles Lindbergh and the lost aviator Amelia Earhart and then they blazed their own trail during World War II

Wake And Reunion Stanford D. Carman, 2011-01-14 *Wake And Reunion* revolves around the Battle of Wake Island from Dec 8 23 1941 While many of the US Defenders are mentioned the book includes the Individual bio s of 17 Wake Island Defenders and their return to United States after 1350 days as POWs of the Japanese until the surrender of the Japanese ending WWII in September 1945 The chapter Vindication and Aftermath deals with United States actions against Japanese held Wake Island and the official report of the surrender of Wake Island by the Japanese back to the United States September 1945 The book also contains the complete roster of all men on Wake Island when it fell to the Japanese Dec 23 1941 *Wake And Reunion* is richly illustrated with over 100 photographs letters and diagrams some of which date back to the 1930 s Also included are photos of what was to be the Wake Island Defenders last organized reunion in October 2005

The Pacific Campaign in World War II William Bruce Johnson, 2006-05-02 This is a fascinating new account of how diplomacy and politics gave way to military strategy and warfare in the Pacific Presenting previously unpublished documents this book freshly examines the key events in the fight for the Pacific

Last Stands from the Alamo to Benghazi Frank Wetta, Martin Novelli, 2016-12-08 *Last Stands from the Alamo to Benghazi* examines how filmmakers teach Americans about the country s military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood s view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone

interested in American military and film history **The Depths of Courage** Flint Whitlock, Ron Smith, 2008-11-04 Chosen by WWII History magazine as one of the Best Books of the Year In the dark days after Pearl Harbor the small illequipped arm of the Navy known as Submarine Force would stand between the shattered U S Pacific Fleet and the might of the Japanese Navy Unfortunately the spirit and courage of the Submarine Force is being forgotten as the veterans of that force pass into history To preserve their heroic tales of war beneath the sea critically acclaimed author and military historian Flint Whitlock in collaboration with decorated World War II submarine veteran Ron Smith set out on a journey of more than two years to interview submariners and to record their accounts before the memories of their endeavors are lost forever These are their stories **Leadership Embodied, 2nd Edition** Joseph J Thomas, 2013-10-15 Leadership is a most demanding undertaking How do some people make it seem so simple so natural and instinctive In the age old debate as to whether leaders are born or made Thomas contends that the answer is both Great leaders throughout history were born with certain capabilities Preparation honed those capabilities Then that ability and preparation were combined with a will to lead When circumstances demanded the great leaders of history pulled these attributes together to create results that drove the course of history While leaders are present in every aspect of human undertaking we chose to illustrate each of the components of leadership through the most dramatic and demanding of all human undertakings war and the preparations for war Wartime leaders are leaders writ with a darker pen Wartime challenges are because of the life and death nature of the affair more monumental and exacting In the selection of individuals to illustrate each point we chose wartime leaders as well as those who guided their subordinates and organizations in preparation for combat Further we chose American leaders with a distinct and obvious bias towards the navy and Marine Corps Multiple reasons led us to our approach for Leadership Embodied First a biography is perhaps the most effective method for imparting leadership lessons Simple listings of prescriptive traits or descriptive qualities are patronizing and frequently boring Second our biographical examples are familiar to most or at least they should be Finally all of these historical selections have dramatically shaped today's institutions practices and customs within the naval services These are not marginal figures with marginal influence The individuals included and their respective leadership attributes should be required reading for any student of leadership Each has a particular lesson for midshipmen on their journey to becoming a navy or Marine Corps officer This book does not promise to be a panacea There is no short cut Leadership does not follow a prescribed path We study examples to inspire us to become better to be strong when it is easy to give in and to know others have gone before us and faced insurmountable odds Leadership as an ill defined social science crosses boundaries with several disciplines including sociology psychology philosophy and history We have selected a method that combines the psychological profile of effective leaders and the historical context of the impact their leadership brought to organizations and events Our hope for this book is that these case studies illustrate the basic elements in themselves the very essence of leadership It is through inherent talent arduous

preparation and practical experience that we become capable leaders The reader brings the first to the table then we offer a small token in the second pursuit and circumstances enable the third One Square Mile of Hell John Wukovits,2007-08-07 The riveting true account of the Battle of Tarawa an epic World War II clash in which the U S Marines fought the Japanese nearly to the last man In November 1943 the men of the 2d Marine Division were instructed to clear out Japanese resistance on the Pacific island of Betio a speck at the end of the Tarawa Atoll When the Marines landed the Japanese poured out of their underground bunkers and launched one of the most brutal and bloody battles of World War II For three straight days attackers and defenders fought over every square inch of sand in a battle with no defined frontlines and where there was no possibility of retreat because there was nowhere to retreat to It was a struggle that would leave both sides stunned and exhausted and prove both the fighting mettle of the Americans and the fanatical devotion of the Japanese Drawn from new sources including participants letters and diaries and exclusive firsthand interviews with survivors One Square Mile of Hell is the true story of a battle between two determined foes neither of whom would ever look at the other in the same way again

The Fighting First Flint Whitlock,2004-04-13 Chronicles the inspiring story of the American soldiers in the United States Army s 1st Infantry Division and their role in the D Day invasion of France at Normandy followed by their fight across France Belgium and into Germany 50 000 first printing Eli Manning John F. Wukovits,2010-03-12 Some kids find having a famous parent overwhelming Others struggle to shine in the shadow of an older sibling Eli Manning son of legendary Ole Miss quarterback Archie Manning and younger brother of NFL star quarterback Peyton Manning faced a double challenge This profile offers insight into the life and career of Eli the youngest Manning who followed in his father s footsteps to Ole Miss and went on to lead the New York Giants to a stunning victory in Super Bowl XLII winning the MVP award just one year after his older brother A detailed timeline of important biographical dates and an extensive bibliography provide readers with a gateway to further research and inquiry **An Appeal for Justice** John F. Wukovits,2011-11-14 In 1931 nine African American teens were accused of raping two white women on a train traveling between Chattanooga and Memphis During the first trial in Scottsboro all of the defendants were tried convicted and sentenced to death despite medical evidence supporting their innocence Subsequent appeals of this verdict turned the Scottsboro case into a high profile example of the injustices that the African American community experienced at the hands of the American judicial system This informative edition takes a critical look at the story of the Scottsboro Boys and the controversial train ride that sparked outrage across the nation George Clooney John F. Wukovits,2013-04-02 This biography provides readers with a look at the life of Oscar winning actor George Clooney Chapters include coverage of his childhood his experiences breaking into acting and his more recent activities with acting directing and producing Clooney s interest in ending genocide brought the issue to the forefront of news for a long time using his fame as a platform for civil change Internment of Japanese Americans John F. Wukovits,2012-09-07 Shortly after the bombing of Pearl Harbor President Franklin D Roosevelt signed an executive order

calling for the relocation of over 100 000 Japanese Americans to internment camps throughout the United States The internment uprooted thousands of families and created deep divides between American born Japanese and older immigrants The legacy of this event remains at the center of many human rights abuse discussions today This edition includes a timeline of events sources for further research engaging photographs and a detailed subject index This book also includes the discussion of topics such as prejudice in America what life was like for those interned and the lasting legacy and consequences of forced relocation

The Bombing of Pearl Harbor John F. Wukovits, 2011-02-23 For many Americans December 7th is a milestone date in the course of American history because it marks the formal entry of the United States into World War II With more than 2 300 sailors killed in action eight battleships sunk or damaged and over 100 planes destroyed the attack left the United States Navy severely crippled This was not an isolated act of aggression It was flashpoint at the end of a decade of worsening relations between the United States and Japan This compelling volume offers an analysis of the attack on Pearl Harbor to broaden student awareness of the event through accessible language maps and vivid pictures Chapters explore relevant topics including Japanese aggression in China the preparations the United States made for war the devastation of battleship row and the naval base reactions to the attack and moves toward recovery and the political and strategic aftermath

Kobe Bryant John F. Wukovits, 2011-05-13 Before retiring in 2016 Kobe Bryant played his entire twenty year career with the Los Angeles Lakers and led the team to five NBA Championship victories This absorbing biography offers a nuanced look at the life of Kobe Bryant Readers will gain an insight into Bryant s childhood his early years as a professional basketball player and the various controversies surrounding his personal life

For Crew and Country John Wukovits, 2013-01-29 The acclaimed WWII historian recounts the most dramatic naval battle of the Pacific War and the incredible sacrifice of the USS Samuel B Roberts On October 25 1944 the Samuel B Roberts along with the other twelve vessels comprising its unit stood between Japan s largest battleship force ever sent to sea and MacArthur s transports inside Leyte Gulf Faced with the surprise appearance of more than twenty Japanese battleships cruisers and destroyers including the infamous Yamato the Samuel B Roberts turned immediately into action with six other ships Captain Copeland marked the occasion with one of the most poignant addresses ever given to men on the edge of battle Men he said over the intercom we are about to go into a fight against overwhelming odds from which survival cannot be expected The Samuel B Roberts went down with guns blazing in a duel reminiscent of Davy Crockett s Alamo defenders The men who survived faced a horrifying three day nightmare in the sea where they battled a lack of food and water scorching sun numbing nighttime cold and bloodthirsty sharks In For Crew and Country John Wukovitz vividly chronicles the Battle off Samar one of history s greatest clashes at sea
