Pacific Islands Portraits:

Pacific Islands Portraits James Wightman Davidson, Deryck Scarr, 1970 **More Pacific Islands Portraits** D. Scarr, 1996-01-01 *More Pacific Islands Portraits* Deryck Scarr, 1978 Collection of 13 essays about people who lived in the Pacific Islands during the past 150 years *Watriama and Co* Hugh Laracy, 2005 *Watriama and Co* Hugh Laracy, 2013-10-01

WATRIAMA AND CO the title echoes Kipling's STALKY AND CO is a collection of biographical essays about people associated with the Pacific Islands. It covers a period of almost a century and a half. However, the individual stories of first-hand experience converge to some extent in various ways so as to present a broadly coherent picture of Pacific History. In this, politics, economics, and religion overlap. So too do indigenous cultures and concerns together with the activities and interests of the Europeans who ventured into the Pacific and who had a profound, widespread, and enduring impact there from the nineteenth century and who also prompted reactions from the Island peoples. Not least significant in this process is the fact that the Europeans generated a paper trail through which their stories and those of the Islanders who also contributed to their written record can be known. Thus, not only are the subjects of the essays to be encountered personally and within a contextual kinship, but the way in which the past has shaped the future is clearly discernible. Watriama himself features in various historical narratives. So too certain of his confreres in this collection, which is the product of several decades of exploring the Pacific past in archives by sea and on foot through most of Oceania.

From Islands to Portraits Sergio Perosa, 2000 Throughout the long course of literature, islands have accumulated uncanny connotations of death together with peculiarities of linguistic definition and expression. Since the age of discovery, after the Caribbean Islands, America itself, and later the archipelagos and atolls in the Pacific, became known to travellers and conquistadores, islands have been sought, searched, explored, and physically possessed as women. Cultural recognition takes the form of sexual and physical possession. Venus was born from the sea and is identified with an island. These are the themes of the first two variations discussed in this book.

Encyclopedia of Nineteenth-Century Photography John Hannavy, 2013-12-16 The Encyclopedia of Nineteenth-Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century. It sets out to be the standard definitive reference work on the subject for years to come. Its coverage is global, an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication. The Encyclopedia presents new and ground-breaking research alongside accounts of the major established figures in the nineteenth-century arena. Coverage includes all the key people, processes, equipment, movements, styles, debates, and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool, creative medium, and recorder of everyday life which it had become by the dawn of the twentieth century. The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth-Century Photography an essential reference source for academics and students.

researchers and libraries worldwide **Portraits of Oceania** Judy Annear, Art Gallery of New South Wales, 1997 Portraits of Oceania is drawn from the collection of the Art Gallery of New South Wales and other collections in Australia and New Zealand It is the first exhibition by an Australian art museum to look at the nature of photographic portraiture of some of the indigenous peoples of Oceania during the first fifty years of photography Foreword **Islands, Islanders and the World** Tim Bayliss-Smith, Richard Bedford, Harold Brookfield, 2006-11-02 Fiji is a country whose recent political instability can be directly traced to its distinctive colonial and post colonial experience For one particular region of Fiji the authors examine the environmental social and economic aspects of this experience at scales ranging from national and regional to island village and household Discussions in Third World geography regional economics and development planning have been full of rhetoric about underdevelopment centre periphery relations and dependency but seldom are the actual processes which give rise to these phenomena examined in detail In this book the authors explore in depth the interrelations between the island landscape the cultural geography of the islanders and the intrusive values and opportunities of the market economy Some important lessons are to be learnt from the gap between what might be predicted from abstract theories of development and what is actually happening in the real world of politicians planners farmers and fishermen *Portrait and Biographical Album of Rock Island County, Illinois* , 1885 **Guardians of Empire** David Killingray, 2017-03-01 For imperialists the concept of guardian is specifically to the armed forces that kept watch on the frontiers and in the heartlands of imperial territories Large parts of Asia and Africa and the islands of the Pacific and the Caribbean were imperial possessions This book discusses how military requirements and North Indian military culture shaped the cantonments and considers the problems posed by venereal diseases and alcohol and the sanitary strategies pursued to combat them The trans border Pathan tribes remained an insistent problem in Indian defence between 1849 and 1947 The book examines the process by which the Dutch elite recruited military allies and the contribution of Indonesian soldiers to the actual fighting The idea of naval guardianship as expressed in the campaign against the South Pacific labour trade is examined The book reveals the extent of military influence of the Schutztruppen on the political developments in the German protectorates in German South West Africa and German East Africa The U S Army charged with defending the Pacific possessions of the Philippines and Hawaii encountered a predicament similar to that of the mythological Cerberus The regimentation of military families linked access to women with reliable service and enabled the King s African Rifles to inspire a high level of discipline in its African soldiers askaris The book explains the political and military pressures which drove successive French governments to widen the scope of French military operations in Algeria between 1954 and 1958 It also explores gender issues and African colonial armies **Historical Dictionary of Polynesia** Robert D. Craig, 2011 The term Polynesia refers to a cultural and geographical area in the Pacific Ocean bound by what is commonly referred to as the Polynesian Triangle which consists of Hawai i in the north New Zealand in the southwest and Easter Island in the southeast Thousands of islands are scattered

throughout this area most of which are currently included in one of the modern island states of American Samoa Cook Islands French Polynesia Hawaii i New Zealand Samoa Tonga Tokelau Tuvalu and Wallis and Futuna The third edition of the Historical Dictionary of Polynesia greatly expands on the previous editions through a chronology an introductory essay an expansive bibliography and over 400 cross referenced dictionary entries on significant persons events places organizations and other aspects of Polynesian history from the earliest times to the present Appendixes of the major islands and atolls within Polynesia the rulers and administrators of the 13 major island states and basic demographic information of those states are also included

Historical Portraits, the Lives by C.R.L. Fletcher, the Portraits Chosen by Emery Walker, 1919 *The British Journal of Photography* William Crookes, T. A. Malone, George Shadbolt, J. Traill Taylor, William Blanchard Bolton, Thomas Bedding, 1919

Tonga Martin Daly, 2009-02-04 Praise for the first edition Tonga is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly's work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom Bulletin of the School of Oriental and African Studies The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly's comments on the different publications I hope the rumor of a second revised edition of this bibliography is true Journal of the Polynesian Society Tonga is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom's history culture arts politics environment and economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the World Bibliographical Series with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation Tonga A New Bibliography will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands

The Manipulation of Custom Jon Fraenkel, 2004 An account of the 1998 2003 crisis a critical review of the major interpretations and an investigation of the underlying causes and analyses the post coup period up to the arrival of RAMSI in July 2003 Introd

To Live Among the Stars John Garrett, 1982

Photography Mary Warner Marien, 2006 Each of the eight chapters takes a period of up to forty

years and examines the medium through the lenses of art science social science travel war fashion the mass media and individual practitioners Back Cover **Intersections** Brij V. Lal, 2012-11-01 A wonderfully rich insightful and personally touching collection of essays by the Pacific region's most prolific and engaging historian Brij Lal writes eloquently and poetically about his professional and political journeys and the many different people and worlds he has encountered on the way Readers will be inspired by this collective account of a courageous life committed to the achievement of democratic freedom and social justice What shines through these pages is Lal's love of and commitment to Fiji from which he has been painfully exiled David Hanlon Professor of History Former Director of the Center for Pacific Islands Studies University of Hawaii at Manoa The Routledge Companion to Photography and Visual Culture Moritz Neumüller, 2018-09-21 The Routledge Companion to Photography and Visual Culture is a seminal reference source for the ever changing field of photography Comprising an impressive range of essays and interviews by experts and scholars from across the globe this book examines the medium's history its central issues and emerging trends and its much discussed future The collected essays and interviews explore the current debates surrounding the photograph as object art document propaganda truth selling tool and universal language the perception of photography archives as burdens rather than treasures the continual technological development reshaping the field photography as a tool of representation and control and more One of the most comprehensive volumes of its kind this companion is essential reading for photographers and historians alike
