**Temerity & Gall** John Metcalf, 2022-05-31 Metcalf's talent is generous, hectoring, huge and remarkable. Washington Post In *Temerity* surveys with no punches pulled the current state of CanLit and offers a passionate defense of the promise and potential of Canadian writing. In a 1983 editorial letter to the *Globe and Mail*, celebrated Canadian novelist W. P. Kinsella railed that Mr Metcalf, an immigrant, continually and in the most galling manner has the temerity to preach to Canadians about their own literature. Forty years later, in spite of Kinsella's effort to discredit him in the name of a misguided nationalism, both embarrassing and familiar, John Metcalf still has the temerity and gall to preach, to teach and to write passionately and uproariously about literature in Canada. Part memoir, meditation and apologia, part criticism and pure Metcalf, the present volume distills a lifetime of reading and writing, thinking and collecting and continues his necessary work kicking against the ever-present pricks. As is the case with all of his critical work, *Temerity & Gall* will challenge, delight, anger and inspire in equal measure and is essential reading for anyone interested in literature in Canada and its place within the wider tradition of writing in English. *Temerity & Gall* is printed in a limited paperback edition of 750 copies, signed and numbered by the author.

**Pack My Bag** Henry Green, 2017-04-25 A luminous autobiography by one of England's most original, delightful writers. In 1938 Henry Green, then thirty-three, dreaded the coming war and decided to put down what comes to mind before one is killed. *Pack My Bag* was published in England in 1940. When he wrote it, Green had already published three of his nine novels and his style, a gathering web of insinuations, was fully developed. *Pack My Bag* is a marvelously quirky, clear-eyed memoir of a mother who shot at mangle, wurzels, turnips, bowled across the lawn for her by the servants, the stately home packed with wounded World War I soldiers, the miseries of Eton, oddities of Oxford and work in the family factory, the making of a brilliantly original novelist. We have inherited the greatest orchestra, the English language, to conduct. Green once wrote: 'The means are there, things are going on in life all the time around us.' His use of language and his account of things that went on in his life inform this delightful and idiosyncratic autobiography, which begins: 'I was born a mouthbreather with a silver spoon.'

*Penguin Classics* Penguin (Firm), 1999      **The Vienna Paradox** Marjorie Perloff, 2004      Men and Menswear Laura Ugolini, 2017-03-02 Despite increasing academic interest in both the study of masculinity and the history of consumption, there are still few published studies that bring together both concerns. By investigating the changing nature of the retailing of menswear, this book illuminates wider aspects of masculine identity as well as patterns of male consumption between the years 1880 and 1939. While previous historical studies of masculinity have focused overwhelmingly on the moral, spiritual and physical characteristics associated with notions of manliness, this book considers the relationship between men and activities which were widely considered to be at least potentially unmanly: selling as well as buying clothes, thus shedding new light on men's lives and identities in this period.      **Fiercer Than Tigers** Stephen Ely Tabachnick, 2002 Considered to be a literary legend in the 1930s and 1940s, Rex Warner's unique fictions remain powerful reflections on the turbulent politics of the

period In the 1940s Warner grew increasingly disillusioned with the modern world and his writing interests turned to ancient times *Fiercer Than Tigers* traces the personal and intellectual history of Rex Warner as it explores the composition reception and significance of his works his friendships with contemporary Greek writers his personal life friendships with C Day Lewis and W H Auden intellectual journeys and political ideologies Some of Warners most noteworthy writings include *Thucydides* which sold nearly one million copies his historical novels including *The Young Caesar* *Imperial Caesar* *Pericles the Athenian* and *The Converts* his unique fictions and his collaborative work on the translation that contributed to poet George Seferis winning of the Nobel Prize Personal acquaintance with Rex Warner gave Tabachnick access to unpublished sources across the US Greece and England *The New York Public Library Literature Companion* New York Public Library,2001 This is the first one volume reference book to organize discuss literature by topic rather than alphabetical order providing information in a reader friendly format *TLLS, the Times Literary Supplement* ,1992 *Books for College Libraries: Index* ,1975
