Padraic Colum A Biographical Critical Introduction:

Padraic Colum Zack R. Bowen,1970 Mr Bowen's aim is to place in perspective the enormous range of Colum's work as has not been done before and to assess critically its literary and historical position Drawing upon his intimate knowledge of Colum's writings Bowen rates Colum's plays as something less than the masterpieces they were thought to be and he gives a valuable reading of Colum's novels and especially useful categorization and evaluation of Colum's children's literature

Children's Literature Collections Keith O'Sullivan, Pádraic Whyte, 2017-05-19 This book provides scholars both national and international with a basis for advanced research in children s literature in collections Examining books for children published across five centuries gathered from the collections in Dublin this unique volume advances causes in collecting librarianship education and children s literature studies more generally It facilitates processes of discovery and recovery that present various pathways for researchers with diverse interests in children s books to engage with collections From book histories through bookselling information on collectors

and histories of education to close text analyses it is evident that there are various approaches to researching collections In this volume three dominant approaches emerge history and canonicity author and text ideals and institutions Through its focus on varied materials from fiction to textbooks this volume illuminates how cities can articulate a vision of children s literature through particular collections and institutional practices *Researching the Song* Shirlee Emmons, Wilbur Watkin Lewis, 2008 Original publication and copyright date 2006 **Modern Irish Writers** Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world s greatest authors The Revival saw a reestablishment of Ireland s literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Frigl Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume *Moon Over Fausto's* an Anonymous Boomer and His Lady, 2022-07-20 *Moon Over Fausto's* A Short Fat Novel of Manners in the Land of Oz By an Anonymous Boomer and His Lady *Moon Over Fausto's* compiles the romantic recollections of an unnamed boomer culminating in a collection that stands as a testament to a true and undistracted love that has endured the test of time even after his wife s passing Each tale is colored with the character of the solecisms neologisms and cliches specific to the boomer In the end *Moon Over Fausto's* documents the thought processes and character of a member of the generation once coined flower children and presents the earnestness contradictions flaws humor and coyness that inhabit members of that generation Readers will walk away understanding that each one of us contains multitudes *Childhood and the Classics* Sheila Murnaghan, Deborah H. Roberts, 2018-03-16 The dissemination of classical material to children has long been a major form of popularization with far reaching effects although until very recently it has received almost no attention within the growing field of classical reception studies This volume explores the ways in which children encountered the world of ancient Greece and Rome in Britain and the United States over a century long period beginning in the 1850s as well as adults literary responses to their own childhood encounters with antiquity Rather than discussing the role of classics in education it focuses on books read for enjoyment and on two genres of children s literature in particular the myth collection and the historical

novel The tradition of myths retold as children's stories is traced in the work of writers and illustrators from Nathaniel Hawthorne and Charles Kingsley to Roger Lancelyn Green and Ingri and Edgar Parin d'Aulaire while the discussion of historical fiction focuses particularly on the roles of nationality and gender in the construction of an ancient world for modern children The book concludes with an investigation of the connections between childhood and antiquity made by writers for adults including James Joyce Virginia Woolf and H D Recognition of the fundamental role in children's literature of adults' ideas about what children want or need is balanced throughout by attention to the ways in which child readers have made such works their own The formative experiences of antiquity discussed throughout help to explain why despite growing uncertainty about the appeal of antiquity to modern children the classical past remains perennially interesting and inspiring
