

Paestum Greeks And Romans In Southern Italy

Ramsay MacMullen

Paestum Greeks And Romans In Southern Italy:

Paestum John Griffiths Pedley,1990 *Encyclopedia of Greece and the Hellenic Tradition* Graham Speake,2021-01-31
Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the Hellenic Tradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world s merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence **A**

Companion to Roman Italy Alison E. Cooley,2016-01-05 A Companion to Roman Italy investigates the impact of Rome in all its forms political cultural social and economic upon Italy s various regions as well as the extent to which unification occurred as Rome became the capital of Italy The collection presents new archaeological data relating to the sites of Roman Italy Contributions discuss new theories of how to understand cultural change in the Italian peninsula Combines detailed case studies of particular sites with wider ranging thematic chapters Leading contributors not only make accessible the most recent work on Roman Italy but also offer fresh insight on long standing debates **The Peoples of Ancient Italy** Gary D.

Farney,Guy Bradley,2017-11-20 Although there are many studies of certain individual ancient Italic groups e g the Etruscans Gauls and Latins there is no work that takes a comprehensive view of each of them the famous and the less well known that existed in Iron Age and Roman Italy Moreover many previous studies have focused only on the material evidence for these groups or on what the literary sources have to say about them This handbook is conceived of as a resource for archaeologists historians philologists and other scholars interested in finding out more about Italic groups from the earliest period they are detectable early Iron Age in most instances down to the time when they begin to assimilate into the Roman state in the late Republican or early Imperial period As such it will endeavor to include both archaeological and historical perspectives on each group with contributions from the best known or up and coming archaeologists and historians for these peoples and topics The language of the volume is English but scholars from around the world have contributed to it This volume covers the ancient peoples of Italy more comprehensively in individual chapters and it is also distinct because it has a thematic section **Rome, the Greek World, and the East** Fergus Millar,2003-01-14 Fergus Millar is one of the most influential

contemporary historians of the ancient world His essays and books including *The Emperor in the Roman World* and *The Roman Near East* have enriched our understanding of the Greco Roman world in fundamental ways In his writings Millar has

made the inhabitants of the Roman Empire central to our conception of how the empire functioned. He also has shown how and why Rabbinic Judaism, Christianity and Islam evolved from within the wider cultural context of the Greco-Roman world. Opening this collection of sixteen essays is a new contribution by Millar in which he defends the continuing significance of the study of Classics and argues for expanding the definition of what constitutes that field. In this volume he also questions the dominant scholarly interpretation of politics in the Roman Republic, arguing that the Roman people, not the Senate, were the sovereign power in Republican Rome. In so doing, he sheds new light on the establishment of a new regime by the first Roman emperor, Caesar Augustus.

The Monetary Systems of the Greeks and Romans W. V. Harris, 2010-04-29 Most people have some idea what Greek and Roman coins looked like, but few know how complex Greek and Roman monetary systems eventually became. The contributors to this volume are numismatists, ancient historians and economists intent on investigating how these systems worked and how they both did and did not resemble a modern monetary system. Why did people first start using coins? How did Greeks and Romans make payments, large or small? What does money mean in Greek tragedy? Was the Roman Empire an integrated economic system? This volume can serve as an introduction to such questions, but it also offers the specialist the results of original research.

The Architecture of Roman Temples John W. Stamper, 2005-02-16 This book examines the development of Roman temple architecture from its earliest history in the sixth century BC to the reigns of Hadrian and the Antonines in the second century AD. John Stamper analyzes the temples' formal qualities, the public spaces in which they were located and, most importantly, the authority of precedent in their designs. He also traces Rome's temple architecture as it evolved over time and how it accommodated changing political and religious contexts, as well as the affects of new stylistic influences.

Textile Production in Pre-Roman Italy Margarita Gleba, 2008-11-05 Older than both ceramics and metallurgy, textile production is a technology which reveals much about prehistoric social and economic development. This book examines the archaeological evidence for textile production in Italy from the transition between the Bronze Age and Early Iron Ages until the Roman expansion, 1000-400 BCE, and sheds light on both the process of technological development and the emergence of large urban centres with specialised crafts. Margarita Gleba begins with an overview of the prehistoric Apennine peninsula, which featured cultures such as the Villanovans and the Etruscans, and was connected through colonisation and trade with the other parts of the Mediterranean. She then focuses on the textiles themselves: their appearance in written and iconographic sources; the fibres and dyes employed; how they were produced; and what they were used for. We learn, for instance, of the linen used in sails and rigging on Etruscan ships and of the complex looms needed to produce twill. Featuring a comprehensive analysis of textiles, remains and textile tools from the period, the book recovers information about funerary ritual, the sexual differentiation of labour, the spinners and weavers (usually women), and the important role the exchange of luxury textiles played in the emergence of an elite. Textile production played a part in ancient Italian society's change from an egalitarian to an aristocratic social structure and in the emergence

of complex urban communities **The Early Roman Expansion into Italy** Nicola Terrenato, 2019-05-02 Argues that Roman expansion in Italy was accomplished more by means of negotiation among local elites than through military conquest

Greek Identity in the Western Mediterranean Kathryn Lomas, 2017-07-31 The Greek colonies of the Western Mediterranean were central to the evolution of many aspects of Greek culture and in many cases developed an identity which was significantly different from that of mainland Greece and the Aegean This volume seeks to explore aspects of the cultural identity of these colonies and how it evolved It covers the colonial foundations in Italy Sicily Southern France Spain and North Africa and ranges from the 8th century BC to the early Roman empire Topics covered include the ethnic identity of the earliest colonial foundations the evolution of Greek states in the West the Greeks perceptions of their own identity and ways of representing it and the role of the indigenous populations in the evolution of Western Greek culture **Cosa and the Colonial Landscape of Republican Italy (Third and Second Centuries BCE)** Andrea De Giorgi, 2019-11-20 This important new volume examines archaeological evidence of Roman colonization of the Middle Republican period Themes of land use ethnic accommodation and displacement colonial identity and administrative schemes are also highlighted In delving deeply into the uniqueness of select colonial contexts these essays invite a novel discussion on the phenomenon of colonialism in the political landscape of Rome s early expansion Roman urbanism of the Middle Republican period brought to the Italian peninsula fundamental changes an important example of which highlighted by a wealth of studies is the ebullience of a dense network of colonies as well as a mix of senatorial tactics and individual initiatives that underpinned their foundation Whether Latin Roman or Maritimae colonies created a new mesh of communities and imposed a new topography more subtly they signified the mechanisms of the rising hegemony This book brings to the fore the diversity agendas and overall impact of a settlement device that changed the Italian landscape and introduced a new idea of Roman town

Patterns in the Production of Paestan Red-Figure Pottery Edward Herring, 2022-05-10 Most of the previous scholarship on Paestan red figure pottery has focused on the cataloguing of collections the attribution of vases to painters and workshops iconographic and stylistic matters and individual vessels and vase forms This partly reflects the history of vase painting scholarship which grew out of antiquarian collecting during 18th and 19th centuries and partly the fact that a full archaeological provenance is not preserved for the majority of vessels This book uses a database containing in excess of 1 800 vessels and fragments to identify patterns in the production and decoration of Paestan vases that cast light on the choices made by vase producers and the preferences of their customers It considers the popularity of different vessel shapes over time the use of highly generic decorative scenes which are characteristic of Paestan red figure as well as the popularity of scenes of myth images of the gods and scenes of nude and half draped women Paestan red figure is compared with the vessels decorated in Applied Red produced at the same site A comparison is also made between the output of the Paestan red figure industry and that of Apulia As the majority of the vases in the sample derive from tombs the patterns identified provide

insights into the ways in which the ancient populations of Paestum and South West Italy commemorated the dead Roman Butrint Inge Lyse Hansen, Richard Hodges, 2022-01-15 Butrint ancient Buthrotum has taken many forms in different ages shaped by the near constant interaction between the place its lagoonal landscape and the Mediterranean Though Butrint does not appear on any of the records of early Greek colonization to identify it as a Corcyrean settlement strong links must have existed between it and the metropolitan Corinthian colony of Corfu Blessed with springs that possessed healing qualities a small polis was created extended to incorporate a healing sanctuary dedicated to Asclepius Julius Caesar harboring at Butrint in urgent need of supplies to sustain his struggle against Pompey must have viewed the sanctuary ringed by largely dried out marshland as the perfect site to settle veterans as a colony It was an obvious cornerstone in controlling the passage from the Adriatic to the Aegean The early settlers seem to have been limited in number and possibly mainly of civilian status However the political changes to the city's magistrature were immediate and within a relatively short time span fundamental changes to the physical make up of the city were set in motion Its new Roman status also located Butrint as a directly before the highest authorities in Rome and within fifteen years or so under Augustus's guidance following his victory at Actium the city was refounded as a colony and awarded a pivotal role in Virgil's court sponsored foundation epic The Aeneid Now linked to the Victory City of Nicopolis rather than in the shadow of Corfu Butrint prospered The urban fabric evolved sometimes faltered but was essentially sustained until the later 6th century A D This present volume is an assessment of the Roman archaeology a compilation of studies and field reports that focuses upon the foundation and early history of the colony The Earliest Romans Ramsay MacMullen, 2011-08-19 An inviting exploration of Rome's founding centuries **Piscinae** James Arnold Higginbotham, 1997 Pisciculture_the process of raising fish_held a lasting fascination for the people of ancient Rome Whether bred for household consumption cultivated for sale at market or simply kept in confinement for reasons of aesthetic appreciation fish remained a **Ancient Greece and Rome** Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally **'Bread and Circuses'** Tim Cornell, Dr Kathryn Lomas, Kathryn Lomas, 2005-06-29 Cities in the ancient world relied on private generosity to provide many basic amenities

This collection of essays by leading scholars explores the important phenomenon of benefaction and public patronage in Roman Italy

Chora 5 Alberto Pérez-Gomez, Stephen Parcell, 2007-07-10 Provocative views on why architecture matters offer vital information for developing a richer architecture

The Routledge Handbook of the Archaeology of Urbanism in Italy in the Age of Roman Expansion Fabio Colivicchi, Myles McCallum, 2024-05-17 The Routledge Handbook of the Archaeology of Urbanism in Italy in the Age of Roman Expansion explores trends in urbanism across Italy in the period when Rome extended its power across the entire peninsula Sicily Sardinia and Corsica Chapters present the most up to date archaeological data in the first broad and detailed treatment of this topic superseding traditional academic particularism They present a significant re evaluation of the process of Roman imperialism and the role of urbanization within it Particular attention is paid to evidence for local agency in different regions and at different sites but general trends are also highlighted Various types of urban sites are examined including Indigenous urban centers that pre date Rome s conquest colonies both Greek and Roman small centers in the hinterlands of larger urban entities and the symbiotic relationship between urban centers and their rural territories This volume challenges the existence of a standardized Roman model imposed on Rome s vanquished enemies through conquest and highlights that this was a period of intense experimentation Archaeological data are used to challenge traditional text based historiographic models and reveal the complex interplay and tensions between Roman imperial control local and regional traditions and broader Mediterranean trends This book is of importance to archaeologists and ancient historians working on urbanism and Roman Imperialism as well as those interested in early urbanism in the Western Mediterranean and Europe and the comparative study of imperialism and colonialism across geographical areas and historical periods

Constructions of Childhood in Ancient Greece and Italy Ada Cohen, Jeremy B. Rutter, 2007 These 20 papers explore ancient notions and experiences of childhood around the Mediterranean from prehistory to late antiquity They are grouped into sections on Families Socialization and Enculturation Rituals and Life Transitions Gender and Representation Burial Commemoration and Childhood and the Classical Tradition The contributors come from a range of different disciplines including art history archaeology classical philology and physical anthropology

Paestum Greeks And Romans In Southern Italy Introduction

In today's digital age, the availability of Paestum Greeks And Romans In Southern Italy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Paestum Greeks And Romans In Southern Italy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Paestum Greeks And Romans In Southern Italy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Paestum Greeks And Romans In Southern Italy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Paestum Greeks And Romans In Southern Italy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Paestum Greeks And Romans In Southern Italy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a

wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Paestum Greeks And Romans In Southern Italy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Paestum Greeks And Romans In Southern Italy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Paestum Greeks And Romans In Southern Italy books and manuals for download and embark on your journey of knowledge?

FAQs About Paestum Greeks And Romans In Southern Italy Books

1. Where can I buy Paestum Greeks And Romans In Southern Italy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
