Pagan and Her Parents Ramboro Books, 1999-12 Pagan and Her Parents Michael Arditti, 2011-04-19 A powerful novel about a gay man s struggle to adopt the daughter of his late best friend Unputdownable The Times Arditti writes exactly like Dickens Scotland on Sunday I honestly couldn t put the book down Literary Review Candida Mulliner and Leo Young have been the closest of friends since university living together but loving separately When Candida dies after a long illness she leaves her five year old daughter Pagan in Leo's care Candida's adoptive parents are horrified they refuse to accept that a single man is a suitable person to bring up a child and challenge Leo s guardianship in the courts The ensuing hearings are complicated by tabloid exposure of Leo's homosexuality which threatens not only his position with Pagan but also his job as a television chat show host As Leo fights for his and Pagan's rights in a society that continues to regard gay men as a threat to children he finds himself isolated vilified and ultimately arrested Meanwhile he endeavours to discover the truth about Candida the cause of her estrangement from her adoptive parents the identity of her natural mother and the reason for her refusal to name Pagan s father Crafting Contemporary Pagan Identities in a Catholic Society Kathryn Rountree, 2016-05-13 Contemporary western Paganism is now a global religious phenomenon with Pagans in many parts of the world sharing much in common from a nature revering worldview and lifestyle to a host of chants invocations ritual tools and magical practices But there are also locally specific differences Local religious contexts landscapes histories traditions politics values and norms all impact on local Paganisms This is nowhere more evident than in a strongly Catholic society where religion and culture are deeply entwined Taking the Mediterranean society of Malta as a case study this book invites readers inside the world of a small hidden sub culture Showing what it is like being Pagan in a society where the vast majority of the population is Roman Catholic and Catholicism permeates every sphere of public and domestic social and political life Rountree reveals that Paganism here is a unique brew of indigenous and global influences Pagans employ both creativity and borrowing in constructing identities within a cultural context characterized by antagonism as well as continuity This book explores the intersections of religious and cultural identity the global and local Paganism and Christianity with insights grounded in rich ethnographic detail based on long term fieldwork Rountree makes invaluable comparisons with other studies of modern Pagans and their various worlds Pagan and Witch Elders of the World Tamara Von Forslun, 2020-10-07 The Pagan or Witch Elder is a leader who has lead by example and teaches their wisdom to those that will listen they have cleared the path for those to follow We must remember and know who these Spiritual and Magical Warriors were and are some who are still fighting in the world for our acceptance and understanding This book is filled with hundreds of Elders some known and some not well known who stood tall and fought the establishment with compassion and strength endurance and wisdom courage and determination to share an ancient knowledge that has been awakened by them in the 21st century I write this book so that our Pagan community remembers and knows who these brave Spiritual Earth

Warriors were and are and what they have given sacrificed and shared for the future of our world This book is to honour all our Elders so they are never forgotten and always honoured MERRY WE MEET MERRY WE PART AND MERRY WE MEET Pagan Family Values S. Zohreh Kermani, 2013-07-29 An intriguing important and often entertaining look at an **AGAIN** under studied aspect of new religions Highly recommended Douglas E Cowan author of Cyberhenge Modern Pagans on the Internet For most of its history contemporary Paganism has been a religion of converts Yet as it enters its fifth decade it is incorporating growing numbers of second generation Pagans for whom Paganism is a family tradition not a religious worldview arrived at via a spiritual quest In Pagan Family Values S Zohreh Kermaniexplores the ways in which North American Pagan families pass on their beliefs to their children and how the effort to socialize children influences this new religious movement The first ethnographic study of the everyday lives of contemporary Pagan families this volume brings their experiences into conversation with contemporary issues in American religion Through formal interviews with Pagan families participant observation at various pagan events and data collected via online surveys Kermani traces the ways in which Pagan parents transmit their religious values to their children Rather than seeking to pass along specific religious beliefs Pagan parents tend to seek to instill values such as religious tolerance and spiritual independence which will remain with their children throughout their lives regardless of these children's ultimate religious identifications S Zohreh Kermani teaches Religious Studies part time at Youngstown State University In the New and Alternative Religions series **Covens** Judy Harrow, 1999 A wiccan high priestess with a master s degree in counseling offers real life case studies and examples of what has worked and what hasn t in forming a coven **Fiction** Ramboro Books, 1998-06 Catherine Sanders, 2009-08-05 How Wiccan Spirituality Is Filling a Spiritual Hunger in America Hundreds of thousands of people practice Wicca and other forms of modern Pagan spirituality in America today and journalist Catherine Edwards Sanders wanted to understand why such belief systems are rapidly attracting followers. When a routine magazine assignment led her to realize that her stereotype of Wiccans as eccentric spiritual outsiders was embarrassingly misinformed her curiosity compelled her to understand the Wiccan mystique With the support of a journalism fellowship Sanders spent a year interviewing neo Pagans and witches and found that the lure of this emerging spirituality was not the occult but rather a search for meaning in an increasingly fragmented and materialistic culture With keen observation challenging insight and compassionate critique Sanders produces a lively narrative about what she experienced and discovered during her travels Halloween rituals in Salem anti globalization protests in New York and the contrasts between what seekers find in neo Paganism that they perceive as lacking in Christian tradition In Wicca's Charm Sanders explains the powerful attraction of an increasingly mainstream spirituality that celebrates the wonder of creation and the life giving energy of women while also exploring why Christian churches often fail to engage these seekers but how they can learn to tap into the deep roots of Christianity to nourish the hunger of so many who seek a holistic and authentic worship experience Truth Behind the

Mask Lesley Davis, 2008-09-01 High above the city a young guardian searches for the enemy and finds love In a city rife with evil masked protectors secretly watch over the inhabitants keeping the citizens safe while hiding their own identity One young Sentinel however violates her oath and loses her heart to the woman she is charged to protect By day Pagan Osborne is a shy security specialist working in the family business By night as a Sentinel she fulfils a greater family legacy and battles the criminals who threaten Chastilian s peace Erith Baylor a fiery young woman with her own secrets to hide is drawn to Pagan's quiet charm and silent strength But with so many secrets between them their attraction could break the ties of family and finally reveal the truth behind the mask **The Tenderness of God** Daniel Bourguet, 2016-07-13 The tenderness of God is not a theme that can be approached just to satisfy our intellectual curiosity but is an unfathomable mystery that leads us deep into the heart of God A deep thirst for tenderness means that many both young and old are prepared to do almost anything if only this thirst can be quenched Many of us go far astray without knowing or even suspecting that the most extraordinary tenderness is that of God and that indeed he is the source of all tenderness This volume is the fruit of many years of prayer and thought Throughout these meditations on lesser known biblical texts the reader will engage with the compassionate merciful God a God with all the tenderness of both mother and father In this way the reader will be opened up to new vistas onto the mystery of God's humble delicate tenderness Martyrdom, Murder, and Magic Patricia Healy Wasyliw, 2008 Martyrdom Murder and Magic Child Saints and Their Cults in Medieval Europe is a comprehensive history of child saints and their cults from late Antiquity to the end of the fifteenth century The child martyrs of the persecutions including the Holy Innocents were the first child saints recognized by the Church and their cults spread throughout Europe in the early Middle Ages Alongside these cults medieval society also venerated child martyrs victims of political or domestic violence. The increasing role of the papacy in the canonization process after the tenth century resulted in the veneration of saintly child confessors in the high Middle Ages but from the end of the twelfth century most children worshipped as saints were the alleged victims of ritual murder by Jews This book considers the formation and transformation of child saints and their cults in the context of popular belief and the history of childhood **Christianity, Colonization,** and Gender Relations in North Sumatra Sita T. van Bemmelen, 2017-11-20 In this book Sita van Bemmelen offers an account of changes in Toba Batak society Sumatra Indonesia due to Christianity and Dutch colonial rule 1861 1942 with a focus on customs and customary law related to the life cycle and gender relations. The first part a historical ethnography describes them as they existed at the onset of colonial rule The second part zooms in on the negotiations between the Toba Batak elite the missionaries of the German Rhenish Mission and colonial administrators about these customs showing the evolving views on desirable modernity of each contestant The pillars of the Toba patrilineal kinship system were challenged but alterations changed the way it was reproduced and gender relations for ever Saint Monica F. A. Forbes, 1998-05 The famous persevering mother whose prayers patience and good example at last obtained the conversion of her wayward son

the great St Augustine as well as her pagan husband and her mother in law Includes her childhood difficult marriage anguish over Augustine constancy and in the end her joy at his conversion A magnificent story of prayer finally answered For Men and Elders Monica Wilson, 2018-09-03 Originally published in 1977 this volume completes with a wealth of case material and against the background of a whole century Monica Wilson's detailed study of the Nyakyusa Ngonde people of Tanzania and Malawi The unusual age village system for which the Nyakyusa are well known has broken down under the economic presures of the prohibition of cattle raiding lad shortage and labour migration and the changing values of the 20th century The book traces the roots of these developments which are parallelled in many parts of Africa and emphasize the zig zag nature of the path of social change The Encyclopedia of Witches, Witchcraft and Wicca Rosemary Guiley, 2010-05-12 Presents a comprehensive reference guide with more than 480 entries on the subject of witchcraft **Encyclopedia of** Women and Religion in North America: Native American creation stories Rosemary Skinner Keller, Rosemary Radford Ruether, Marie Cantlon, 2006 A fundamental and well illustrated reference collection for anyone interested in the role of women in North American religious life Martyrology Adam Clarke, 1837 Phillis Wheatley as Prophetic Poet Wallis C. Baxter III, 2022-05-04 In You Must Be Born Again Phillis Wheatley as Prophetic Poet the author argues that Phillis Wheatley is the mother of liberation theology The author uses Wheatley's poetry and life experiences to create a portrait of Wheatley beyond that of a poet Wheatley is described as both poet and visionary who wrestles with God during the creative process The lyrical expressions of Wheatley's poetry unlock the spiritual impressions on her heart. The author sets up the racial dynamics of Wheatley s time and her engagement with those politics As a preacher Wheatley combats the immoral undercurrent that erodes the community s social economic and spiritual foundation as well as its political systems The author positions Wheatley as one uniquely qualified to address the hypocrisy within her world and by implication present day society by calling for immersion into a radical understanding of love and justice resulting in a renewed hope for equality and a Rape Culture and Female Resistance in Late Medieval pathway toward equity The Fifth Reader ,1905 Literature Sarah Baechle, Carissa M. Harris, Elizaveta Strakhov, 2022-05-03 Centering on the difficult and important subject of medieval rape culture this book brings Middle English and Scots texts into conversation with contemporary discourses on sexual assault and the MeToo movement The book explores the topic in the late medieval lyric genre known as the pastourelle and in related literary works including chivalric romance devotional lyric saints lives and the works of major authors such as Margery Kempe and William Dunbar By engaging issues that are important to feminist activism today the gray areas of sexual consent the enduring myth of false rape allegations and the emancipatory potential of writing about survival this volume demonstrates how the radical terms of the pastourelle might reshape our own thinking about consent agency and survivors speech and help uncover cultural scripts for talking about sexual violence today In addition to embodying the possibilities of medievalist feminist criticism after MeToo Rape Culture and Female Resistance in Late

Medieval Literature includes an edition of sixteen Middle English and Middle Scots pastourelles The poems are presented in a critical framework specifically tailored to the undergraduate classroom Along with the editors the contributors to this volume include Lucy M Allen Goss Suzanne M Edwards Mary C Flannery Katharine W Jager Scott David Miller Elizabeth Robertson Courtney E Rydel and Amy N Vines
