

Pagan Eulogy

[He/She as appropriate]

**Of flesh and blood
that nature gives to our breath
must one day be given back
for life was lent by Earth's hand
and now it is returned**

(The Deceased) though lives always in us

**She is the movement of the swaying tree
The light that dawns our day
She is the sparkle glistening on the sea
The energy of the wave
She is the melody of the singing bird
The notes that flutter down
She is the rustling leaves that can be heard
The greening of the ground**

**All that was
that nature gave
became our love, our life, our friend**

**All that was
that nature gave
through us need never end**

**(The deceased) , we return nature's gift
with the privilege such a gift was given**

Scottish Literature Trevor Royle,2012-01-06 The Mainstream Companion to Scottish Literature is the most comprehensive

reference guide to Scotland's literature covering a period from the earliest times to the early 1990s. It includes over 600 essays on the lives and works of the principal poets, novelists, dramatists, critics, and men and women of letters who have written in English, Scots, or Gaelic. Thus, as well as such major writers as Robert Henryson, William Dunbar, Gavin Douglas, Allan Ramsay, Robert Fergusson, Robert Burns, Walter Scott, Robert Louis Stevenson, and Hugh MacDiarmid, the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature. Also included here are entries on the lives of other more peripheral writers such as historians, philosophers, diarists, and divines whose work has made a contribution to Scottish letters. Other essays range over such general subjects as the principal work of major writers, literary movements, historical events, the world of printing and publishing, folklore, journalism, drama, and Gaelic. A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works. This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader.
