

This arresting book throws a flood of  
light upon the whole subject of the  
present Prayer Book controversy

# *The* PAGANISM in our CHRISTIANITY

A very  
disturbing yet  
profoundly com-  
forting book which, on  
the one hand, shows with  
startling clarity how certain  
Christian dogmas and rites have their  
origin in the dark welter of early  
Paganism, but, on the other hand, builds up a  
picture of the historic Jesus fervently  
painted by one whose wide  
scholarship and ruthless criticism  
have evidently strengthened  
rather than diminished  
his belief in  
the divinity of  
Christ
