## **Pagans In The Pulpit:**

**From Pulpit to Pagan** Dhungarvn the Grey,2008-09 After teaching and ministering twenty two years as a Christian pastor and evangelist author Dhungarvn the Grey became disillusioned with the self righteous membership and church politics He left the ministry and began searching for the truth In his re evaluation of his concept of God and prayer he reconnected with nature and the idea of nature based spirituality His soul stirred with a yearning toward paganism From Pulpit to Pagan is the story of Dhungarvn the Grey s journey from Christianity to paganism and his quest for truth Horus Mithra Krishna and Jesus all told their followers You will know the truth and the truth will set you free The truth about Christianity frees the pagan of the guilt trips inflicted by well meaning family members It frees them from the tendency to credit Christianity the Bible and Jesus with more truth than is valid It frees them from the missionary traps and ignorant attacks by evangelicals Dhungarvn suspects that many in the pagan community are programmed by their family experience and Christian upbringing they hold onto the Bible and Jesus out of unconscious fear and guilt From Pulpit to Pagan details Dhungarvn s struggles but also provides hope for other pagans to become truly free *The Pagan in the Pulpit* D. S. Carroll,2012-02-21 The Pagan in the Pulpit pits a gifted atheist against a formidable fundamentalist The prize for which they mount an epic battle is the atheist s wife a captivating but elusive woman driven toward rebellion by her husband s lack of faith Rob Fairly is the atheist filled with passion for his wife and virtuoso talents as a writer Todd Holyfield also known as Todd Almighty is the madly smitten pastor who pursues the enigmatic wife The wife is Lisa Fairly who considers him the perfect pastor to replace the saintly but monotonous sermonizer fired from her church As Lisa grows more hypnotized with Todd her husband has his own temptations One of them is Kim an irresistible Confucian and the other one is Valerie an inspiring Wiccan Blending satire with a search for deeper faith The Pagan in the Pulpit trains a laser like psychology on fundamentalism Aiming at a rampant problem in America and worldwide Rob uses his ingenious talents to oppose the pastors fundamentalism and prevent his wife s seduction Showing greater sympathy than her husband Lisa finds a wiser tolerance than she expected in her search for faith while battling with herself her husband and her pastor to preserve her marriage Rich in wit and irony elegant style and searing love the novel makes the battle of its central characters a microcosm of our modern world In summary The Pagan in the Pulpit uses its irreverence to honor faith while freeing what we love from fundamentalism and seduction Pagans in the Pulpit Richard S. Wheeler,1974-01-01 The author discusses five diverse contemporary political and social phenomena the peace movement the political exploitation of suffering rebelliousness toward good authority and government women s liberation and the egalitarian obsession of democracy Preface Paganism in the Papal Church William Joseph Wilkins,1901 The Church in a Pagan Society David Ewert,Dennis Becker,Nancy Becker,1986 **Pagan Christianity?** Frank Viola,George Barna,2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning Why do we dress up for church Why does the pastor preach a sermon each

week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ s revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you ll be challenged to decide whether you can ever do church the same way again Messiah Pulpit ,1905 Contains text of sermons delivered by M J Savage and others in New York City

**Christianity?** Albert McIlhenny,2010-05-11 The New Restorationists is a critique of Frank Viola and George Barna s book Pagan Christianity Arguing from the perspective of Church history Holy Scripture and even Viola and Barna s own sources this book points out the fallacies in Viola and Barna s analysis of what ails the Church and discrepancies between their historical claims and historical reality *Crafting Contemporary Pagan Identities in a Catholic Society* Kathryn Rountree,2016-05-13 Contemporary western Paganism is now a global religious phenomenon with Pagans in many parts of the world sharing much in common from a nature revering worldview and lifestyle to a host of chants invocations ritual tools and magical practices But there are also locally specific differences Local religious contexts landscapes histories traditions politics values and norms all impact on local Paganisms This is nowhere more evident than in a strongly Catholic society where religion and culture are deeply entwined Taking the Mediterranean society of Malta as a case study this book invites readers inside the world of a small hidden sub culture Showing what it is like being Pagan in a society where the vast majority of the population is Roman Catholic and Catholicism permeates every sphere of public and domestic social and political life Rountree reveals that Paganism here is a unique brew of indigenous and global influences Pagans employ both

creativity and borrowing in constructing identities within a cultural context characterized by antagonism as well as continuity This book explores the intersections of religious and cultural identity the global and local Paganism and Christianity with insights grounded in rich ethnographic detail based on long term fieldwork Rountree makes invaluable comparisons with other studies of modern Pagans and their various worlds
