for trade and diplomacy As the city grew St Louisans repurposed the mounds for a reservoir a restaurant and railroad landfill in the process destroying cultural artifacts and sacred burial sites Despite evidence to the contrary some white Americans declared the mounds natural features not built ones and cheered their leveling Others espoused far fetched theories about a lost race of Mound Builders killed by the ancestors of contemporary tribes Ignoring Indigenous people s connections to the mounds white Americans positioned themselves as the legitimate inheritors of the land and asserted that modern Native peoples were destined to vanish Such views underpinned coerced treaties and forced removals and when Indigenous peoples resisted military action The idea of the Vanishing Indian also fueled the erasure of Indigenous peoples histories a practice that continued in the 1900s in civic celebrations that featured white St Louisans playing Indian and heritage groups claiming the mounds as part of their own history Yet Native peoples endured and in recent years have successfully begun to reclaim the sole monumental mound remaining within city limits Drawing on a wide range of sources Patricia Cleary explores the layers of St Louis s Indigenous history Along with the first in depth overview of the life death and afterlife of the mounds Mound City offers a gripping account of how Indigenous histories have shaped the city s growth landscape and civic culture

The Outlook Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1927 *Picturing the New Negro* Caroline Goeser,2007 Chronicles the vibrant partnership between literary and visual African American artists that resulted in the image of the New Negro In the process demonstrates that commercial illustration represents the largest and in some cases most progressive body of visual art associated with the Harlem Renaissance **The Independent** William Livingston,1912 **America** ,1914 **The Drama of South Africa** Loren Kruger,2005-11 Chronicles the development of dramatic writing and performance from the time South Africa was established to post apartheid Investigates the impact of sketches and manifestos and the oral preservation of scripts that could not be written **Journal of Education** ,1928
