**Pages from a Scrapbook of Immigrants** Morton Marcus, 1988 Morton Marcus's *Pages from a Scrapbook of Immigrants* tells the story of his family's life in Czarist Russia and in America. The tale unfolds in a series of fifty-six narrative poems. Each poem is a separate work but when joined with the others they form a continuous narrative of one family's struggle to survive both physically and spiritually in two alien cultures. Filled with humor and pathos, the poems deal with all areas of the human condition in attempting as Yeats said to come into the desolation of reality that is peculiarly American.
