**argentina de historia natural ...** Florentino Ameghino,1891      *The Economies of Argentina and Brazil* Werner Baer,David V. Fleischer,2011-01-01 This book compares the successes and failures of the development and growth processes of Argentina and Brazil It provides important insights into the different performances of these economies through a series of comparative essays written by Argentinian and Brazilian economists In the last 60 years Argentina and Brazil have both undergone a dramatic process of urbanization and industrialization While there are similarities between the two each country has dealt with the side effects in a different manner In this insightful book Argentinean and Brazilian economists expertly analyze their country s experiences with processes of industrialization the performance of the agricultural and service sectors the impact of foreign investments the distribution of income the roles of the state and the privatization experience and inflationary and stabilization experiences The contrast of the two emerging countries addressing these challenges will offer students economists and other social scientists significant new insights into the economic development process Many of the articles will also appeal to individuals in multinational corporations and banks that have to deal with emerging market economies      **Tourism in Northeastern Argentina** Penny Seymoure,Jeffrey L. Roberg,2011-11-25

Ecotourism is often promoted as a way to visit a unique area of spectacular beauty While tourists travel to these destinations to view environmental wonders they seldom consider the effects of their visit on the indigenous people or on the location itself Tourism in Northeastern Argentina The Intersection of Human and Indigenous Rights with the Environment an edited collection by Penny Seymoure and Jeffrey L Roberg examines the impact of tourism on indigenous and local populations and the environment they live in specifically in several locations in the northeast of Argentina Several of the chapters examine the lives and problems of the Mbya Guaran people an indigenous culture that has been attempting to survive in the rainforest of Misiones Province In recent years the loss of traditional lands some of which was taken for tourist hotels has led the Mbya to engage in tourism with both positive and negative changes to their culture Most of the tourists who interact with the Mbya come to the area to see the beautiful Iguazu National Park and Waterfalls and stay in the nearby city of Puerto Iguazu The waterfalls now draw over one million visitors a year The authors of this volume further explore how while Puerto Iguazu has been engaged in mass tourism for many years the nearby small town of Colonia Carlos Pelligrini has struggled to keep its younger tourism industry modest due in part to its location near pristine wetlands This town faces a number of challenges that must be addressed soon to protect both the surrounding wetlands and the town itself Tourism in Northeastern Argentina explores all of these issues and more in the context of human and indigenous rights and the protection of the environment
