Paid And Loving Eyes Lovejoy Mystery:

Paid and Loving Eyes Jonathan Gash,1994 Lovejoy enters the illicit world of underground antiques when he is summoned by a shady underworld figure to judge a competition involving an antique vase His verdict however sets off a chain of suspicious happenings in the antiques community including murder and Lovejoy soon realizes he has stumbled onto an international ring of crime Encountering treasure troves of genuine and fake antiques a covert KGB like antiques organization and a variety of beautiful women Lovejoy juggles his love of precious objects with his desire to stay alive

Faces in the Pool Jonathan Gash,2009-12-08 When Lovejoy is wrongfully imprisoned again he is offered a way out with a catch In exchange for his freedom he agrees to a marriage of convenience to divorced millionairess Laura Moon as a way to help her hunt down her former husband Sensing murderous vengeance in the air Lovejoy intends to abscond when he can but instead goes along with it at the insistence of his apprentice Lydia and his teenage son Mortimer Lovejoy is evasive but the deaths of his old forger friend Smethie and transvestite Paltry compel him to concede

The Encyclopedia of Murder and Mystery B. Murphy,1999-12-09 Bruce Murphy s Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance

Make Mine a Mystery Gary Warren Niebuhr,2003-04-30 Presents a comprehensive guide for mystery and detective fiction compiling over 2 500 titles from more than 200 authors and including plot overviews a history of the genre and a discussion on collection development

Pearlhanger Jonathan Gash,2014-04-03 I don t much like working for clients It means that I have to follow someone else s instructions and I ve never been too good at that When those

instructions came from a spirit guide at a seance I just had to laugh Well you would wouldn t you The rather attractive young woman whose husband the spook had said I should help her to find took me on a quest that turned into a trail of lucrative antiques deals spoiled only when the police came plodding in and I found myself up to my neck in forgeries and murders Situation normal really Then the killer turned his attentions to me just as the spirit had said he would and I certainly wasn t laughing anymore

Firefly Gadroon Jonathan Gash,2013-11-07 I don t like to pack too much into an ordinary day and this one had already been pretty eventful two arguments with women a fight in a pub a warning from the Old Bill and a fiasco at auction that lost me an exquisite antique Japanese firefly cage The trouble was somebody wanted that little gem even more than I did It was the key that would unlock a secret they d do anything to keep under wraps even murder If only they could only have gone about their dirty deeds without involving me or my friends they might have got away with it all but when the master craftsman bravely trying to teach me the art of gadrooning fell foul of them and paid for it with his life they had me to deal with

The Vatican Rip Jonathan Gash,2013-11-07 I always think that a genuine friend is like a genuine antique you d go a long way to find one and you d do anything to stop one getting broken When an Italian gentleman made me an offer I

couldn't refuse stopping my friends from getting broken meant stealing a very valuable antique Somebody else has got my antique and I want it back was how he put it Who has it I asked Without a flicker of a smile he replied The Pope If you think of the Vatican as a big church where the Pope lives then think again It is a complete walled city with its own shops its own bank and its own armed security in the shape of the ridiculously costumed Swiss Guards Look a bit daft don't they But they're well trained and well armed young men Well if stealing antiques from the Pope was easy everybody would be doing it wouldn't they The Gondola Scam Jonathan Gash,2014-04-03 Antiques and women are really the only things that I'm interested in Getting them in the right order can be a problem because even a fake antique can be absolutely fascinating especially if it drives someone to commit murder Antiques and women are what led me to Venice on the trail of the killer and there my modest talents saw me blagging my way into a job as a tour guide as well as lending a hand as a sculptor My credentials as a tour guide were as bogus as the forgery I was chiselling and it began to feel like everywhere I turned nothing was as it seemed Antiques and women almost got me killed when the bullets started flying The Sleepers of Erin Jonathan Gash,2013-11-07 You know things are going badly when you've been stabbed hospitalized and arrested for a crime that not only did you not commit you actively attempted to prevent Top that off with a pending appearance in court before a judge whose wife you know rather better than he does and you start to think that visiting an ancient Irish tomb with a gang of ruthless villains sounds like a perfectly reasonable thing to do All you have to do is to make sure that you don't end up joining the ancient Irish tomb's ancient Irish inhabitants Nothing's ever that simple though is it Not in my world anyway Women have a tendency to confuse matters and when you're dealing with a deranged scarecrow poet and an eastern European hit man whom you know for a fact has never been further east than Billericay in his entire life things are confusing enough don't you think **Bowker's Guide to Characters in Fiction 2007** ,2008-02 **The Tartan Ringers** Jonathan Gash,2014-04-03 I like to think that when feeling my way carefully through the rituals of passion the lady in question has pretty much my full attention and very few things will distract me from the job in hand A murder just outside is one of them The victim and two other antiques dealers who also came to a sticky end were all working the same Scottish connection that I had been cultivating so I decided to make myself scarce for a while Where better to hide than at the root of the problem in the wilds of Scotland There may be nothing very Scottish about me but when my life's on the line I can blend into the Highlands like a haggis in the heather It was also the best place to find out why the antiques trade down south had become such a dangerous business British Mystery and Thriller Writers Since 1960 Gina Macdonald,2003 Spans much of the modern history of the mystery genre and along with it many of the political and social changes from the classical detective story the World War II spy story and the Cold War thriller to postmodern detective and spy adventures and the politics of terrorism and confrontation of the twenty first century **St. James Guide to Crime & Mystery Writers** Jay P. Pederson,Taryn Benbow-Pfalzgraf,1996 Provides information on the most influential English language writers of the crime

and mystery genre Each entry includes author biographies complete bibliographies lists of critical studies locations of manuscripts the writer s own comments on his or her work when available and an essay written by an expert of the genre

Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **The Tartan Sell** Jonathan Gach,Jonathan Gash,1990-10 Maybe it s because he s so good with fakes and women and so bad with taxes but Lovejoy s antiques business is always getting him in trouble with the law This time it starts with a bureau that he ordered from Scotland It s supposed to be fake but when the truck driver is killed and the bureau turns out to have been real Lovejoy sets out for Scotland to find out what s going on Soon he s mixed up with the McGunn clan and their beautiful leader the wheelchair bound Miss Elaine and he s pulling off the biggest scam of his career in **The Tartan Sell** **New York Times Saturday Book Review Supplement** ,1994-07 **The Writers Directory** ,2013 The Library Journal ,1993 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Library Journal** ,1994 **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences
