Pain A Four Letter Word:

Holy Is a Four-Letter Word Charles C. Lake, Matthew I. Ayars, 2016-02-17 Holy Is a Four Letter Word responds to the need for an accessible and simple articulation of the holy life and what it means for the collective church as well as for individual believers This goal is accomplished by taking the fundamental tenets of holiness doctrine and shaping them around twelve four letter words 1 Holy 2 Self 3 Full 4 Pure 5 Will 6 Mind 7 Body 8 Love 9 Rest 10 Life 11 Sent and 12 Call Each chapter deals with holy living according to scripture as it pertains to each four letter word Setting the concept of holiness against the backdrop of modern and often profane media culture accomplishes two objectives 1 it reveals the relevance and urgency of holy living amongst a super charged secular media culture and 2 defining holy living first and foremost by what it is not thereby accentuating holy as being set a part for the purposes of God Stuck Is Not a Four-Letter Word Deborah Johnson, 2013-07-08 You may be facing bankruptcy a broken marriage a dead end career unemployment or a health crisis You may feel none of the breaks are going your way and that the circumstances of life are all against you Feeling stuck can leave you feeling alone isolated abandoned and ultimately confused about the decision of your next life move The good news is that you can take action to free yourself and start moving down a new path Building on inspiring interviews illustrations and stories author Deborah Johnson presents seven steps to getting unstuck Define your trap Reassess your assets Reinvent yourself Eliminate distractions Play like youre in the major leagues Do the business Ask what you can give Stuck Is Not a Four Letter Word provides you with the direction you need to face your life with the courage that hope brings and the bravery to take the necessary steps to move forward Cancer Is a Four-Letter Word Larry Kreps, 2009-12 Prostate cancer is the second leading cause of cancer death in American men today closely following lung cancer About one man in six will be diagnosed with prostate cancer during his lifetime But only one in 35 will die from it More than two million men in the United States who have been diagnosed at some point are still alive today I am one of them My book Cancer is a Four Letter Word A Pilgrimage into the Emotional Sexual and Spiritual Aspects of Prostate Cancer chronicles my own experience with this terrible disease From early diagnosis fear and panic to shopping for the best treatment to surgery and subsequent recovery I trace not only the physical journey of getting my stamina and good health back but also the psychological and sexual implications My format includes an interweaving of my own story of prostate cancer with other men s stories along with open ended questions at the end of each chapter to keep men and their partners talking late into the night There s also a resource list to provide support for a lifetime Although concise and easy to read my book doesn t hold back any personal details Readers will learn what to expect in regard to diapering oneself post surgery working through debilitating depression and forging the uncharted territory of a different kind of sexual intimacy More importantly they ll hear about learning to accept support from loving friends and how to talk to God in a whole new way Rarely does a reader find an account of experiencing God s overwhelming love and grace in the same chapter as explicit details on how to give oneself penile injections to
