

## Prayer for a friend in emotional pain

---

Lord God, please be with my friend, who is going through emotional pain. Wrap them in Your loving arms and provide them with comfort, strength, and hope. Help them understand that they are loved and are not alone. Give them the courage and wisdom to seek the help they need to heal. Through Christ our Lord.

**AMEN**

mustered out before the war's conclusion Colley's postwar reflections on the war reveal his struggle to earn a living and maintain his integrity while remaining somewhat unreconciled to his condition He found much of his solace through writing and sought to advance his education after the war As one of an estimated 20 000 soldiers who underwent amputation during the Civil War his memoirs reveal the challenges of living with what many might recognize today as post traumatic stress disorder Annotations from editor Michael K Shaffer provide further context to Colley's colorful and insightful writings on both his own condition and the condition of other veterans also dealing with amputations Meeting Your Power DJ Zinhle, Nokubonga Mbanga, 2018-05-25 A message for today's women it is time for you to step into your starring role Being empowered is a choice it is a daily decision that defines who we are and it is accessible to everyone Meeting Your Power is a reminder that power is inside all of us and that your journey to empowerment begins with you This is the story of two remarkable women DJ Zinhle and Nokubonga Mbanga who have experienced life's ups and downs They share the lessons learnt on their life journeys through inspirational words words that will invoke your inner power words that will help you return home to your essence and words that will encourage you to return to the source of your power the power that we are all born with Being an empowered woman is more than just doing it is also about being This book will show you how to look at power differently and will help you to unleash and harness your inner power with honest simple and practical examples and advice Most importantly you will learn that your greatest empowerment project is being authentically you every day Prepare to meet your power and radiate your possibilities Let's ignite a movement of women and girls who understand the higher meaning of love for oneself and others who appreciate and celebrate our collective growth who nurture a solid mindset of achievement and who value creating protecting and preserving our inner peace Rise and Raise *"I Am More!"* *Surviving Survival* Tonisha M. Pinckney, 2013-02-11 I realized if I could live through all that then I most certainly could live on I survived my own survival That was my first step toward saying I AM MORE The second installment in the I AM MORE series this book tells a story of turbulence and triumph In the moments after a traumatic event one is often left feeling as if living on is impossible as if survival is impossible *Surviving Survival* allows the reader a glimpse into the life of a woman who reached that very moment several times over One day she had an awakening she already survived She already lived the worst of it Now she had to survive survival She had to learn how to live past the pain This book deals intimately with the emotions attached to sexual assault domestic violence parenting a child with a diagnosed mental illness single parenting race suicide and of course survival Her awakening combined with insight from other experts will inspire you on your own journey of surviving survival A peep inside Transform your life now and you will transform your future If you are using what you are going through as an excuse then you are not using it as a testimony If you are using your past as an excuse then you are not using it as a resource If you are using what people have said to or about you as an excuse then you are not using it as motivation *Surviving survival* requires excellence not excuses How do you survive a bully You know who you are and the

power you hold A bully s main mission is to make you surrender your power to them They want you to surrender who you believe you are and embrace who they say you are The survival I speak of is not limited to physical survival but mental and emotional survival I knew I was created with a purpose Unfortunately I thought that purpose was pain By not understanding my true purpose I thought I was a defective product When I launched the plan to combat the enemy that was me I decided I needed to find out who I was before the pain     **You** Gainrock,2013-06-21 YOU is my biography combine with a self help book to help others to use my experiences and try to find some similarity within there own experiences People can learn that its possible and can change there own life experiences from a negative to a positive and inprove there life style An individual can put his name in the required place in the book to help them making it more personal The last section calle gain s footnote is my own phylosophy with the input of other people point of view so the reader can easely have a bether choice in making there own philosophy to help them into a more inlightment in there own life There is no fiction all my experiences mention in my book have happen and some of them where very difficult to write about but where nessesary to accomplish what I wanted to do and make my life a purpose     Spiritual Thoughts from the Heart Marjorie B. Jordan,Alexandra G.

Kaplan,Irene P. Stiver,Janet L. Surrey,Jean Baker Miller,1991-04-19 Overly emotional hysterical dependent frivolous fickle Why have women been so consistently defined as deficient in maturity self mastery and independence according to the models of human development inspired by male culture The authors of WOMEN S GROWTH IN CONNECTION a sampling of the influential working papers from the Stone Center Wellesley College have sought to answer this question by studying developmental theory and reformulating it to reflect women s experience more accurately These papers about women s ways

of being in the world frame an innovative relational perspective on women's psychological development. The authors, clinicians, clinical supervisors, and teachers have been searching for therapeutic models that take into account women's meaning, systems, values, and organization of experiences, all of which often revolves around relationships rather than the self. By offering a new perspective on women's development, *WOMEN'S GROWTH IN CONNECTION* stands at the forefront of the ongoing feminist movement to examine and reshape psychological theory and practice. The authors offer this volume as an invitation to the reader to join in the building of new models of women's development. *Difficult Decisions* Eric Pliner, 2022-03-29 What do you do when the algorithm doesn't have the answer? Countless tools and frameworks claim to make decisions objective and bias-free. But in reality, the defining decisions that leaders face are complex ones with subjective information sources and conflicting courses of action. That's why the toughest choices are left to the leaders and that's why formulas won't answer them. In *Difficult Decisions: How Leaders Make the Right Call with Insight, Integrity, and Empathy*, leadership expert and CEO of YSC Consulting, Eric Pliner delivers a set of practical tools for readers to make sense of these complex subjective decisions quickly and with integrity. It presents a path to understanding your own subjectivity and how your morals, ethics, and responsibilities affect how leaders make the most important decisions. *Difficult Decisions* is ideal for executives, managers, and business leaders to examine their own intuition and navigate the most conflicted choices they make. It's a challenging read and an indispensable resource to help readers develop self-reflection, clarify their values, and ultimately make the choice that is most right to them. *All the Year Round*, 1871 *Here For It (the Good, the Bad, and the Queso)* Amy Weatherly, Jess Johnston, 2024-01-30 Discover how you can build the deep friendships you crave—the friendships that will withstand whatever life throws your way. We all long to do life together with people who really get us. But it can feel like there are so many obstacles. Let's be honest: making friends as an adult is hard. It's weird and it's tricky, and it can feel overwhelming. But once you find real authentic relationships, maintaining those friendships and taking them to a deeper level can be even harder. In *Here For It: The Good, the Bad, and the Queso*, Amy Weatherly and Jess Johnston, bestselling authors and founders of the wildly popular *Sister I Am with You* online community, simplify some of the trickier aspects of friendship and give you practical ways to deepen the friendships you already have. Amy and Jess gave readers a road map for finding real authentic relationships with *I'll Be There*. But *I'll Be Wearing Sweatpants*, they now provide a toolkit for building up and building on those friendships and dig deeper into the hows and whys of doing life together in a culture that constantly tries to keep us separate. You will learn how to distinguish between different types of friendships. Recognize when a seasonal relationship has run its course. Understand the importance of self-awareness, healthy confrontation, and differing love languages in friendship. Maintain long-distance friendships. Foster real relationships with your neighbors. Establish traditions that strengthen your connections. *Here For It: The Good, the Bad, and the Queso* will give you the tools you need to continue laying a strong foundation and building relationships that are steady, secure, and made to withstand whatever life throws your

way Whether you could use tips on setting boundaries or encouragement for working through conflicts Amy and Jess give you the resources you need for showing up speaking up and offering grace to yourself and those you love
