Paingod And Other Delusions:

Paingod Harlan Ellison, 2014-04-01 Eight timeless tales from the master of speculative fiction featuring the Nebula and Hugo Award winning story Repent Harlequin Said the Ticktockman Robert Heinlein says This book is raw corn liquor you should serve a whiskbroom with each shot so the customer can brush the sawdust off after he gets up from the floor Perhaps a mooring cable might also be added as necessary equipment for reading these eight wonderful stories They not only knock you down they raise you to the stars Passion is the keynote as you encounter the Harlequin and his nemesis the dreaded Tictockman in one of the most reprinted and widely taught stories in the English language a pyretic who creates fire merely by willing it the last surgeon in a world of robot physicians a spaceship filled with hideous mutants rejected by the world that gave them birth Touching gentle and shocking stories from an incomparable master of impossible dreams and troubling truths *Paingod and Other Delusions* Harlan Ellison, Barclay Shaw, 1983 Robert Heinlein says This book is raw corn liquor you should serve a whiskbroom with each shot so the customer can brush the sawdust off after he gets up from the floor Perhaps a mooring cable might also be added as necessary equipment for reading these eight wonderful stories They not only knock you down they raise you to the stars Passion is the keynote as you encounter the Harlequin and his nemesis the dreaded Tictockman in one of the most reprinted and widely taught stories in the English language a pyretic who creates fire merely by willing it the last surgeon in a world of robot physicians a spaceship filled with hideous mutants rejected by the world that gave them birth Touching and gentle and shocking stories from an incomparable master of impossible dreams and troubling truths Copyright Libri GmbH All rights reserved *Dangerous Visions* Harlan Ellison, 2012-02-09 Anthologies seldom make history but Dangerous Visions is a grand exception Harlan Ellison's 1967 collection of science fiction stories set an almost impossibly high standard as more than a half dozen of its stories won major awards not surprising with a contributor list that reads like a who's who of 20th century SF Samuel R Delany Philip K Dick Brian Aldiss Roger Zelazny Philip Jos Farmer Fritz Leiber Larry Niven and Robert Silverberg Unavailable for 15 years this huge anthology now returns to print as relevant now as when it was first published *A Study Guide for "Repent, Harlequin!" Said the Ticktockman* Gale, Cengage Learning, A Study Guide for Harlan Ellison's Repent Harlequin Said the Ticktockman excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs *Time to Write, Second Edition* John Sylvester Lofty, 2015-02-10 To read John's work is to take on the role of a patient listener A book like a piece of music is scored for time and I feel Time to Write is scored adagio I believe that Time to Write can be read as a critique of the time chopping approach to education and an argument for presence for being fully open to experience for being there To do good work we must enter something like island time or what John calls existential time or what is sometimes called flow when we lose at least temporarily a sense of

clock time from the Foreword by Thomas Newkirk Twenty five years ago John Sylvester Lofty studied the influence of cultural time values on students resistance to writing instruction in an isolated Maine fishing community For the new edition of *Time to Write* Lofty returned to the island to consider how social and educational developments in the intervening years may have affected both local culture and attitudes toward education Lofty discovered how the island time values that previously informed students literacy learning have been transformed by outside influences including technology social media and the influx of new residents from urban areas Building on the ethnographic findings of the original study the new edition analyzes the current conflict between the digital age time values of constant connections and instant communication and those of school based literacy Lofty examines the new literacies now essential for students in a technologically connected world both those who aspire to continue the traditional island work of lobster fishing and for the many who now choose to pursue other careers and attend college on the mainland
