Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include a citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Celebrating Canada Peter E. Baker, 2017-06-03 A visual journey showcasing how history can make a house a home a reminder of the strength of character and ingenuity entrenched in Canada's history Inspired by the 150th anniversary of Canadian confederation the same year recognizing 375 years of settlement in Montreal Quebec antiques professional Peter E Baker brings life to Canadian history and demonstrates how antiques and folk art can successfully be incorporated into a contemporary lifestyle providing a home with a unique identity Drawing from a single collection the author selects and showcases objects spanning three centuries of Canadian history from the early days of French settlement to the creative boom of late 20th century folk artists Amply illustrated and written in a conversational easy to read style this is not a traditional technical study of antiques representing a specific type or region Celebrating Canada showcases the story and the artistic merits of each object

Coalescence of Styles Jane L. Cook, 2001-01-17 From the mid eighteenth century on cultural life in the northern valley of the St John River blended the traditions of Acadian and French Canadian settlers with those of American immigrants In the southern valley Mi kmaq interacted with American newcomers and Loyalist settlers while the later influx of Scottish and Irish immigrants introduced more layers of cultural traditions Using an impressively diverse combination of artifacts artwork maps and primary literature from over sixty museum collections and archives Cook addresses the experiences of immigrants and artisans and their influence on the cultural boundaries along one of eastern North America's most important rivers She moves beyond a mere catalogue of objects to provide an important comparative analysis of material heritage showing how furniture embodied the lifestyles of differing groups of settlers
