Hearing History Mark Michael Smith, 2004 Hearing History is a long needed introduction to the basic tenets of what is variously termed historical acoustemology auditory culture or aural history Gathering twenty one of the fields most important writings this volume will deepen and broaden our understanding of changing perceptions of sound and hearing and the ongoing education of our senses The essays stimulate thinking on key questions What is aural history Why has vision tended to triumph over hearing in historical accounts How might we begin to reclaim the sounds of the past With theoretical and practical essays on the history of sound and hearing in Europe and the United States the book draws on historical approaches ranging from empiricism to postmodernism Some essays show the historian of technology at work others highlight how With theoretical and practical essays on the history of sound and hearing in Europe and the United States the book draws on historical approaches ranging from empiricism to postmodernism Some essays show the historian of technology at work others highlight how military social intellectual and cultural historians have tackled historical acoustemologies Investigating soundscapes that include a Puritan meetinghouse in colonial New England the belfries of a French village at the close of the Old Regime the court hall of Elizabeth I and a Civil War battlefield the essays vary just as widely in their topics which include noise as a marker of social and cultural differences the privileging of music as the sound of art the persistence of Aristotelian ideas of sound into the seventeenth century developments in sound related to medical practice the advent of sound recording technology and noise pollution **Simulated Selves** Andrew Spira, 2020-06-25 The notion of a personal self took centuries to evolve reaching the pinnacle of autonomy with Descartes I think therefore I am in the 17th century This personalisation of identity thrived for another hundred years before it began to be questioned subject to the emergence of broader more inclusive forms of agency Simulated Selves The Undoing Personal Identity in the Modern World addresses the constructed notion of personal identity in the West and how it has been eclipsed by the development of new technological social art historical and psychological infrastructures over the last two centuries While the provisional nature of the self sense has been increasingly accepted in recent years Simulated Selves addresses it in a new way not by challenging it directly but by observing changes to the environments and cultural conventions that have traditionally supported it By narrating both its dismantling and its incapacitation in this way it records its undoing Like The Invention of

the Self Personal Identity in the Age of Art to which it forms a companion volume Simulated Selves straddles cultural history and philosophy Firstly it identifies hitherto neglected forces that inform the course of cultural history Secondly it highlights how the self is not the self authenticating abstraction only accessible to introspection that it seems to be it is also a cultural and historical phenomenon Arguing that it is by engaging in cultural conventions that we subscribe to the process of identity formation the book also suggests that it is in these conventions that we see our self sense and its transience best reflected By examining the traces that the trajectory of the self sense has left in its environment Simulated Selves offers a radically new approach to the question of personal identity asking not only how and why is it under threat but also given that we understand the self sense to be a constructed phenomenon why do we cling to it [Museum Skepticism](#) David Carrier,2006-05-31 Prominent art historian looks at the birth of the art museum and contemplates its future as a public institution

**Art and Religion in Eighteenth-Century Europe** Nigel Aston,2009-07-15 Eighteenth century Europe witnessed monumental upheavals in both the Catholic and Protestant faiths and the repercussions rippled down to the churches religious art forms Nigel Aston now chronicles here the intertwining of cultural and institutional turmoil during this pivotal century The sustained popularity of religious art in the face of competition from increasingly prevalent secular artworks lies at the heart of this study Religious art staked out new spaces of display in state institutions palaces and private collections the book shows as well as taking advantage of patronage from monarchs such as Louis XIV and George III who funded religious art in an effort to enhance their monarchical prestige Aston also explores the motivations and exhibition practices of private collectors and analyzes changing Catholic and Protestant attitudes toward art The book also examines purchases made by corporate patrons such as charity hospitals and religious confraternities and considers what this reveals about the changing religiosity of the era as well An in depth historical study Art and Religion in Eighteenth Century Europe will be essential for art history and religious studies scholars alike [The Enlightenment](#) Dorinda Outram,2005-09-08 Debate over the meaning of Enlightenment began in the eighteenth century and has continued unabated until our own times This period saw the opening of arguments on the nature of man truth on the place of God and the international circulation of ideas people and gold Did the Enlightenment mean the same for men and women for rich and poor for Europeans and non Europeans In the second edition of her book Dorinda Outram addresses these and other questions about the Enlightenment She studies it as a global phenomenon setting the period against broader social changes This new edition offers a fresh introduction a new chapter on slavery and new material on the Enlightenment as a global phenomenon The bibliography and short biographies have been extended This accessible synthesis of scholarship will prove invaluable reading to students of eighteenth century history philosophy and the history of ideas [Eighteenth Century Europe, 1700-1789](#) Jeremy Black,1999-10-04 This new edition of this highly successful and influential work includes two entirely new chapters on Europe and the wider world and on the Revolutionary crisis and is extensively revised throughout It offers a wide ranging

thematic account of the century that explores social cultural and economic topics as well as giving a clear analysis of the political events Filled with fascinating detail and unusual examples this absorbing history of eighteenth century Europe will bring the period alive to students and teachers alike

*Artists' Magazines* Gwen Allen,2015-08-21 How artists magazines in all their ephemerality materiality and temporary intensity challenged mainstream art criticism and the gallery system During the 1960s and 1970s magazines became an important new site of artistic practice functioning as an alternative exhibition space for the dematerialized practices of conceptual art Artists created works expressly for these mass produced hand edited pages using the ephemerality and the materiality of the magazine to challenge the conventions of both artistic medium and gallery In *Artists Magazines* Gwen Allen looks at the most important of these magazines in their heyday the 1960s to the 1980s and compiles a comprehensive illustrated directory of hundreds of others Among the magazines Allen examines are *Aspen* 1965 1971 a multimedia magazine in a box issues included Super 8 films flexi disc records critical writings artists postage stamps and collectible chapbooks *Avalanche* 1970 1976 which expressed the countercultural character of the emerging SoHo art community through its interviews and artist designed contributions and *Real Life* 1979 1994 published by Thomas Lawson and Susan Morgan as a forum for the Pictures generation These and the other magazines Allen examines expressed their differences from mainstream media in both form and content they cast their homemade do it yourself quality against the slickness of an Artforum and they created work that defied the formalist orthodoxy of the day *Artists Magazines* featuring abundant color illustrations of magazine covers and content offers an essential guide to a little explored medium

Popular science and public opinion in eighteenth-century France Michael Lynn,2018-02-28 In this book Michael R Lynn analyses the popularisation of science in Enlightenment France He examines the content of popular science the methods of dissemination the status of the popularisers and the audience and the settings for dissemination and appropriation Lynn introduces individuals like Jean Antoine Nollet who made a career out of applying electric shocks to people and Perrin who used his talented dog to lure customers to his physics show He also examines scientifically oriented clubs like *Jean François Piltre de Roziers Musée de Monsieur* which provided locations for people interested in science Phenomena such as divining rods used to find water and ores as well as to solve crimes and balloons the most spectacular of all types of popular science demonstrate how people made use of their new knowledge Lynn's study provides a clearer understanding of the role played by science in the Republic of Letters and the participation of the general population in the formation of public opinion on scientific matters

*Architectural Space in Eighteenth-Century Europe* Meredith Martin,2017-07-05 *Architectural Space in Eighteenth Century Europe Constructing Identities and Interiors* explores how a diverse pan European group of eighteenth century patrons among them bankers bishops bluestockings and courtesans used architectural space and décor to shape and express identity Eighteenth century European architects understood the client's instrumental role in giving form and meaning to architectural space In a treatise published in 1745 the French architect

Germain Boffrand determined that a visitor could judge the character of the master for whom the house was built by the way in which it is planned decorated and distributed This interdisciplinary volume addresses two key interests of contemporary historians working in a range of disciplines one the broad question of identity formation most notably as it relates to ideas of gender class and ethnicity and two the role played by different spatial environments in the production not merely the reflection of identity at defining historical and cultural moments By combining contemporary critical analysis with a historically specific approach the book s contributors situate ideas of space and the self within the visual and material remains of interiors in eighteenth century Europe In doing so they offer compelling new insight not only into this historical period but also into our own

**The Painter's Touch** Ewa Lajer-Burchardth, 2018-01-08 A new interpretation of the development of artistic modernity in eighteenth century France What can be gained from considering a painting not only as an image but also a material object How does the painter s own experience of the process of making matter for our understanding of both the painting and its maker The Painter s Touch addresses these questions to offer a radical reinterpretation of three paradigmatic French painters of the eighteenth century In this beautifully illustrated book Ewa Lajer Burchardth provides close readings of the works of Francois Boucher Jean Simon Chardin and Jean Honor Fragonard entirely recasting our understanding of these painters practice Using the notion of touch she examines the implications of their strategic investment in materiality and sheds light on the distinct contribution of painting to the culture of the Enlightenment Lajer Burchardth traces how the distinct logic of these painters work the operation of surface in Boucher the deep materiality of Chardin and the dynamic morphological structure in Fragonard contributed to the formation of artistic identity Through the notion of touch she repositions these painters in the artistic culture of their time shifting attention from institutions such as the academy and the Salon to the realms of the market the medium and the body Lajer Burchardth analyzes Boucher s commercial tact Chardin s interiorized craft and Fragonard s materialization of eros Foregrounding the question of experience that of the painters and of the people they represent she shows how painting as a medium contributed to the Enlightenment s discourse on the self in both its individual and social functions By examining what paintings actually say in brushstrokes texture and paint The Painter s Touch transforms our understanding of the role of painting in the emergence of modernity and provides new readings of some of the most important and beloved works of art of the era

**Women, Art, and Society (Sixth) (World of Art)** Whitney Chadwick, 2020-09-08 A new edition of the groundbreaking book by Whitney Chadwick maps the complete history of women artists from the Middle Ages and the Renaissance to today Art historian Whitney Chadwick s acclaimed bestselling study challenges the assumption that great women artists are exceptions to the rule who transcended their gender to produce major works of art While introducing some of the many women since the Middle Ages whose contributions to visual culture have often been neglected Chadwick s survey reexamines the works themselves and the ways in which they have been perceived as marginal often in direct reference to gender In her

discussion of feminism and its influence on such a reappraisal she also addresses the closely related issues of ethnicity class and sexuality This revised edition features a completely redesigned interior and full color illustrations With a new preface and epilogue from this emerging authority on the history of women artists curator and professor Flavia Frigeri this revised edition continues the project of charting the evolution of feminist art history and pedagogy revealing how artists have responded to new strategies of feminism for the current moment

Ordering the World in the Eighteenth Century Frank O'Gorman,Diana Donald,2005-12-14 The Eighteenth century is often represented applying Tom Paine s phrase as The Age of Reason an age when progressive ideals triumphed over autocracy and obscurantism and when notions of order and balance shaped consciousness in every sphere of human knowledge Yet the debates which surrounded the development of Eighteenth century thought were always open to troubling doubts Was nature itself truly an ordered entity as Newton had argued or was it a mass of chaotic randomly moving atoms as some materialist thinkers believed This book explores the tensions and conflicts in these debates through a series of interdisciplinary essays from leading international scholars each challenging the idea that the Eighteenth century was an age of order

**Fragonard and the Fantasy Figure** Melissa Percival,2017-07-05 A fresh interpretation of the group of Fragonard s paintings known as the figures de fantaisie Fragonard and the Fantasy Figure Painting the Imagination reconnects the fantasy figures with neglected visual traditions in European art and firmly situates them within the cultural and aesthetic contexts of eighteenth century France Prior scholarship has focused on the paintings connections with portraiture whereas this study relocates them within a tradition of fantasy figures where resemblance was ignored or downplayed The book defines Fragonard as a painter of the imagination and foregrounds the imaginary at a time when Enlightenment rationalism and Classical aesthetics contrived to delimit the imagination The book unravels scholarly writing on these Fragonard paintings and examines the history of the fantasy figure from early modern Europe to eighteenth century France Emerging from this background is a view of Fragonard turning away from the academically sanctioned invention towards more playful variants of the imaginary

fantasy and caprice Melissa Percival demonstrates how fantasy figures engage both artists and viewers allowing artists to unleash their imagination through displays of virtuosity and viewers to use their imagination to explore the paintings unusual juxtapositions and humour
