

The background of the cover is an oil painting of a still life. It features a bunch of green grapes hanging from a vine with several large, dark green leaves. Below the grapes is a single, bright yellow lemon. The entire scene is set against a dark, textured brown background that resembles a wooden surface. The painting style is visible, with thick brushstrokes and a focus on light and shadow.

The Icon Painter's Handbook Ian Knowles, 2023-06-01 This handbook is an in depth introduction to the theory and practice of Byzantine icon painting in egg tempera The aim is to help all students aspire to create icons that are both sound theologically while being aesthetically beautiful This volume focuses on the Face of Christ especially in the Mandolin icon and covers all the basics of icon painting Subsequent volumes are planned which will look at the figure and the Kyykotissa icon the design of festal icons backgrounds and buildings This handbook uses dozens of precisely chosen clear

illustrations gives precise recipes for colours and mixtures provides step by step instructions to follow and links directly to video demonstrations which show some of the most difficult processes close up It puts the practical aspects of icon painting in a clear historical and theological framework introducing the application of the timeless principles on which the aesthetics of icon painting are built As art for the Church s Liturgy icon painting calls for the highest aesthetic standards and this book aims to help make that achievable for the average committed student Icon painting is presented here as a vocation rather than a hobby or an interesting artistic technique though this handbook will be of interest to anyone drawn to the world of the Byzantine liturgy and its icons By encouraging students to do more than simply copy good examples from the past but to understand how the medieval Christian artist understood what he or she was doing and how they put that into practice this handbook brings the world of the Byzantine artist back to life Icon painting is opened up as a living art form for today s Church The author who has theology degrees from Oxford University and Heythrop College in London has many years of icon teaching experience founding the Bethlehem Icon School in 2010 at the Emmanuel Greek Catholic Monastery in Bethlehem where he continues to teach from time to time This handbook began as handouts for his students on the Prince s School of Traditional Arts icon painting course while that was being run at the Bethlehem Icon Centre in Palestine and has finally emerged as a companion to the online Academy Course in Icon Painting and for members of the Arbor Vitae Icon Academy which the author established during the Covid pandemic
