Painters Of Provence:

The Painters of Provence Philippe Cros, 2000 This volume takes readers on a tour across south eastern France on the Mediterranean coast from west to east stopping at villages towns and sites which have featured so prominently in this region's artistic history From as early as the fourteenth century painting found a home beneath the azure skies of Roman civilization and prestigious art schools grew up in the prosperous cities of Nice Aix and Avignon Though initially the landscapes of Provence were relegated to the background of altarpieces the early presence of artists in the area prepared the terrain for a new flourishing of talent five centuries later Focusing on painters of the nineteenth and early twentieth centuries the author looks at works by local artists including Cezanne a native of Aix en Provence but also at the paintings of van Gogh Picabia Picasso Signac Cross Braque and Matisse The region's rich vegetation mountains shorelines and mesmerizing light became the catalyst for an explosive expression of talent van Gogh painted furiously during and after his stay in the asylum at Saint Remy the Fauves wildly colored paintings were inspired by the vibrant colors along the coast Bonnard's lush sense of color developed in his contemplation of the views from his villa in Le Cannet in Arles a ninety year old Picasso attended bullfights and sketched daily Over 130 paintings and 40 period photographs of the region illustrate the different styles inspired by Provence from realistic landscapes in the classical tradition to Impressionist and Fauve renditions This work is completed by a guide to the principal museums in the region and biographies of the artists discussed

The Mistral Catherine Tatiana Dunlop, 2024-10-14 An in depth look at the hidden power of the mistral wind and its effect on modern French history Every year the chilly mistral wind blows through the Rhone valley of southern France across the Camargue wetlands and into the Mediterranean Sea Most forceful when winter turns to spring the wind knocks over trees sweeps trains off their tracks and destroys crops Yet the mistral turns the sky clear and blue as it often appears in depictions of Provence The legendary wind is central to the area's regional identity and has inspired artists

and writers near and far for centuries This force of nature is the focus of Catherine Dunlop s *The Mistral* a wonderfully written examination of the power of the mistral wind and in particular the ways it challenged central tenets of nineteenth century European society order mastery and predictability As Dunlop shows while the modernizing state sought liberation from environmental realities through scientific advances land modification and other technological solutions the wind blew on literally crushing attempts at control and becoming increasingly integral to regional feelings of place and community

Cezanne's Garden ,2003 The award winning author of *Van Gogh s Gardens* returns with a sumptuously illustrated book showcasing the garden and art of one of the most significant painters of the Impressionist era 100 color photos *Cezanne in Provence* Jacqueline Guillaud,Maurice Guillaud,1989 A revelation for the art lover or the traveler Cezanne in Provence does more than present the artist s most spectacular paintings it re creates the color texture and intensity of his original works of art 47 full color illustrations

The Illustrated Provence Letters of Van Gogh Martin Bailey,2021-02-04 I cannot help that my pictures do not sell Nevertheless the time will come when people will see that they are worth more than the price of the paint Vincent van Gogh Discover the moving story of Vincent van Gogh with his artistic genius and emotional torment told through personal letters sketches and paintings in this beautiful reissue of a previous bestseller Vincent van Gogh s letters are a written testimony to the artist s struggle to survive and work This fascinating book s combination of deeply personal letters alongside rough sketches and finished paintings gives an intimate insight into the painter s domestic life in Arles and Saint Remy de Provence his spiritual torment and the creative process The Illustrated Provence Letters of Van Gogh engages with the mind of the artist reflecting his close bond with his brother and closest companion Theo his relationship with fellow artists and friends his ongoing struggle with mental illness and his passion for art Martin Bailey s introduction provides essential background information about Vincent s early life setting the period in Provence in perspective Biographical notes about the recipients of Vincent s letters are provided as well as a guide for visitors to those places painted by Van Gogh
