Michele Cassou, Stewart Cubley, 1996-01-03 Life Paint And Passion is a deeply involving approach to using the creative process as a tool for self discovery With vibrant and contagious enthusiasm the authors liberate the reader's urge to create freely and spontaneously as a painter or an artist in another medium purely for the process of exploration not for result With eloquence and simplicity the authors encourage the reader to journey inward toward his or her authentic self and discover the unique intuition awaiting there It is this intuition that provides all the tools the reader needs to crumble the barrier between the innermost self and its uncensored manifestation Through lively interviews with students the authors explore painting as a practice that facilitates the ecstasy of unfettered expression With simple brushes a few dishes of paint and this book the reader will be able to coax the hidden self out of the heart and onto a paper Life Paint And Passion is the result of nearly thirty years of intensive work with the painting process It provides powerful insights into the act of creation a solid base for facing and transcending creative blocks and brings fresh perceptions and healing to life Painting from the

Dare to Create Monroe Katz, 2018-11-20

Monroe Katz cuts right to the heart of it The artist must find his own way to say what he has to say in paint pencil or clay but he has to be in a proper frame of mind as a passionate artist playing experimenting agonizing over subject matter daring failing cutting free trusting his or her inner voice being in the ring rather than in the grandstand Yes the artist must dare to create From there Dr Katz takes us deep inside the high arts of painting and sculpting showing us how to convey feeling with color composition texture and above all the eye and heart of the artist at work Whether he is depicting a rural landscape a bridge in the Napa Valley or the essence of his own daughter Dr Katz's top priority is transmitting through paint or clay what the artist is feeling inside And when you get that feeling right he says it's like music to your brush As he urges Be daring don't sacrifice feeling for accuracy and draw every day And through these pages this gifted artist and storyteller helps guide and inspire you every step of the way Using sketches and paintings from his beloved Rembrandt and other great masters plus his own work the author explains composition color the use of light and shadow plus the joys of painting to music and the creative anguish that every artist faces on his journey of exploration and growth
