Painting in Texas Pauline A. Pinckney, 1967 **Painting in Texas: the Nineteenth Century. Introduction by Jerry Bywaters. [With Reproductions, Including Portraits.]**. Pauline A. PINCKNEY, 1967 **Visual Art and the Urban Evolution of the New South** Deborah C. Pollack, 2015-01-18 Visual Art and the Urban Evolution of the New South recounts the enormous influence of artists in the evolution of six southern cities Atlanta Charleston New Orleans Louisville Austin and Miami from 1865 to 1950 In the decades following the Civil War painters sculptors photographers and illustrators in these municipalities employed their talents to articulate concepts of the New South aestheticism and Gilded Age opulence and to construct a visual culture far beyond providing pretty pictures in public buildings and statues in city squares As Deborah C Pollack investigates New South proponents such as Henry W Grady of Atlanta and other regional leaders she identifies cultural strivers philanthropists women s organizations entrepreneurs writers architects politicians and dreamers who united with visual artists to champion the arts both as a means of cultural preservation and as mechanisms of civic progress Aestheticism made popular by Oscar Wilde s southern tours during the Gilded Age was another driving force in art creation and urban improvement Specific art works occasionally precipitated controversy and incited public anger yet for the most part artists of all kinds were recognized as providing inspirational incentives for self improvement civic enhancement and tourism art appreciation and personal fulfillment through the love of beauty Each of the six New South cities entered the late nineteenth century with fractured artistic heritages Charleston and Atlanta had to recover from wartime devastation The infrastructures of New Orleans and Louisville were barely damaged by war but their social underpinnings were shattered by the end of slavery and postwar economic depression Austin was not vitalized until after the Civil War and Miami was a post Civil War creation Pollack surveys these New South cities with an eye to understanding how each locale shaped its artistic and aesthetic self perception across a spectrum of economic political gender and race issues She also discusses Lost Cause imagery present in all the studied municipalities While many art history volumes concerning the South focus on sultry landscapes outside the urban grid Visual Art and the Urban Evolution of the New South explores the art belonging to its cities whether exhibited in its museums expositions and galleries or reflective of its parks plazas marketplaces industrial areas gardens and universities It also identifies and celebrates the creative urban humanity who helped build the cultural and social framework for the modern southern city 19th-century America: Paintings and Sculpture Metropolitan Museum of Art (New York, N.Y.), John K. Howat, Natalie Spassky, 1970 Chiefly illustrated catalog of an exhibition held in celebration of the hundredth anniversary of the Metropolitan Museum of Art held at the Metropolitan Museum of Art from April 16 through September 7 1970 **Pioneer Photographers from the Mississippi to the Continental Divide** Peter E. Palmquist, Thomas R. Kailbourn, 2005 This biographical dictionary of some 3 000 photographers and workers in related trades

active in a vast area of North America before 1866 is based on extensive research and enhanced by some 240 illustrations most of which are published here for the first time The territory covered extends from central Canada through Mexico and includes the United States from the Mississippi River west to but not including the Rocky Mountain states Together this volume and its predecessor Pioneer Photographers of the Far West A Biographical Dictionary 1840 1865 comprise an exhaustive survey of early photographers in North America and Central America excluding the eastern United States and eastern Canada This work is distinguished by the large number of entries by the appealing narratives that cover both professional and private lives of the subjects and by the painstaking documentation It will be an essential reference work for historians libraries and museums as well as for collectors of and dealers in early American photography In addition to photographers the book includes photographic printers retouchers and colorists and manufacturers and sellers of photographic apparatus and stock Because creators of moving panoramas and optical amusements such as dioramas and magic lantern performances often fashioned their works after photographs the people behind those exhibitions are also discussed

Early Galveston Artists and Photographers: Recovering a Legacy Pat Jakobi, 2021 Since Audubon visited Galveston in 1837 artists have flocked to the island some just passing through and others staying their entire lives But because Galveston remained remote from the nation's cultural centers its artistic contributions were initially largely ignored However the recovery effort from the Great Storm of 1900 spurred a new sense of local pride and civic determination The Cotton Carnivals attracted people throughout the state the city's artists united to promote local art through the creation of the Galveston Art League and photographers modernized their practices In the early 1920s a new generation freed from nineteenth century traditions started to gain attention both on and off the island Explore Galveston's artistic heritage with local historian Pat Jakobi from the portraits of Thomas Flintoff to the Balinese Room murals of Marie Marchi Ragone

All the Houses Were Painted White, 2019-09-17 Many of the historic houses in and around the town of Victoria Texas were built between 1875 and 1910 by immigrant owners From 1973 to 1975 with the support of a grant from the National Endowment for the Arts Rick Gardner traveled throughout the region taking photographs of these historic homes Gardner relied on his own instincts and guidance from knowledgeable locals as to where he should aim his lens This book is an appreciative glimpse at what these vernacular houses looked like a century after their construction Gardner has teamed up with Victoria historian and preservationist Gary Dunnam to present these rich images along with brief historical sketches of the houses and where possible the persons who occupied them when they were newly constructed The result is an understated and elegant suggestion of what life may have been like for the merchants bankers agriculturalists and others who built and lived in these homes during the late nineteenth and early twentieth centuries

Designed to appeal to those with a love for old houses and especially for the preservation of historic structures *All the Houses Were Painted White* offers its readers a stately appreciation of these homes and their place in the South Texas landscape It is also a tribute to the architects owners and anonymous craftspeople who built the houses to their vision skill ingenuity imagination creativity and endurance
