McCullough, 2021-04-29 In a galaxy torn apart by the Last War vast pirate fleets roam from system to system robbing extorting and enslaving Amidst this chaos thousands of independent operators smugglers relic hunters freedom fighters and mercenaries roam the dead stars in small ships scratching out a living any way they can In Stargrave players take on the role of one of these independent operators choosing from a range of backgrounds each with their own strengths weaknesses and

associated powers Next players must hire a crew for their ship recruiting a lieutenant with a unique skill set and a handful of soldiers mechanics hackers and other specialists Some captains may even recruit strange alien lifeforms with abilities no humanoid could ever possess Once the players crews are assembled they are ready to dive into a campaign Over a series of games their crews will have the chance to carry out a variety of missions recovering lost technology stealing data freeing slaves and fighting back against the pirate fleets In time as the crews gain experience they will become more powerful and hire more talented specialists The more they grow however the more likely it is that a pirate fleet will take note of their activities and come after them

The Silver Bayonet Joseph A. McCullough,2021-11-11 As the wars of Napoleon ravage Europe chaos and fear reign and the darkness that once clung to the shadows has been emboldened Supernatural creatures vampires werewolves ghouls and worse take advantage of the havoc striking out at isolated farms villages and even military units Whether they are pursuing some master plan or simply revelling in their newfound freedom is unknown Most people dismiss reports of these slaughters as the rantings of madmen or the lies of deserters but a few know better The Silver Bayonet is a skirmish wargame of gothic horror set during the Napoleonic Wars Each player forms an elite band of monster hunters drawn from the ranks of one of the great powers Riflemen swordsmen and engineers fight side by side with mystics occultists and even those few supernatural creatures that can be controlled or reasoned with enough to make common cause The game can be played solo co operatively or competitively with players progressing through a series of interlinked adventures with their soldiers gaining experience and suffering grievous wounds and their units triumphing or falling in the face of the shadows It is a game of action and adventure where musket and sabre meet tooth and claw

Stargrave: Dead or Alive Joseph A. McCullough,2024-06-27 A Stargrave supplement devoted to generating and running solo scenarios in which players hunt bounties across the Ravaged Galaxy or perhaps become hunted themselves It s hard to live with a price on your head especially in the Ravaged Galaxy where bounty hunters can be found on every planet Most are amateurs folk with a gun and an eye for a payday but some are deadly professionals A few aren t even motivated by the reward but by vengeance redemption some notion of justice or the pure thrill of the hunt They re the truly dangerous ones No matter what drives them once a new bounty is posted the hounds take up the chase and more often than not it all ends in violence Dead or Alive gives Stargrave players all the tools they need to generate solo bounty hunting scenarios including a variety of different settings and locations a host of complications to be faced and of course a large rogues gallery of unique outlaws With the random scenario generators in this volume players can set up a great number of games of Stargrave with no two being the same all without an opponent

Ancient and Medieval Wargaming Neil Thomas,2007-06-21 Re fight some of the bloodiest battles of the ancient and medieval worlds Seasoned wargamer and author Neil Thomas brings historical perspective to the hobby with a description and interpretation of significant military developments from 3 000BC to AD1500 Wargaming is the simulation of accurate historical battles using miniature figures to fight over three dimensional terrain their movement and

combat being regulated by clearly defined rules Neil Thomas new book provides specific coverage of ancient and medieval wargaming thanks to its division into biblical classical Dark Age and medieval sections Each section has its own set of rules and much expanded army lists The wargamer gains additional perspective from data panels containing facts about weaponry personalities and chroniclers and quotations from original document sources Useful suggestions for further reading are also included while battle reports in each section provide tactical insights for both novice and veteran wargamers
