Enid Blyton

Pair Of Rogues:

A Pair of Rogues Patricia Wynn, 2010-09-14 Ned Windermere decided to reform his rakish ways when he became a godfather. Then he met the child's godmother Miss Christina Lindsay whose own brother called her a handful. Ned had a mind to tame her but Christina was having none of it especially from a rogue like Windermere. Regency Romance by Patricia Wynn originally published by Fawcett.

A Set of Rogues Frank Barrett, 1895

A Set of Rogues Frank Davis, 2020-12-08 In A Set of Rogues Frank Davis crafts a riveting narrative that captivates readers with its rich tapestry of 18th century intrigue. The novel is steeped in historical authenticity and vibrant characterization utilizing a flowing eloquent prose style that echoes the period's own literary traditions. Set against the backdrop of political upheaval and moral ambiguity the plot follows a diverse ensemble of characters whose adventures and misadventures highlight the complexity of human nature and the fine line between villainy and virtue. The interplay of humor and tragedy adds depth inviting readers to ponder the societal norms that define rogues in society. Frank Davis a seasoned author and historian with a keen interest in early modern literature draws inspiration from his extensive research on the period's socio political dynamics. His fascination with the craftiness and cunning of historical figures informs his portrayal of characters who often grapple with ethical dilemmas. Davis's command over the historical context enriches the narrative allowing readers to immerse themselves fully in the era's cultural milieu. This book is a must read for fans of historical fiction and character driven narratives. Davis's masterful storytelling not only entertains but provokes thoughtful reflection on the nature of morality in turbulent times. A Set of Rogues promises an engaging journey through a world where shades of gray abound leaving readers enthralled and contemplative.

A Set of Rogues Frank Barrett, 2019-12-04 In A Set of Rogues Frank Barrett masterfully weaves a tapestry of narrative rich with intrigue betrayal and dark humor. Set against the backdrop of the gritty underbelly of 19th century London the novel explores the lives of well heeled swindlers and their misadventures within a society rife with corruption. Barrett's prose is characterized by its sharp wit and vivid imagery immersing the reader in a world that is both familiar and strange. The literary style pays homage to the Victorian novel while simultaneously defying its conventions creating a unique blend of satire and social commentary that reflects the complexities of human nature and societal norms. Frank Barrett a renowned author and commentator on the intricacies of moral ambiguity draws on his extensive knowledge of historical narratives and personal experiences in the world of journalism to create this compelling narrative. His background in literature and history informs his understanding of the socio political climate of the time enabling him to craft a story that resonates with contemporary themes of ethical dilemmas and human fallibility. To all lovers of historical fiction and those intrigued by the darker facets of humanity A Set of Rogues demands your attention. Barrett invites readers to delve into this enthralling tale where every page turn unveils deeper layers of deception and candid revelations about the human spirit. This book is not merely a story to read but an experience to engage with leaving you pondering its implications long after the final chapter. In

The Orange Girl Walter Besant,1899 **You're My Alpha** A. J. Onyx,2025-02-23 Dad you can t be serious I could feel the heaviness rise in my chest as my father explains he has arranged for my hand in marriage You know why this is a good idea If the truth comes out the pack would question your ability to lead it is for the best Dad explains as if it is the most natural and simplest solution When I woke up today this was never a possibility of events that I would be going through However here I stand in my father s office while he and my stepmother proceed to explain to me that they have planned my life out for me I have already been trained to take over as alpha since I could walk but now I don t even get a chance at love Kira Daniels is a 17 year old alpha to be Having been the only child of her father Alpha Robert Daniels and his true mate all she knows is the life that has been planned for her Hoping to find her mate and secure a chance at love she has been looking forward to turning 18 and finding her mate However when her father arranges for her hand in marriage will she uphold her father s wishes or will she meet her true mate and uncover a truth she never imagined **Thomas Dekker and the Culture of Pamphleteering in Early Modern London** Anna Bayman,2016-02-17 Thomas Dekker c 1572 1632 was a prolific playwright and pamphleteer chiefly remembered for his vivid and witty portrayals of everyday London life This book uses Dekker s prose pamphlets published between 1613 and 1628 as a

way in to a crucial and relatively neglected period of the history of pamphleteering Under James I after the aggressive Elizabethan exploitation of the new media pamphleteers carved out a discursive space in which claims about truth and authority could be deconstructed Avoiding the dangerous polemic employed by the Marprelate pamphleteers they utilised playful deliberately ambiguous language that drew readers attention to their own literary devices and games Dekker shows pamphlets to be unstable and roguish and the nakedly commercial imperatives of the book trade to be central to the world of Jacobean cheap print as he introduces us to a world in which overlapping and competing discourses jostled for position in London s streets markets and pulpits Contributing to the history of print and to the history of Jacobean London this book also provides an appraisal of the often misunderstood prose works of an author who deserves more attention especially from historians than he has so far received Critics are slowly becoming aware that Dekker was not the straightforward simple hack writer of so many accounts his works are complex and richly reward study in their own right as well as in the context of his more famous predecessors and contemporaries As such this book will further contribute to a post revisionist historiography of political consciousness and print cultures under the early Stuarts as well as illuminate the career of a neglected writer
