## **Pakistan-U.S Relations Social Political And Economic Factors:**

*Pakistan-U.S. Relations* Noor A. Husain, Leo E. Rose, 1988      Pakistan's National Security Approach and Post-Cold War Security Arshad Ali, 2021-03-31 This book analyzes the paradox that despite being a national security state Pakistan has become even more insecure in the post Cold War era. It provides an in depth analysis of Pakistan's foreign and security policies and their implications for the overall state and society. The book identifies the immediate security challenges to Pakistan and charts the distinctive evolution of Pakistan's national security state in which the military elite became the dominant actor in the political sphere of government during and after the Cold War period. By examining the national security state militarization, democracy and security proxy wars and the hyper military industrial complex the author illustrates how the vanguard role of the military created considerable structural sociopolitical economic and security problems in Pakistan. Furthermore the author argues that the mismatch between Pakistan's national security stance and the transformed security environment has been facilitated and sustained by the embedded interests of the country's military industrial complex. A critical evaluation of the role of the military in the political affairs of the government and how it has created structural problems for Pakistan this book will be of interest to academics in the field of South Asian Politics and Security, South Asian Foreign and Security Policy, International Relations, Asian Security and Cold War Studies      China's Brain Drain to the United States David Zweig, Chen Changgui, 2013-11-26 First Published in 1996 Beginning in 1979 the government of the People's Republic of China hoping to catch up with Western science and technology decided for the first time since 1949 to send large numbers of students and scholars to the West to study. Suddenly China found itself in the same situation as many developing countries sending their best and brightest to the United States triggered a brain drain and with it the threat that the strategy of sending people abroad to catch up might backfire. But will these people return? In order to investigate the authors carried out 273 interviews with Chinese students scholars and other former residents of the People's Republic of China who are currently residing in the United States. The interviews had a wide geographical distribution within the United States taking place in Boston New York Buffalo Albuquerque and several centers in California including Los Angeles San Diego and San Francisco      **Pakistan and the Geostrategic Environment** H. Rizvi, 1993-01-15 A study of Pakistan's foreign policy with an emphasis on geostrategic environment undertakes a critical review of Pakistan's interaction at the bilateral regional and international levels. Focusing mainly on the period from 1972 to the present the book examines Pakistan's troubled relations with India interaction with the smaller states of South Asia and the Muslim world. Pakistan's relations with the U.S., the Soviet Union and China including the impact of the nuclear issue and the Afghanistan crisis on the Pakistan-U.S. ties get a detailed treatment      **Dilemmas of National Security and Cooperation in India and Pakistan** Hafeez Malik, 1993-03-30      **Ibss: Political Science: 1988** British Library of Political and Economic Science, 1992 This bibliography lists the most important works in political science published in 1988      Conflict Between India and Pakistan

Peter Lyon,2008-10-02 This up to date encyclopedia examines the conflict between India and Pakistan from Independence to the present day with an authoritative treatment that presents the issues evenhandedly and from both countries perspectives Tensions between India and Pakistan are deeply rooted Many go back to 1947 or earlier when with the partitioning of the provinces of Punjab and Bengal British India was succeeded by two independent countries a primarily Hindu India and a Muslim Pakistan Subsequently the two countries have fought three wars and come close to open war several other times especially over Kashmir Conflict Between India and Pakistan begins with a discussion of the partition of India and those who figured prominently in it notably Mohammed Ali Jinnah Clem Attlee the last viceroy Admiral Louis Mountbatten and Jawaharlal Nehru Then in a series of evenhanded carefully crafted portraits it describes the people political parties foreign and domestic policies and economic religious and cultural pressures that have played a role in the conflicts between these nations from 1947 to the present

**The Idea of Pakistan** Stephen P. Cohen,2004-09-21 In recent years Pakistan has emerged as a strategic player on the world stage both as a potential rogue state armed with nuclear weapons and as an American ally in the war against terrorism But our understanding of this country is superficial To probe beyond the headlines Stephen Cohen author of the prize winning India Emerging Power offers a panoramic portrait of this complex country from its origins as a homeland for Indian Muslims to a militarydominated state that has experienced uneven economic growth political chaos sectarian violence and several nuclear crises with its much larger neighbor India Pakistan s future is uncertain Can it fulfill its promise of joining the community of nations as a moderate Islamic state at peace with its neighbors or could it dissolve completely into a failed state spewing out terrorists and nuclear weapons in several directions The Idea of Pakistan will be an essential tool for understanding this critically important country

**Radicalization in Pakistan** Muhammad Shoaib Pervez,2020-11-29 This book offers a critical analysis of radicalization in Pakistan by deconstructing the global and the official state narratives designed to restrain Pakistani radicalization Chapters are centered around three distinct themes educational norms religious practices and geo political aspects of radicalization to examine the prevalent state and global practices which propagate Pakistani radicalization discourse The book argues that there is both a global agenda which presents Pakistan as the epicenter and sponsor of terrorism and a domestic or official agenda that portrays Pakistan as the state which sacrificed and suffered the most in the recent War on Terror which allow the country to gain sympathy as a victim Delineating both conflicting agendas through a critical analysis of global and state practices in order to understand the myths and narratives of radicalization in Pakistan

constructed by powerful elites the book enables readers to gain a better understanding of this phenomenon A multidisciplinary critical approach to comprehending radicalization in Pakistan with innovative prescriptions for counter radicalization policy this book will be of interest to researchers working in the fields of International Relations Security Studies Asian Politics as well as Religious Studies and Education in particular in the context of South Asia   **Uneasy Neighbors** Kanishkan Sathasivam,2017-10-24 This volume represents a comprehensive and detailed case study of the long running conflict between India and Pakistan primarily over the contested territory of Kashmir and the involvement of the United States within that conflict The book details the history of Partition the critical event in the modern history of the subcontinent and the fundamental catalyst for the enduring rivalry between India and Pakistan It provides a summary description and analysis of the characteristics demographic social cultural political economic and military of the three primary actors that are party to the conflict the sovereign states of India and Pakistan and the territory of Kashmir It explains the history of US policy toward India and Pakistan as individual countries as well as US policy toward the conflict between them particularly in light of the Indian and Pakistani nuclear tests of 1998 and events since September 11 2001 In addition the volume also describes and analyzes the involvement of three other major extra regional actors   [South Asia in 2020](#)
