Palabras De Mediodianoon Words:

Palabra de mediodía / Noon Words Lucha Corpi, 2001-03-31 Palabras de mediodía Noon Words is Lucha Corpi's pioneering collection of poems that established her as a major figure in Mexican American literature. Written in Spanish and expertly translated by Catherine Rodriguez Nieto, the poems fairly bloom off the page in a display of lyric virtuosity. Corpi is the first of the Mexican American poets to explore through deeply personal and intimate feelings potentially explosive political topics: transculturation, the role of women, her commitment to social change, and the grand themes of love and death. Highly sophisticated, enchanting, and well steeped in the literary tradition of Juana de Ibarbouro, Federico García Lorca, and Pablo Neruda, Corpi's poetry successfully portrays the magic of her childhood in tropical Veracruz, her move to the city, and the challenges of modern life in San Luis Potosí and the San Francisco Bay Area. Particularly moving is Corpi's struggle to bridge the chasm between the obligations of family life and single parenthood and the career opportunities of the outside world.

Historical Dictionary of U.S. Latino Literature Francisco A. Lomelí, Donald W. Urioste, María Joaquina Villaseñor, 2016-12-27 U.S. Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos. For too long U.S. Latino literature has not been thought of as an integral part of the overall shared American literary landscape, but that is slowly changing. This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues, concerns, and perspectives with a flair in linguistic cadences, familial themes, distinct world views, and cross-cultural voices. The Historical Dictionary of U.S. Latino Literature contains a chronology, an introduction, and an extensive bibliography. The dictionary section has cross-referenced entries on U.S. Latino authors and terms relevant to the nature of U.S. Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience. This book is an excellent access point for students, researchers, and anyone wanting to know more about this subject.

Spilling the Beans in Chicanolandia Frederick Luis Aldama, 2010-01-01 Since the 1980s, a prolific second wave of Chicano writers and artists has tremendously expanded the range of genres and subject matter in Chicano literature and art. Building on the pioneering work of their predecessors, whose artistic creations were often tied to political activism and the civil rights struggle, today's Chicano writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content. They use novels, short stories, poetry, drama, documentary films, and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano identity and experience. This book presents far-ranging interviews with twenty-one second-wave Chicano poets, fiction writers, dramatists, documentary filmmakers, and playwrights. Some are mainstream, widely recognized creators, while others work from the margins because of their sexual orientations or their controversial positions. Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical

concerns that animate their work Their conversations delve into such areas as how the artists or writers life experiences have molded their work why they choose to work in certain genres and how they have transformed them what it means to be Chicano a in today s pluralistic society and how Chicano a identity influences and is influenced by contact with ethnic and racial identities from around the world *Inside the Latin@ Experience* N.
