Men in Midlife Crisis Jim Conway,1997 This newly revised version still offers practical ways to deal with the crisis but now the book has been updated with new research and quotes for the 90s and beyond Conway s advice comes from his own personal experience as well as years of research and counseling After 20 years as a bestseller this revised edition is even better *Turning Points in Japanese History* Bert Edstrom,2013-12-16 So called turning points or defining moments are both the oxygen and grid lines that historians and researchers seek in plotting the path of social and political development of

any country In the case of Japan the ninth Conference of the European Association of Japanese Studies provided a unique opportunity for leading scholars of Japanese history politics and international relations to offer an outstanding menu of turning points many addressed for the first time over 20 of which are included here Thematically the book is divided into sections including Medieval and Early Modern Japan Japan and the West Contested Constructs in the Study of Tokugawa and Meiji Japan Aspects of Modern Japanese Foreign Policy and Democracy and Monarchy in Post War Japan *Doctor Mary in Arabia* Mary Bruins Allison,2010-06-04 Until fairly recently Arab women rarely received professional health care since few women doctors had ever practiced in Arabia and their culture forbade them from consulting male doctors Not surprisingly Dr Mary Bruins Allison faced an overwhelming demand when she arrived in Kuwait in 1934 as a medical missionary of the Reformed Church of America Over the next forty years Dr Mary treated thousands of women and children faithfully performing the duties that seemed required of her as a Christian to heal the sick and seek converts These memoirs record a fascinating life Dr Allison briefly describes her upbringing and her professional training at Women s Medical College of Pennsylvania She then focuses on her experiences in Kuwait where women of all classes including royalty flocked to her care In addition to describing many of her cases Dr Allison paints a richly detailed picture of life in Kuwait both before and after the discovery of oil transformed the country Her recollections include invaluable details of women s lives in the Middle East during the early and mid twentieth century They add a valuable chapter to the story of modern medicine to the largely unsuccessful efforts of the Christian church to win converts in the Middle East and to the opportunities and limitations that faced American women of the period Dr Allison also worked briefly in Bahrain Qatar Oman and India and she includes material on each country The introduction situates her experiences in the context of Middle Eastern and medical developments of the period Poetical Works Samuel Lover,1902 **Empire of Horses** John Man,2020-02-04 The author of landmark histories such as Genghis Khan Attila and Xanadu invites us to discover a fertile period in Asian history that prefigured so much of the world that followed The people of the first nomadic empire left no written records but from 200 bc they dominated the heart of Asia for four centuries and changed the world in the process The Mongols today s descendants of Genghis Khan see these people as ancestors Their rise cemented Chinese identity and inspired the first Great Wall Their descendants helped destroy the Roman Empire under the leadership of Attila the Hun We don t know what language they spoke but they became known as Xiongnu or Hunnu a term passed down the centuries and surviving today as Hun and Man uncovers new evidence that will transform our understanding of the profound mark they left on half the globe from Europe to Central Asia and deep into China Based on meticulous research and new archaeological evidence Empire of Horses traces this civilization s epic story and shows how this nomadic cultures of the steppes gave birth to an empire with the wealth and power to threaten the order of the ancient world The Works of Samuel Lover Samuel Lover,1902 **The Collected Writings of Samuel Lover: Poetical works** Samuel Lover,1903 **The China Magazine** ,1868 *The Horseless Age*
