[Xun Xu and the Politics of Precision in Third-Century Ad China](#) Howard L. Goodman, 2010 This biography of the court scholar Xun Xu explores central areas of intellectual life in third century China

court lyrics music metrology pitch systems archeology and historiography It clarifies the relevant source texts in order to reveal fierce debates Besides solving technical puzzles about the material details of court rites the book unfolds factional struggles that developed into scholarly ones Xun s opponents were major figures like Zhang Hua and Zhi Yu Xun Xu s overall approach to antiquity and the derivation of truth made appeals to an idealized Zhou for authority Ultimately Xun s precision and methods cost him both reputation and court status The events mark a turning point in which ideals were moving away from such court constructs toward a relatively more philosophical antiquarianism and towards new terms and genres of self expression Publisher s description

**Zhuangzi**,2022-09-06 The Zhuangzi Sayings of Master Zhuang is one of the foundational texts of the Chinese philosophical tradition and the cornerstone of Daoist thought The earliest and most influential commentary on the Zhuangzi is that of Guo Xiang 265 312 who also edited the text into the thirty three chapter version known ever since Guo s commentary enriches readings of the Zhuangzi offering keen insights into the meaning and significance of its pithy but often ambiguous aphorisms narratives and parables Richard John Lynn s new translation of the Zhuangzi is the first to follow Guo s commentary in its interpretive choices Unlike any previous translation into any language its guiding principle is how Guo read the text Lynn renders the Zhuangzi in terms of Guo s understanding This approach allows for the full integration of the text of the Zhuangzi with Guo s commentary The book also features a translation of Guo s complete interlinear commentary and is annotated throughout A critical introduction includes a detailed account of Guo s life and times as well as analysis of his essential contributions to the arcane learning xuanxue of the fourth century and the development of Chinese philosophy Lynn sheds new light on how the Daoist classic which has often been seen as a timeless book of wisdom is situated in its historical context while also considering it as a guide to personal cultivation and self realization

**Five Classics of Fengshui** Michael Paton,2013-06-17 In Five Classics of Fengshui Michael Paton traces the theoretical development of this form of spiritual geography through full translations of major texts the Burial Classic of Qing Wu Book of Burial Yellow Emperor s Classic of House Siting Twenty Four Difficult Problems and Water Dragon Classic This theoretical development is analysed through the lens of history philosophy and sociology of science in an attempt to address Joseph Needham s conundrum of the great beauty of the siting in traditional China being based of such a grossly superstitious system and to understand what part fengshui played in the environmental history of China

**Desire and Fictional Narrative in Late Imperial China** Martin W. Huang, 2020-03-23 In this new study of desire in Late Imperial China Martin Huang argues that the development of traditional Chinese fiction as a narrative genre was closely related to changes in conceptions of the fundamental nature of desire He further suggests that the rise of vernacular fiction during the late Ming dynasty should be studied in the context of contemporary debates on desire along with the new and complex views that emerged from those debates Desire and Fictional Narrative in Late Imperial China shows that the obsession of authors with individual desire is an essential quality that defines traditional Chinese fiction as a narrative genre Thus the maturation of the genre can best be

appreciated in terms of its increasingly sophisticated exploration of the phenomenon of desire

*Wisdom in China and the West* Qingsong Shen, Willard Gurdon Oxtoby, 2004

Asian Martial Arts, Monks, and Ways of Thought Michael DeMarco, 2020-11-10 Many know of the legends concerning the Shaolin Temple as the font of Asian martial arts However this was not the only temple with deep associations with combatives This anthology dives deep into the historic significance of the relationship between temples monks and martial arts As a transporter of culture it seems logical that the Indian monk Bodhidharma brought more than just Buddhist texts to the Shaolin Temple India has a wonderful tradition of martial and healing arts that he would have shared at the temple His rich story throws light on how and why monks throughout Asia have often blended martial arts with their spiritual lives Asian countries have unique histories and societies but also share important elements A major thread is religion and the mixing with ancient native shamanism and mysticism We find a blend of Buddhism Daoism Confucianism Hinduism and Islam in Asian cultures which are strongly based in monastic centers The spread of religious thought is coupled with the spread of knowledge about martial arts It is part of human nature to find sources to enforce the spiritual mental and physical condition Temples and martial arts are certainly valued for these reasons In the first chapter Michael Spiesbach details the story of Bodhi dharma His piece couples nicely with Stanley Henning's observations from a visit to the Shaolin Temple Dr Charles Holcombe details the historic connections Daoism has with martial arts while Mark Hawthorne discusses the recent state of Daoism and its prospects for the future Jerry Shine's chapter on the sohei shows the influence these warrior monks had in Japanese history Ken Jeremiah's chapter looks at the extreme asceticism Japanese monks and warriors practiced to reach their individual goals Mark Wiley's chapter deals with mystical elements as sources of power in Indonesian martial arts In the final chapter Mark Kelland brings the

religious and martial traditions into our present everyday lives      *Understanding Prajñā* John M. Thompson, 2008 Can enlightenment be attained through words *Understanding Praj* addresses this perennial issue in the study of mysticism through the work of Sengzhao 374 414 a Buddhist scholar monk whose essay on praj wisdom created a sensation in early medieval China Drawing on contemporary hermeneutic theory this book presents a close reading of Sengzhao s work placing it in proper context while highlighting his masterful techniques for conveying wisdom beyond ordinary language *Understanding Praj* includes translations of Sengzhao s essay and his correspondence with Liu Yimin a hermit scholar who yearned to grasp the Buddha s sage wisdom      *Taijiquan Master Reference, Volume 1* ,2025-09-11 Researchers can benefit from this handy anthology particularly for the information and analyses presented including the rich bibliographic listings Taiji practitioners will also gain insights to benefit their own practice be it for health and or self defense Included here are sixty four articles In addition to 735 illustrations there are glossaries maps charts and bibliographies The variety of material in this anthology reflects in depth scholarly research and the experience of master practitioners It will be a valuable source taijiquan enthusiasts for futures decades VOLUME 1 pages 1 thru 300 of the print edition      **Encyclopedia of World Religions** Encyclopaedia Britannica, Inc., 2008-05-01 A guide to the religions of the world and to the concepts movements people and events that have shaped them It includes features such as entries on religious movements and concepts historical and legendary figures divinities religious sites and ceremonies images that show sacred places vestments rituals objects and texts and more      The Talent of Shu J. Michael Farmer, 2008-06-05 Presents the intellectual world of early medieval Sichuan through a critical biography of historian and classicist Qiao Zhou
