Philosophy Of Branding Great Philosophers Think Brands:

The Philosophy of Branding Thom Braun, 2004 Praise and Reviews Thom Braun's mission in this eclectic and readable book is to get us thinking and whether he's relating Plato to Persil or Descartes to Diet Coke that's just what he does. No marketer will think about their job in the same way after reading this. Enjoyable and thought provoking. James Thompson, Senior Vice President Marketing Diageo North America. Thom Braun, The Thinking Man's Brand Manager has created a whole new sizzling discourse on branding which provides a terrific antidote to the anodyne filler of standard business texts. Armed with brains and a little Braun, brand managers can become brand leaders. Paul Walton, Chairman The Value Engineers. An original and witty reminder that the most successful brands are driven by talented thinkers. Simon Clift, President Marketing Unilever Home Personal Care. At last, a brand book with a big idea. Braun's entertaining distillation of some of the greatest thinkers of the last 3 000 years offers provocative yet practical conclusions on how we should rethink managing our own brand. A wonderfully fresh and stimulating read. Adam Morgan, author of *Eating the Big Fish*. A thoroughly stimulating and enjoyable read. By looking at brands and branding through the lens of Western philosophy, Braun helps us review afresh some of the fundamentals of marketing. Jim Carroll, Deputy Chairman BBH London. In this original and imaginative slant on contemporary brand management, Thom Braun takes us into the minds of the world's greatest Western thinkers: Heraclitus, Socrates, Plato, Aristotle, Descartes, Spinoza, Leibniz, Locke, Hume, Rousseau, Kant, Hegel, Nietzsche, Wittgenstein, Popper, to reveal what they might say about branding if they were alive today. Filled with contemporary examples, pragmatic insights, and summaries of each philosopher's top tips, this elegant and witty book will resonate with all marketing and branding professionals who want their intellectual and professional faculties stimulated by some new thinking.

Profit Brand Nick Wreden, 2005-09-03. Profit Brand offers a comprehensive metrics-based approach to branding that allows companies to link branding activities directly with bottom line results and align the organization, including marketing, with common benchmarks that ensure that customers repeat purchase. It also illustrates how organizations can do business on customer terms, the one competitive differentiator that cannot be duplicated in today's consumer economy. Focusing on concepts which have often been ignored, including profitability, accountability, and sustainability, and packed with global examples from IBM, Disney, Amex, and KLM, Profit Brand highlights both good and bad marketing practice. This is essential reading for branding and marketing professionals, CEOs, finance directors, and students of business and marketing.

The New Strategic Brand Management Jean-Noël Kapferer, 2004. Praise and Reviews the best book on brands yet. Design Magazine. New exciting ideas and perspectives on brand building are offered that have been absent from our literature. Philip Kotler, S. C. Johnson, Sons Distinguished Professor of International Marketing, Northwestern University Kellogg School of Management. Managing a brand without reading this book is like driving a car without your license. Haesun Lee, Senior Vice President of Marketing, AMOREPACIFIC Co, Korea. Kapferer's hierarchy of brands is an extraordinary insight. Sam Hill and Chris Lederer, authors of

The Handmaid's Tale and Philosophy Rachel Robison-Greene,2018-12-04 In The Handmaid s Tale and Philosophy philosophers give their insights into the blockbuster best selling novel and record breaking TV series The Handmaid s Tale The story involves a future breakaway state in New England beset by environmental disaster and a plummeting birth rate in which the few remaining fertile women are conscripted to have sex and bear children to the most powerful men all justified and rationalized by religious fundamentalism Among the questions raised by this riveting and harrowing story The Handmaid s Tale displays the connection between sex and power What light does this story shed on sex and power in our own society The divinity of the feminine is associated with the female capacity to give birth Is this association inherently exploitative In the story the revolution rapidly rebranded people by changing their names and placing them into functional groups with specific titles How important is change in language to the suppression of individual freedom The Handmaid s Tale sees everything through the eyes of one character How is it possible to construct a self and an identity at odds with the definition which the culture attempts to impose In oppressive societies even the most oppressed do show some freedom of choice What is the limit of autonomy in a repressive society ruled by a fanatical ideology Our present ethics of sex relies heavily on the notion of consent but in the world of The Handmaid s Tale there is little scope for consent How is the power of consent constricted by the broader social conditions The feminist idea of Care Ethics can be used to critique various gender relationships How does Care Ethics evaluate our own society and the society depicted in The Handmaid s Tale The society portrayed in the story is marked by fierce religiosity yet the Christian God presumably disapproves of its brutal exploitation and oppression What is the relation between a loving Deity and the literal interpretation of scriptural passages Among many dystopian stories what makes The Handmaid s Tale particularly memorable and what purpose is served by the contemplation of imaginary dystopias Suicide is common in The Handmaid s Tale and contemplating the possibility of suicide is even more common Can life be worth living if the political and religious structure is thoroughly malign Beneath the theocratic preaching there is the practical suggestion that everything is being arranged for the good of society and therefore of everyone Who gets to decide and enforce what is in society s best interests

The Post-Truth Business Sean Pillot de Chenecey,2018-10-03 FINALIST Business Book Awards 2019 Embracing Change Category Brands are built on trust but in a post truth world they re faced with a serious challenge so much of modern life is defined by mistrust A shattering of the vital trust connection between brands and consumers together with the evaporation of authenticity as a core brand pillar is causing enormous problems for businesses on a global scale If a brand isn t seen as trustworthy then when choice is available it will be rejected in favour of one that is The Post Truth Business provides a way forward for any organization wishing to rebuild brand authenticity in a distrustful world It explains the interconnected problems facing businesses with
