Philosophy Of The Talmud:

Philosophy of the Talmud Hyam Maccoby, 2013-01-11 This is a new presentation of the philosophy of the Talmud The Talmud is not a work of formal philosophy but much of what it says is relevant to philosophical enquiry including issues explored in contemporary debates In particular the Talmud has original ideas about the relation between universal ethics and the ethics of a particular community This leads into a discussion on the relation between morality and ritual and also about the epistemological role of tradition The book explains the paradoxes of Talmudic Judaism as arising from a philosophy of revolution stemming from Jewish origins as a band of escaped slaves determined not to reproduce the slave society of Egypt From this arises a daring humanism and an emphasis on justice in this world rather than on other worldly spirituality A strong emphasis on education and the cultivation of rationality also stems from this Governing the discussion is a theory of logic that differs significantly from Greek logic Talmudic logic is one of analogy not classification and is peculiarly suited to discussions of moral and legal human situations This book will be of interest to those in the fields of philosophy religion and the history of ideas whether students teachers and academics or the interested general reader *The Philosophy of the Talmud* Hyam Maccoby, 2002

Talmud and Philosophy Sergey Dolgopolski, James Adam Redfield, 2024-08-06 Wide ranging and astutely argued Talmud and Philosophy examines the intersections partitions and mutual illuminations and problematizations of Western philosophy and the Talmud Among many philosophers the Talmud has been at best an idealized and remote object and at worst if noticed at all an object of curiosity The contributors to this volume collectively ignite and probe a new mode of inquiry by approaching the very question of partitions conjunctions and disjunctions between the Talmud and philosophy as the guiding question of their inquiry Rather than using the Talmud and its modes of argumentation to develop existing philosophical themes these essays probe the question of how the Talmud as an intellectual discipline sheds new light on the

unfolding of philosophy in the history of thought **What Is Talmud?** Sergey Dolgopolski, 2009-08-25 True disagreements are hard to achieve and even harder to maintain for the ghost of final agreement constantly haunts them The Babylonian Talmud however escapes from that ghost of agreement and provokes unsettling questions Are there any conditions under which disagreement might constitute a genuine relationship between minds Are disagreements always only temporary steps toward final agreement Must a community of disagreement always imply agreement as in an agreement to disagree What is Talmud rethinks the task of philological literary historical and cultural analysis of the Talmud It introduces an aspect of this task that has best been approximated by the philosophical anthropological and ontological interrogation of human being in relationship to the Other whether animal divine or human In both engagement and disengagement with post Heideggerian traditions of thought Sergey Dolgopolski complements philological historical and cultural approaches to the Talmud with a rigorous anthropological ontological and Talmudic inquiry He redefines the place of the Talmud and its study both traditional and academic in the intellectual map of the West arguing that Talmud is a scholarly art of its own and represents a fundamental intellectual discipline not a mere application of logical grammatical or even rhetorical arts for the purpose of textual hermeneutics In Talmudic intellectual art disagreement is a fundamental category What Is Talmud rediscovers disagreement as the ultimate condition of finite human existence or co existence **Jerusalem and Athens Exegesis** Jacob Neusner, 1997 The Talmud the Mishnah a philosophical law code and the Gemara a dialectical commentary upon the Mishnah works by translating principal modes of Western philosophy and science into the analysis of the rules of rationality governing the rules of humble everyday reality Science in particular the method of hierarchical classification characteristic of natural history supplies the method of making connections and drawing conclusions to the Mishnah the law code that forms the foundation document of the Talmud as Neusner demonstrated in his *Judaism as Philosophy The Method and Message of the Mishnah* Here he proceeds to show how philosophy specifically dialectical analysis defines the logic of the Gemara and guides the writers of the Gemara's compositions and the compilers of its composites in their analysis and amplification of some of the topical presentations or tractates of the Mishnah *Plato and the Talmud* Jacob Howland, 2010-10-11 This innovative study sees the relationship between Athens and Jerusalem through the lens of the Platonic dialogues and the Talmud Howland argues that these texts are animated by comparable conceptions of the proper roles of inquiry and reasoned debate in religious life and by a profound awareness of the limits of our understanding of things divine Insightful readings of Plato's *Apology* *Euthyphro* and chapter three of tractate *Taanit* explore the relationship of prophets and philosophers fathers and sons and gods and men among other themes bringing to light the tension between rational inquiry and faith that is essential to the speeches and deeds of both Socrates and the Talmudic sages In reflecting on the pedagogy of these texts Howland shows in detail how Talmudic aggadah and Platonic drama and narrative speak to different sorts of readers in seeking mimetically to convey the living ethos of rabbinic Judaism and Socratic philosophising **Jewish Philosophy in an**

Analytic Age Samuel Lebens, Dani Rabinowitz, Aaron Segal, 2019 An authoritative work in the philosophy of Judaism with chapters engaging in Biblical Talmudic Medieval Rationalistic and Mystical texts to offer clear and extensive analysis of how Jewish philosophy might have looked in an analytic age

Deconstructing the Talmud Federico Dal Bo, 2020 This monograph uses deconstruction a philosophical movement originated by Jacques Derrida to read the most authoritative book in Judaism the Talmud Examining deconstruction in comparison with Kant's and Hegel's philosophies the volume argues that the movement opens an innovative debate on Jewish Law First the monograph interprets deconstruction within the major streams of continental philosophy then it criticizes many aspects of Foucault's and Agamben's philosophy rejecting their notion of law On these premises the research delivers a close examination of many fundamental aspects of the Talmud Consequently it provides a short history of Rabbinic literature an history of the dissemination of the Talmud from Babylon to Northern France and an analysis of Talmudic vocabulary from a deconstructive perspective Each key concept of the Talmud is analysed according to the deconstructive dialectics between orality and writing Closing with a comparison between the Talmud and Derrida's most enigmatic text *Glac* the study argues that deconstruction dismantles the traditional notion of the Talmud to outline a new approach to Jewish Law Reading the Talmud through deconstruction this new angle makes the volume an essential resource for students and scholars interested in Jewish studies continental philosophy and the Middle East

Emmanuel Levinas's Talmudic Turn Ethan Kleinberg, 2021-10-19 In this rich intellectual history of the French Jewish philosopher Emmanuel Levinas's Talmudic lectures in Paris Ethan Kleinberg addresses Levinas's Jewish life and its relation to his philosophical writings while making an argument for the role and importance of Levinas's Talmudic lessons Pairing each chapter with a related Talmudic lecture Kleinberg uses the distinction Levinas presents between God on Our Side and God on God's Side to provide two discrete and at times conflicting approaches to Levinas's Talmudic readings One is historically situated and argued from our side while the other uses Levinas's Talmudic readings themselves to approach the issues as timeless and derived from God on God's own side Bringing the two approaches together Kleinberg asks whether the ethical message and moral urgency of Levinas's Talmudic lectures can be extended beyond the texts and beliefs of a chosen people religion or even the seemingly primary unit of the self Touching on Western philosophy French Enlightenment universalism and the Lithuanian Talmudic tradition Kleinberg provides readers with a boundary pushing investigation into the origins influences and causes of Levinas's turn to and use of Talmud

Talmud and Philosophy Sergey Dolgopolski, James Adam Redfield, 2024-08-06 Wide ranging and astutely argued Talmud and Philosophy examines the intersections partitions and mutual illuminations and problematizations of Western philosophy and the Talmud Among many philosophers the Talmud has been at best an idealized and remote object and at worst if noticed at all an object of curiosity The contributors to this volume collectively ignite and probe a new mode of inquiry by approaching the very question of partitions conjunctions and disjunctions between the Talmud and philosophy as the guiding question of their inquiry Rather

than using the Talmud and its modes of argumentation to develop existing philosophical themes these essays probe the question of how the Talmud as an intellectual discipline sheds new light on the unfolding of philosophy in the history of thought

The Philosophy of Judaism Zvi Cahn,1962

The Open Past:Subjectivity and Remembering in the Talmud Sergey Dolgopolski,2013

The Open Past challenges a view of time that has dominated philosophical thought for the past two centuries In that view time originates from a relationship to the future and the past can be only a fictitious beginning the necessary phantom of a starting point a chronological period of before This view of the past has permeated the study of the Talmud as well resulting in the application of modern philosophical categories such as the thinking subject subjectivity and temporality to the thinking displayed in the texts of the Talmud The book seeks to reclaim the originary power and authority the past exerts in the Talmud Central to the task of reclaiming a radical role for the past are medieval notions of the virtual and their contrasting modern appropriations the thinking subject among them These serve as both a bridging point and a demarcation between the practices of thinking and remembering displayed in the conversations held by the characters in the Talmud by contrast to other rhetorical or philosophical schools and disciplines of thought

Philosophy and History of Talmudic Logic Andrew Schumann,2017-08-17

The Talmud introduces a specific logical hermeneutics completely different from the Ancient Greek logic This hermeneutics first appeared within the Babylonian legal tradition established by the Sumerians and Akkadians to interpret the first legal codes in the world and to deduce trial decisions from the codes by logical inference rules The purpose of this book is i to examine the Talmudic hermeneutics from the point of view of its meaning for contemporary philosophy and logic as well as ii to evaluate the genesis of Talmudic hermeneutics which began with the Sumerian Akkadian legal tradition The logical hermeneutics of the Talmud is a part of the Oral Torah that was well expressed by the Tannaim the first Judaic commentators of the Bible for inferring Judaic laws from the Holy Book The authors who have contributed to this volume were asked first of all to consider the Talmudic hermeneutics from the standpoint of modern philosophy symbolic logic rhetoric analytic philosophy pragmatics and so on On the one hand the authors are interested in possibilities to import some modern philosophical and logical methods into the Talmudic study and on the other are interested in possibilities to export new logical principles from the Talmud which are innovative to contemporary philosophy and logic

Contemporary Jewish Philosophy Irene Kajan,2020-04-02

This text introduces the most important Jewish philosophers of contemporary times from the point of view of their original approach to both Judaism and philosophy and include Hermann Cohen Franz Rosenweig Martin Buber Leo Strauss Emmanuel Levinas It shows how for them the dialogue between Judaism and philosophy is necessary in order to avoid on one side an attachment to Jewish tradition which is only nationalistic or non rational and on the other an idea of philosophy which first of all focuses the problems of nature human existence in the world or God as the origin of being In reconstructing the intellectual evolution of each of these twentieth century philosophers with a view to their meaning today this book is unique and goes beyond the

standard historical account provided by other books Contemporary Jewish Philosophy is essential reading for researchers and students of philosophy Judaism and the history of religions

The Marrano Way Agata Bielik-Robson, 2022-05-09 The Marrano phenomenon is a still unexplored element of Western culture the presence of the borderline Jewish identity which avoids clear cut cultural and religious attribution and precisely as such prefigures the advent of the typically modern free oscillating subjectivity Yet the aim of the book is not a historical study of the Marranos or conversos who were forced to convert to Christianity but were suspected of retaining their Judaism undercover The book rather applies the Marrano metaphor to explore the fruitful area of mixture and cross over which allowed modern thinkers writers and artists of the Jewish origin to enter the realm of universal communication without at the same time making them relinquish their Jewishness which they subsequently developed as a hidden tradition The book poses and then attempts to prove the Marrano hypothesis according to which modern subjectivity derives to paraphrase Cohen out of the sources of the hidden Judaism modernity begins not with the Cartesian abstract ego but with the rich self reflexive self of Michel de Montaigne who wrestled with his own marranismo in a manner that soon became paradigmatic to other Jewish thinkers entering the scene of Western modernity from Spinoza to Derrida The essays in the volume offer thus a new view of a Marrano modernity which aims to radically transform our approach to the genesis of the modern subject and shed a new light on its secret religious life as surviving the process of secularization although merely in the form of secret traces

Heidegger in the Literary World Florian Grosser, Nassima Sahraoui, 2021-11-17 Within the vast reception history of Martin Heidegger's philosophical thought poets novelists and playwrights have occupied a central place This collection of essays opens up new perspectives by tracing the manifold often surprising ways in which Heideggerian concepts motifs and concerns have been taken up in literary and poetic writing since the middle of the 20th century In their contributions scholars from the Americas Asia and Europe explore intellectual constellations between Heidegger and selected literary figures such as John Ashbery Julia de Burgos Paul Celan Elfriede Jelinek and Velimir Khlebnikov The volume unveils the immense creativity that crystallizes in these poetic and literary traces and disseminations of Heidegger's thinking Hence it points to new and fruitful ways to critically intervene in current philosophical and literary debates

Joseph Ibn Kaspi Adrian Sackson, 2017-07-03 Joseph Ibn Kaspi was among the most prolific philosophical writers in one of the most vibrant productive creative periods in the history of Jewish philosophy Born around 1280 in Provence Ibn Kaspi penned works engaging a broad range of fields including philosophy theology grammar logic biblical exegesis and interreligious polemics In Joseph Ibn Kaspi Portrait of a Hebrew Philosopher in Medieval Provence Adrian Sackson asks the question What was Ibn Kaspi's overarching intellectual project The book focuses on several key themes Ibn Kaspi's conception of the formative not just discursive function of philosophy his multi layered esotericism his distinct approach to the interpretation of Maimonides his Maimonidean philosophical approach to the interpretation of religious texts and practices his Platonic political thought his approach to messianism and his attendant

conception of the nature of human history *Radical Passivity* Benda Hofmeyr, 2009-01-21 Levinas's ethical metaphysics is essentially a meditation on what makes ethical agency possible that which enables us to act in the interest of another to put the well being of another before our own This line of questioning found its inception in and drew its inspiration from the mass atrocities that occurred during the Second World War The Holocaust like the Cambodian genocide or those in Rwanda and Srebrenica exemplifies what have come to be known as the never again situations After these events we looked back each time with varying degrees of incomprehension horror anger and shame asking ourselves how we could possibly have let it all happen again And yet atrocity crimes are still rampant After Rwanda 1994 and Bosnia Herzegovina 1992 1995 came Kosovo 1999 and Darfur 2003 In our present day world hate crimes motivated by racial sexual or other prejudice and mass hate such as genocide and terror are on the rise think for example of Burma Zimbabwe Sri Lanka and North Korea A critical revaluation of the conditions of possibility of ethical agency is therefore more necessary than ever This volume is committed to the possibility of never again It is dedicated to all the victims living and dead of what Levinas calls the sober Cain like coldness at the root of all crime against humanity as much as every singular crime against another human being After the Deluge François Dosse, 2004-11-17 Madame de Pompadour's famous quip *Après nous le déluge* serves as fitting inspiration for this lively discussion of postwar French intellectual and cultural life Over the past thirty years North American and European scholarship has been significantly transformed by the absorption of poststructuralist and postmodernist theories from French thinkers But Julian Bourg's seamlessly edited volume proves that historically speaking French intellectual and cultural life since World War Two has involved much more than a few infamous figures and concepts Motivated by a desire to narrate and contextualize the deluge of French theory *After the Deluge* showcases recent work by today's brightest scholars of French intellectual history that historicizes key debates figures and turning points in the postwar era of French thought Relying on primary and archival sources contributors examine among other themes left wing critiques of the Left the internationalizing of thought the institutional and affective conditions of cultural life and the religious imagination They revive neglected debates and figures and they explore the larger impact of political quarrels In an afterword preeminent French historian François Dosse heralds the arrival of a new generation a historiographical sensibility that brings fresh original perspectives and a passion for French history to the contemporary French intellectual arena *After the Deluge* adds significant depth and breadth to our understanding of postwar French intellectual and cultural history

Thank you certainly much for downloading **Philosophy Of The Talmud**. Most likely you have knowledge that, people have seen numerous periods for their favorite books in the manner of this Philosophy Of The Talmud, but end stirring in harmful downloads.

Rather than enjoying a fine book once a mug of coffee in the afternoon, then again they juggled as soon as some harmful virus inside their computer. **Philosophy Of The Talmud** is straightforward in our digital library an online entry to it is set as public correspondingly you can download it instantly. Our digital library saves in merged countries, allowing you to get the most less latency times to download any of our books past this one. Merely said, the Philosophy Of The Talmud is universally compatible subsequent to any devices to read.

Philosophy Of The Talmud Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Philosophy Of The Talmud free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Philosophy Of The Talmud free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer

free PDF downloads on a specific topic. While downloading Philosophy Of The Talmud free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Philosophy Of The Talmud. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Philosophy Of The Talmud any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Philosophy Of The Talmud Books

1. Where can I buy Philosophy Of The Talmud books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Philosophy Of The Talmud book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Philosophy Of The Talmud books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Philosophy Of The Talmud audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Philosophy Of The Talmud books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
