Excellence for the Glory of God Keith A. Currivean, 2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a never before Christian overview of twelve philosophies of education chapters 4-15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy's exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God

Why Good Arguments Often Fail James W. Sire, 2006-02-22 Why is it that solid rational arguments for the Christian faith often fail James Sire public defender of the Christian faith has asked himself that question Sometimes the arguments themselves just aren't that good How can we make them better Sire offers insights on making a persuasive case for Christ

A History and Critique of Methodological Naturalism Joseph B. Onyango Okello, 2016-07-21 Methodological naturalism is the thesis that only natural features can be factored into any legitimate explanation Moreover the thesis contends any attempt to explain natural phenomena by appealing to supernatural features is unscientific and therefore illegitimate This book argues that nothing inherently problematic afflicts possible appeals to supernatural agency in the attempt to explain select phenomena in nature Reputable philosophers of the ancient and medieval periods as well as prominent scientists of the early modern era invoked supernatural agency in their attempts to understand nature For them miraculous interventions in nature by a supernatural agent were not unreasonable However the super-naturalistic worldview has been replaced by methodological naturalism The assumptions of two pivotal figures David Hume and Charles Darwin brought about this change This book shows that this change was motivated by unscientific means Hence the change itself remains inconsistent with the assumptions of methodological naturalism

Loving God with Your Mind Paul Gould, Richard Brian Davis, 2013-12-18 Over the past twenty five years no one has done more than J P Moreland to equip Christians to love God with their minds In his work as a Christian philosopher scholar and apologist he has influenced thousands of students written groundbreaking books and taught multitudes of Christians to defend their faith In honor of Moreland's ministry general editors Paul M Gould and Richard Brian Davis have assembled a team of friends and colleagues to celebrate his work In three major parts devoted to philosophy apologetics and spiritual formation scholars such as Stewart Goetz Paul Copan Douglas

Groothuis Scott Rae and Klaus Issler interact with Moreland's thought and make their own contributions to these important subjects Moreland concludes the volume with his own essay **Reflections on the Journey Ahead** **Dictionary of**

Psychedelic Immortality: Nietzschean Perspectives on Reincarnation, Femtheogens, and Philosophy Joseph I. Breidenstein Jr., 2025-09-02 Recent research has revealed a psychedelic inspiration for Nietzsche s philosophy and far from being a novelty in the history of philosophy there is significant evidence that several of the first western philosophers ingested psychedelics as well In his first book Joseph I Breidenstein Jr PhD maintained that western philosophy began as what we today would call a feminist

religious reformation in the sense that many prominent presocratic philosophers were reviving a paleo neolithic goddess centered religiosity of rebirth within the largely patriarchal and death glorifying culture of archaic Greece And in this book Dr Breidenstein Jr proposes that the presocratics psychedelic reincarnationist feminine model of education and or worldview is better suited for democracy in the twenty first century than the economic model of education that takes the west s mainstream materialistic secular worldview for granted For several decades now researchers have acknowledged both that the empirical evidence for reincarnation is overwhelming and that psychedelics can evoke past life recollections but explanations for either reincarnation or how psychedelics do this have yet to be offered By combining Nietzsche s philosophy with the work of other thinkers Psychedelic Immortality both provides explanations for each of these phenomena and explores how situating education and democracy within the context of reincarnation can incite a renaissance of American culture and politics For Nietzscheans and philosophers in particular this book illustrates the contemporary relevance of two neglected aspects of Nietzsche scholarship i e psychedelics and reincarnation and for researchers in such fields as feminist philosophy of religion ecotheology philosophy of education social political philosophy and eastern philosophy it offers a more plausible and healthier worldview in which to explore possibilities in their respective fields that are diminished by the mainstream paradigm For spiritual seekers of all paths it offers a conception of philosophy as a practice of awakening goddess consciousness that unfolds over the course of successive lifetimes

Breve Cartilha de Apologética James W. Sire, 2023-04-17 O presente livro de fato o que diz seu título uma cartilha um livro realmente inicial na exploração da natureza da apologética cristã que definida de forma simples uma defesa da fé cristã Um dos propósitos primordiais deste livro encorajar o estudo as futuras leituras e sobretudo a prática A apologética cristã nascida com a igreja primitiva desaparecer apenas quando a realidade do Cristo crucificado sepultado e ressurreto se cumprir na consumação do vindouro reino de Deus Até temos trabalho a fazer

Welcome to College 2nd ed Jonathan Morrow, 2017-03-28 The single best volume I have ever read for preparing students for how to follow Jesus and flourish as his disciple in college J P Moreland Is there a more frightening question for a graduating high school senior than What will you do with your life In college whether they realize it or not students will answer that question every day with each decision All of the new friends and new experiences of higher education will shape their future It's critical that students know how to handle college before they're in the thick of it Jonathan Morrow tackles the tough questions that arise during these formative years including How do you grow spiritually How do you manage your time to both study well and have fun Is all truth relative Are there good reasons to be a Christian

As a Christian how should you view issues like dating and sex Each chapter of this new edition has been updated and the author has included a new chapter on Christianity homosexuality and the Bible Grounded in both his own extensive experience and biblical truth Morrow s book is full of quick easy to read chapters and excellent advice *The Encyclopedia of Christianity, Volume 1 (A-D)* Erwin Fahlbusch,Jan Lochman,John Mbiti,Jaroslav Pelikan,Lukas Vischer,2025-04-14 A major intellectual resource Jaroslav Pelikan from the foreword The multiple award winning Encyclopedia of Christianity EC copublished by Brill and Eerdmans is a monumental five volume work presenting the history and current state of the Christian faith in its rich spiritual and theological diversity around the world Volume 1 A D contains 465 articles featuring articles on all but the smallest countries of the world including the former communist nations that have gained independence since 1989 the latest statistical information from David B Barrett on the religious affiliation and ecclesiastical breakdown of each country and continent articles on doctrines denominations and social and ethical issues in relation to the churches biographical articles on prominent figures through church history The Encyclopedia of Christianity is also available online

Jesuit Education and The Classics Shannon Byrne,Edmund P. Cueva,2009-10-02 Is Classics still important and relevant to a Jesuit education The answer is a resounding Yes Classics remains an essential component of Jesuit education This series of essays argues and proves that Classics and Jesuit education are indivisibly intertwined Moreover any Jesuit school that embraces liberal arts must have Classics at the core of its curriculum The Case for the Real Jesus Lee Strobel,2007 Evaluate the evidence for yourself as leading experts grapple with the latest objections from today s foremost critics
