*Phoebe* Gloria H. Bremkamp,1992-03-01      *Phoebe* Paula Gooder,2018-05-17 Sometime around 56 AD the apostle Paul wrote to the church in Rome His letter was arguably his theological masterpiece and has continued to shape Christian faith ever since He entrusted this letter to Phoebe the deacon of the church at Cenchreae in writing to the church that almost surely met in her home Paul refers to her both as a deacon and as a helper or patron of many But who was this remarkable woman In this her first work of fiction Biblical scholar and popular author and speaker Paula Gooder tells Phoebe s story who she was the life she lived and her first century faith and in doing so opens up Paul s theology giving a sense of the cultural and historical pressures that shaped Paul s thinking and the faith of the early church Written in the gripping style of Gerd Theissen s *The Shadow of the Galilean* and similarly rigorously researched this is a book for everyone and anyone who wants to engage more deeply and imaginatively with Paul s theology from one of the UK s foremost New Testament scholars

Who's who Henry Robert Addison,Charles Henry Oakes,William John Lawson,Douglas Brooke Wheelton Sladen,1949 An annual biographical dictionary with which is incorporated Men and women of the time      The Apostle Paul's Letter to the Church at Rome Livingston Blauvelt,2005-12      *The Epistle of Paul the Apostle to the Romans* Handley Carr Glyn Moule,1882      **Love Letters** Helen M. Moss,2015-08-30 What is a Love Letter Merriam Webster s online dictionary defines love as an unselfish loyal and benevolent concern for the good of another as 1 the fatherly concern of God for humankind 2 brotherly concern for others b a person s adoration of God Love Letters Paul s Epistles and Ministry to the Early Church is the epitome of this type of love For Paul s letters to the early church illuminated his love for God manifested in the life death and resurrection of Jesus Christ as well as his true affection for the Jews and Gentiles who were establishing the early Bodies of Christ the church This book chronicles the Apostle Paul s missionary journeys through the Roman Empire teaching and preaching the Gospel of Jesus Christ to both Jewish Christians and Gentiles The epistles letters written to the early churches served several purposes They contained heartfelt greetings praise thanksgiving words of encouragement and when necessary chastisements But more importantly the Love Letters conveyed the unconditional love of Jesus Christ for the believer The epistles to the early churches also helped to form doctrine church order conduct and traditions plus accepted leadership qualities along with responsibilities The tone of the letters was infused with Paul s genuine benevolent concern for and loyalty to the early Christians establishing churches in a hostile environment Love Letters Paul s Epistles and Ministry to the Early Church while serving as an examination of the early church and its formation it also can be a template for the church today as it meets the challenges of the contemporary world      *The Gospel of God* R. C. Sproul,1999 The book of Romans has been influential in critical moments of the Christian church history In the early church Paul s words in this book were the means of the conversion of Augustine During the Protestant Reformation they particularly influenced Martin Luther and John Calvin Later in the evangelical revival of the eighteenth century they changed the lives of George Whitefield and John Wesley

But it is not only those who have become leaders in the church who have been affected by the epistle to the Romans Ordinary Christians too have lived transformed lives as a result People have often turned to the letter to the Church in Rome because Paul clearly sets out a theological framework for us to understand It is a comprehensive description of the way that God offers salvation to humankind and it is Good News     [A Brief Commentary on Paul's Letter to the Church at Rome](#) Aaron W. Allen,2025-02-16 Two churches that the apostle Paul wrote letters to were not started by him Colossians and Romans These books appear to be written to promote unity within the church More than once Paul wrote that there is no difference between Jew and Gentile All have sinned and come short of the glory of God We gain much of our doctrine from these letters I hope this work will help others to understand the truths that God has given us in Romans These are comments of a layman and not a Biblical scholar with a learned degree I like to keep things simple I hope God will be glorified by these words and pleased with my efforts to promote His truths     **An Illustrated Guide to the Apostle Paul** Alan S. Bandy,2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome An Illustrated Guide to the Apostle Paul brings his remarkable story to life Drawing from the book of Acts Paul s many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource     [Paul as Missionary](#) Trevor J. **Letter to the Romans: the Gospel Message Written by Paul to the Church in Rome** Sergio Mullahey, 2021-08-05 In John 10 10 Jesus said The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly Unlike a thief the Lord Jesus does not come for selfish reasons He comes to give not to get He comes that people may have life in Him that is meaningful purposeful joyful and eternal We receive this abundant life the moment we accept Him as our Savior This book Paul s letter has been called the Roman Road to Salvation because in it Paul lays out the doctrines of faith in Jesus Christ It is foundational and we need to pick our way slowly and carefully through Paul s writing because it seems to me that some parts have been misinterpreted or taken out of context by a good many people In reading it thoroughly for this work I too have learned a lot and been given a lot to think about The Word of God is so deep that we can never plunge to its absolute depths

**The Epistle of Paul to the Romans** Charles Harold Dodd, 1932 **The Ministry of Paul the Apostle** G. Roger Greene, 2019-06-20 Everyone knows the supposed life story of Paul the apostle but then again they may not As it is generally drawn from the book of Acts Paul had a dramatic conversion on the road to Damascus undertook three missionary journeys and returned a final time to Jerusalem He was arrested for creating a riot held prisoner in Caesarea and upon his appeal to Caesar was finally transported to Rome as a prisoner Dotted dashed or colored lines on countless numbers of maps document Paul s three missionary journeys and his journey to Rome as these are commonly discerned in the book of Acts Paul s letters and the book of Acts itself however may tell a different story than the one customarily perceived perhaps a less familiar story

but perhaps a more factual one The Ministry of Paul the Apostle represents a significant paradigm shift for understanding Paul s ministry which involves two major campaigns an ordered awareness of Paul s ministry as far as Illyricum a revision of Paul s Corinthian ministry an historical confirmation of visits to Jerusalem an appropriate ordering and reaffirmation of Paul s letters including Romans 16 as a letter to Ephesus In addition the current study offers a new paradigm for correlation between our sources of Paul s letters and the book of Acts with the development of an underlying source tradition behind Acts The reader is thus invited to participate in a significant re evaluation of Paul s ministry and a proposed solution to a long standing mystery of correlation between Paul s letters and Acts When one travels with Paul one engages in a voyage of discovery This book makes sense of the mystery of Paul s ministry which when properly understood becomes an illuminating foundational window of clarity for sorting out a bewildering multitude of theological formulations of the enigmas of Paul s thought It is through a thorough awareness of the ministry of Paul that one comes to appreciate the contextual nature and depth of Paul s theological thought One comes to a new appreciation of Paul s place in early Christianity relevant even for those who live in a post modern age     *An Expository and Contextual Commentary on Paul's Epistle to the Church at Rome*
