

Phoenician Women

**Jacqueline de Romilly, Hunter R.
Rawlings**

Phoenician Women:

The Phoenician Women Euripides, 1981 Here Peter Burian and Brian Swann recreate Euripides *The Phoenician Women* a play about the fateful history of the House of Laios following the tragic fall of Oedipus King of Thebes Their lively translation of this controversial play reveals the cohesion and taut organization of a complex dramatic work Through the use of dramatic fast paced poetry almost cinematic in its rapidity of tempo and metaphorical vividness Burian and Swann capture the original spirit of Euripides drama about the deeply and disturbingly ironic convergence of free will and fate Presented with a critical introduction stage directions a glossary of mythical Greek names and terms and a commentary on difficult passages this edition of *The Phoenician Women* makes a controversial tragedy accessible to the modern reader **The Phoenician**

Women Euripides, 2014-10-25 *The Phoenician Women* is a tragedy by Euripides based on the same story as Aeschylus play *Seven Against Thebes* The title refers to the Greek chorus which is composed of Phoenician women on their way to Delphi who are trapped in Thebes by the war Unlike some of Euripides other plays the chorus does not play a significant role in the plot but represents the innocent and neutral people that very often are found in the middle of war situations Patriotism is a significant theme in the story as Polynices talks a great deal about his love for the city of Thebes but has brought an army to destroy it Creon is also forced to make a choice between saving the city and saving the life of his son Euripides wrote the play around 408 BC under the influence of a big defeat of his homeland Athens which then faced a military disaster *The Phoenician Women (Phoenissae)* Euripides, 2002 **Phoenician Women** Euripides, 1988 **Euripides** Thalia

Papadopoulou, 2008 *Phoenician Women* one of Euripides later tragedies is an intriguing play that arguably displays some of his finest dramatic technique Rich in cast and varied in incident it is an example of Euripides experimentation with structure It dramatises the most fertile mythical tradition of the city of Thebes and its doomed royal family focusing in particular on the conflict between Eteocles and Polyneices as a result of their father Oedipus curse which eventually leads to mutual fratricide The play was very popular throughout antiquity and became part of the so called Byzantine Triad along with *Hecuba* and *Orestes* of plays studied in the school curriculum Thalia Papadopoulou here offers a thorough survey of the play in its historical context against the background of Athenian tragedy and Euripidean dramaturgy Employing various critical approaches she investigates the literary tradition and the dynamics of intertextuality Euripidean dramatic technique the use of rhetoric characterisation gender the function of the Chorus aspects of performance and the reception of the play from antiquity to modern times Bloomsbury Publishing **Phoenician Women (Penguin Classics)** Euripides, 2005

Phoenicians Glenn Markoe, 2000-01-01 Another Peoples of the Past book this richly illustrated book traces the Phoenician civilization from the Late Bronze Age c 1550 B C to the start of the Hellenistic period c 300 B C [Euripides and the Boundaries of the Human](#) Mark Ringer, 2016-07-29 *Euripides and the Boundaries of the Human* presents the first single volume reading in nearly fifty years of all of Euripides surviving plays Rather than examining one or a handful of dramas in

monograph or article form Mark Ringer insists on the thematic and stylistic parallels that unite a diverse canon of works Euripides is often referred to as the most modern of the three Ancient Greek tragedians but in what way can the work of this fifth century B C artist be claimed as modern The multi layered presentation of character is new within the context of Athenian Tragedy The plays also reveal equal concern with the preservation and re vitalization of tradition especially with respect to the portrayal of the Olympian gods Euripidean drama upholds tradition just as vigorously as it posits a new kind of realism in character portrayal in the Ancient Theatre Euripidean drama fuses what was old with what was new in order to revitalize and perpetuate the art of tragedy This book will be of interest to professionals and students in the fields of classics Greek drama in translation or in the original Greek theater studies comparative literature tragedy and religion **The Complete Euripides** Euripides,2010-04-14 Collected here for the first time in the series are three major plays by Euripides Bacchae translated by Reginald Gibbons and Charles Segal a powerful examination of the horror and beauty of Dionysiac ecstasy Herakles translated by Tom Sleight and Christian Wolff a violent dramatization of the madness and exile of one of the most celebrated mythical figures and The Phoenician Women translated by Peter Burian and Brian Swamm a disturbing interpretation of the fate of the House of Laios following the tragic fall of Oedipus These three tragedies were originally available as single volumes This volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and Greek line numbers *Women Writing Opera* Jacqueline Letzter,Robert Adelson,2001-08-12 At the same time it demonstrates how the Revolution fostered many dreams and ambitions for women that would be doomed to disappointment in the repressive post Revolutionary era **Phoenician Women [in, The Bacchae and Other Plays: Translated by John Davie, with an Introduction and Notes by Richard Rutherford] (Penguin Classics).** ,2005 Antigone Efimia D. Karakantza,2022-12-30 This book explores the figure of Antigone and her many reconceptualizations from antiquity to the present One of the most popular heroines of classical literature Antigone defied political authority to carry out the forbidden burial of her brother Readers will become familiar with the key themes of Antigone s story such as the law and politics gender and death tracing their survival and transformations over time Notably the book explores the thorough de politicization of the heroine in philosophy and psychoanalysis followed by a reversal and re politicization through feminist and socio political theories It provides a useful tool to approach postmodern receptions of Antigone in the arts and society in the modern era particularly in the contexts of occupied and civil war era Greece in Palestine and in Syrian refugee camps in Lebanon It also addresses issues of Antigone like struggles of individuals or collectivities to overcome obstacles of systemic and racialized violence and gender based oppression in the 21st century while challenging heteronormative practices and policies to allow new subjectivities to emerge Though Antigone s story is complex Karakantza provides an accessible fascinating overview of this enduring figure s legacy and impact over the course of history Antigone provides a comprehensive study of this classical heroine suitable for students and scholars of classical

literature reception studies and gender studies It also appeals to theatre practitioners interested in adapting and staging Sophocles Antigone or any Antigone of the ancient sources

The Female Tragic Hero in English Renaissance Drama N. Liebler, 2016-04-30 This book constitutes a new direction for feminist studies in English Renaissance drama While feminist scholars have long celebrated heroic females in comedies many have overlooked female tragic heroism reading it instead as evidence of pervasive misogyny on the part of Shakespeare and his contemporaries Displacing prevailing arguments of victim feminism the contributors to this volume engage a wide range of feminist theories and argue that female protagonists in tragedies Jocasta Juliet Cleopatra Mariam Webster's Duchess and White Devil among others are heroic in precisely the same ways as their more notorious masculine counterparts

The Mind of Thucydides Jacqueline de Romilly, Hunter R. Rawlings, 2017-12-15 First published in France in 1956 and now available in English for the first time this narratological analysis of Thucydides's History of the Peloponnesian War highlights the power and sophistication of the Greek historian's rhetoric

Brill's Companion to the Reception of Senecan Tragedy, 2016-02-02 In Brill's Companion to the Reception of Senecan Tragedy Eric Dodson Robinson incorporates essays by specialists working across disciplines and national literatures into a subtle narrative tracing the diverse scholarly literary and theatrical receptions of Seneca's tragedies The tragedies influential throughout the Roman world well beyond Seneca's time plunge into obscurity in Late Antiquity and nearly disappear during the Middle Ages Profound consequences follow from the rediscovery of a dusty manuscript containing nine plays attributed to Seneca it is seminal to both the renaissance of tragedy and the birth of Humanism Canonical Western writers from Antiquity to the present have revisited transformed and eviscerated Senecan precedents to develop in Dodson Robinson's words competing tragic visions of agency and the human place in the universe

Euripides and Quotation Culture Matthew Wright, 2024-07-11 Presenting a new approach to Euripides plays this book explores the playwright's ancient tragedies in relation to quotation culture Treating extant works and lost works side by side Matthew Wright presents a selective survey of ways in which Euripidean tragedy was quoted within antiquity both in social contexts on the comic stage at symposia in law courts in education and in different literary genres drama biography oratory philosophy literary scholarship history and anthologies There is also a discussion of the connection between quotability and classic status where Wright asks what quotations can tell us about ancient reading habits The implication is that Euripides actively participated in quotation culture by deliberately making certain portions of his plays stand out as especially quotable Within classical antiquity Euripides was the most widely quoted author apart from Homer His plays are full of quotable quotes which were repeated so often that they acquired a life of their own Hundreds of famous verses from Euripidean drama circulated widely within the ancient world even after the plays in which they originally featured became forgotten or vanished completely Indeed the majority of Euripides tragedies now survive only in the form of scattered quotations otherwise known to us as fragments It is this corpus of fragmentary quotations along with his extant plays that makes

Euripides such an interesting case study in the world of quotation culture This book is the first of its kind to understand Euripides work through this lens as well as opening up quotation culture as a major theme of interest within classical scholarship

The Fall of Cities in the Mediterranean Mary R. Bachvarova, Dorota Dutsch, Ann Suter, 2016-02-15 This book explores some of the most prominent literary responses to the collective trauma of a fallen city

Monody in Euripides Claire Catenaccio, 2023-08-10 Explores Euripides use of monody or solo actor s song to express emotion and develop character in his late tragedies

A Companion to Euripides Laura K. McClure, 2017-01-17 A COMPANION TO EURIPIDES A COMPANION TO EURIPIDES Euripides has enjoyed a resurgence of interest as a result of many recent important publications attesting to the poet s enduring relevance to the modern world A Companion to Euripides is the product of this contemporary work with many essays drawing on the latest texts commentaries and scholarship on the man and his oeuvre Divided into seven sections the companion begins with a general discussion of Euripidean drama The following sections contain essays on Euripidean biography and the manuscript tradition and individual essays on each play organized in chronological order Chapters offer summaries of important scholarship and methodologies synopses of individual plays and the myths from which they borrow their plots and conclude with suggestions for additional reading The final two sections deal with topics central to Euripidean scholarship such as religion myth and gender and the reception of Euripides from the 4th century BCE to the modern world A Companion to Euripides brings together a variety of leading Euripides scholars from a wide range of perspectives As a result specific issues and themes emerge across the chapters as central to our understanding of the poet and his meaning for our time Contributions are original and provocative interpretations of Euripides plays which forge important paths of inquiry for future scholarship

Seeing with Free Eyes Marlene K. Sokolon, 2021-08-01 Responding to Plato s challenge to defend the political thought of poetic sources Marlene K Sokolon explores Euripides s understanding of justice in nine of his surviving tragedies Drawing on Greek mythological stories Euripides examines several competing ideas of justice from the ancient ethic of helping friends and harming enemies to justice as merit and relativist views of might makes right Reflecting Dionysus the paradoxical god of Greek theater Euripides reveals the human experience of understanding justice to be limited multifaceted and contradictory His approach underscores the value of understanding justice not only as a rational idea or theory but also as an integral part of the continuous and unfinished dialogue of political community As the first book devoted to Euripidean justice Seeing with Free Eyes adds to the growing interest in how citizens in democracies use storytelling genres to think about important political questions such as What is justice

Reviewing **Phoenician Women**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing.
