FASCISM IN OUR TIME

A. James Gregor

with an introduction by Alessandro Campi

# Phoenix Fascism In Our Time

**Helmut Konrad, Wolfgang Maderthaner**

## **Phoenix Fascism In Our Time:**

Phoenix A. James Gregor, **Phoenix** A. James Gregor, 2017-10-23 A great deal of effort has been expended by Anglo American scholars in an attempt to isolate past and contemporary fascisms neofascisms cryptofascisms and latent fascisms in the modern world A James Gregor s *Phoenix Fascism in Our Time* is an insightful history of the intellectual rationale for Benito Mussolini s fascism offered by major Italian intellectuals The book provides a list of recurrent features that helps to identify the generic phenomenon This lucid account reviews seriously neglected aspects of intellectual history describing the socioeconomic and political conditions that precipitate and sustain fascism Gregor shows that Italian fascism was supported by a responsible and credible rationale His account of that rationale permits us to understand the appeal fascism as an ideal has exercised over elites and masses in the 20th century Gregor offers a credible list of traits in showing how instances of fascism can be identified when they first appear The last chapters of the work are devoted to a case study of the newly emergent post Soviet Russian nationalism and its affinities with historic fascism Gregor discusses the implications of the rise of generic fascism in the former Soviet Union and post Maoist China This timely volume offers an alternative to conventional interpretations of the major historical events of the 20th century *Phoenix* is must reading for scholars and policymakers dealing with European history between the two world wars and should will be instructive for anyone interested in the fascist ideology in a new millennium

**Fighting the Last War** Jeffrey M. Bale, Tamir Bar-On, 2024-01-24 The authors argue that the potential threat of a resurgence of fascism has been consistently exaggerated from 1945 until present day that the ongoing lack of conceptual and definitional clarity with respect to terms like fascism the radical right the alt right white supremacism populism racism etc has enabled ill informed or dishonest commentators to distort their meaning and abusively misapply those labels so as to delegitimize their political opponents and that the political and economic elites in charge of contemporary Western societies are now deliberately exaggerating and exploiting the threat posed by the domestic radical right in order to facilitate vilifying harassing de platforming censoring canceling and repressing disgruntled citizens no matter where they may lie along the political spectrum who openly criticize and vigorously oppose their agendas The authors also advocate the use of well established scholarly methods for carrying out research on the right and provide precise definitions of various terms in order to facilitate the development of more accurate categorizations

**The SAGE Handbook of Political Sociology, 2v** William Outhwaite, Stephen Turner, 2017-10-30 The SAGE Handbook of Political Sociology offers a comprehensive and contemporary look at this evolving field of study The focus is on political life itself and the chapters written by a highly respected and international team of authors cover the core themes which need to be understood in order to study political life from a sociological perspective or simply to understand the political world The two volumes are structured around five key areas PART 1 TRADITIONS AND PERSPECTIVES PART 2 CORE CONCEPTS PART 03 POLITICAL IDEOLOGIES AND MOVEMENTS PART 04 TOPICS PART 05 WORLD REGIONS This future oriented and cross

disciplinary handbook is a landmark text for students and scholars interested in the social investigation of politics

**British Fascist Antisemitism and Jewish Responses, 1932-40** Daniel Tilles, 2014-11-20 This book explores the use of antisemitism by Britain's interwar fascists and the ways in which the country's Jews reacted to this examining the two alongside one another for the first time and locating both within the broader context of contemporary events in Europe Daniel Tilles challenges existing conceptions of the antisemitism of Britain's foremost fascist organisation the British Union of Fascists He demonstrates that it was a far more central aspect of the party's thought than has previously been assumed This in turn will be shown to be characteristic of the wider relationship between interwar European fascism and antisemitism a thus far relatively neglected issue in the burgeoning field of fascist studies Tilles also argues that the BUF's leader Sir Oswald Mosley far from being a reluctant convert to the anti Jewish cause or simply a cynical exploiter of it as much of the existing scholarship suggests was aware of the role antisemitism would play in his fascist doctrine from the start and remained in control of its subsequent development These findings are used to support the notion that contrary to prevailing perceptions Jewish opposition to the BUF played no part in provoking the fascists adoption of antisemitism Britain's Jews did nevertheless play a significant role in shaping British fascism's path of development and the wide ranging and effective anti fascist activity they pursued represents an important alternative narrative to the dominant image of Jews as mere victims of fascism

The Sage Handbook of Decolonial Theory Jairo I. Fúnez-Flores, Ana Carolina Díaz Beltrán, Sabelo J.

Ndlovu-Gatsheni, Sandeep Bakshi, Augustin Lao-Montes, Flavia Rios, 2025-07-25 The Sage Handbook of Decolonial Theory is a groundbreaking transdisciplinary resource that expands the epistemological and geographical horizons of decolonial thought This handbook prioritizes the Global South fostering South North and South South inter epistemic dialogues and situating decolonial thought in sites of struggle It builds on decolonial thought and praxis from Latin America and the Caribbean Africa Asia and Palestine among other regions and countries Addressing the erasure of knowledge production from the Global South in dominant academic spaces this handbook brings together decolonial scholars and activist intellectuals from the Global South and engages with politically committed scholars in the Global North It emphasizes the geopolitics and ethics of knowledge production and the importance of situating one's work in historically excluded regions and communities Organized into five parts the handbook includes conceptual essays and empirical studies on decolonial thought and praxis It covers a range of topics from decoloniality geopolitics and transdisciplinarity to decolonial feminisms gender and sexuality studies and racial capitalism The chapters convey a sense of urgency and a committed political voice demonstrating how decolonial theory can interrogate and intervene in the modern colonial racial capitalist heteropatriarchal world The Sage Handbook of Decolonial Theory is not just for academics it is written for anyone interested in radical thought and praxis It recognizes decolonial theory as a plural and dynamic field concerned with power hierarchies historiography and epistemological critiques of Eurocentrism Ultimately it teaches us how to think with and act alongside struggles for liberation

Part I Key Debates in Decolonial Theory Part II Geopolitics and Geographies Part III Transdisciplinarity Part IV Feminisms  
 Genders Sexualities Part V Racial Capitalism

*A Place In The Sun* A. James Gregor, 2019-04-16 China has endured a century of turmoil beginning with the anti dynastic revolution associated with Sun Yat Sen through the military and tutelary rule of Chiang Kai shek the revolutionary regime of Mao Zedong and the radical reforms of Deng Xiaoping China has had little respite Historians and social scientists have attempted to understand some of this history as being the consequence of the impact of European ideologies including Marxism Marxism Leninism and Fascism Rarely instructive or persuasive the discussions regarding this issue have more often than not led to puzzlement rather than enlightenment In *A Place in the Sun* A James Gregor offers an interpretation of the role of European Marxist and Fascist ideas on China s revolutionaries that is both original and based on a lifetime of scholarship devoted to revolutionary ideologies Gregor renders a detailed analysis of their respective influence on major protagonists In the exposition Gregor reveals an unsuspected and complex set of relationships between the Chinese revolution and essentially European ideologies His discussion concludes with a number of estimations that suggest implications for the future of modern China and its relationship with the advanced industrial democracies How post Dengist China the world s most populous nation is to be understood remains uncertain to most comparativists and historians Gregor provides one well supported alternative and he is carefully attentive to the implications of this alternative

**A Fascist Century** R. Griffin, 2008-08-20 Ten essays on the nature of fascism by a leading scholar in the field focusing on how to understand and apply fascist ideology to various movements since the twentieth century Mussolini s prophesied fascist century Includes studies of fascism s attempted temporal revolution Nazism as extended case study and fascism s postwar evolution

*The Faces of Janus* A. James Gregor, 2004-03-04 Attempting to understand the catalogue of horrors that has characterised much of twentieth century history Western scholars generally distinguish between violent revolutions of the right and the left Fascist regimes are assigned to the evil right Marxist Leninist regimes to the benign left But this distinction has left us without a coherent understanding of the revolutionary history of the twentieth century contends A James Gregor in this insightful book He traces the evolution of Marxist theory from the 1920s through the 1990s and argues that the ideology of Marxism Leninism devolved into fascism Fascist regimes and Communist regimes both anti democratic ideocracies are far more closely related than has been recognised Employing wide ranging primary source materials in Italian German Russian and Chinese the book opens with an examination of the first standard Marxist interpretation of Mussolini s fascism in the early 1920s and proceeds through the emergence of fascist phenomena in post Communist Russia A clearer understanding of the relation between fascism and communism provides a sharper lens through which to view twentieth century history as well as the present and future politics of Russia Communist China and other non democratic states Gregor concludes

**Irrational Publics and the Fate of Democracy** Stephen J.A. Ward, 2024-10-15 Across cultures democracies struggle with intolerant groups misinformation social media conspiracies and extreme populists

Egalitarian cultures cannot always withstand this swing towards the irrational In *Irrational Publics and the Fate of Democracy* Stephen Ward combines history and evolutionary psychology for a comprehensive view of the problem arguing that social irrationality is likely to occur when social tensions trigger a person's enemy stance ancient extreme traits in human nature such as aggressiveness desire for domination paranoia of the other and us versus them tribalism Analyzing eruptions of public irrationality from apocalyptic medieval crusades and Nazi doctors in extermination camps to suicidal cults Ward presents his evolutionary theory of public irrationalism demonstrating that human nature has both extreme Darwinian traits promoting competition and sociable traits of cooperation and empathy The issue is which set of traits will be activated by the social ecology Extreme traits once adaptive when humans were hunter gatherers have become maladaptive and dangerous Catalyzed by intolerant media and demagogues the swing towards the irrational weakens democracy and may lead to human extinction through nuclear holocaust *Irrational Publics and the Fate of Democracy* concludes with practical recommendations on what society should do to resist the engines of unreason within and without us

**Mussolini** Richard J. B. Bosworth, 2014-03-04 In 1945 disguised in German greatcoat and helmet Mussolini attempted to escape from the advancing Allied armies Unfortunately for him the convoy of which he was part was stopped by partisans and his features made so familiar by Fascist propaganda gave him away Within 24 hours he was executed by his captors joining those he sent early to their graves as an outcome of his tyranny at least one million people He was one of the tyrant killers who so scarred interwar Europe but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin Like them his life began modestly in the provinces unlike them he maintained a traditional male family life including both wife and mistresses and sought in his way to be an intellectual He was cruel though not the cruellest his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS He sought an empire but in the most part his was of the old fashioned costly nineteenth century variety not a racial or ideological imperium And self evidently Italian society was not German or Russian the particular patterns of that society shaped his dictatorship Bosworth's *Mussolini* allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated With extraordinary skill and vividness drawing on a huge range of sources this biography paints a picture of brutality and failure yet one tempered with an understanding of Mussolini as a human being not so different from many of his contemporaries The definitive study of the Italian dictator **Library Journal**

**Mussolini's Fascist Philosopher** M. E. Moss, 2004 Giovanni Gentile was one of the most important and controversial thinkers of twentieth century Italy His philosophy and fascist ideas reflect the defining characteristics of the Italian romantic rebellion against European and English enlightenment thinking The Ariadne's thread which runs through and unifies all of Gentile's thought originates accordingly from his neo Hegelian reaction to the philosophy of Kant and of Kant's immediate predecessors The range of Gentile's ideas on pedagogy logic metaphysics political theory and aesthetics the original way in

which he developed and adapted the thoughts of Hegel Fichte and Marx and finally his description of himself as the philosopher of fascism all encourage us to revisit and re evaluate his system This book reveals how Gentile came to advocate his actual idealism and evaluates his systematic philosophy by making explicit inconsistencies that arise from within his system and by questioning his idealist assumptions *Routes Into the Abyss* Helmut Konrad,Wolfgang

Maderthaner,2013-06-01 Examining the 1930s and the different reactions to the crisis this volume offers a global comparative perspective that includes a comparison across time to give insight into the contemporary global recession Germany Italy Austria and Spain with their antidemocratic authoritarian or fascistic answers to the economic crisis are compared not only to an opposite European perspective the Swedish example but also to other global perspectives and their political consequences in Japan China India Turkey Brazil and the United States The book offers no recipe for economic social or political action in today s recession but it shows a wide range of reactions in the past some of which led to catastrophe

**Fascism: The nature of fascism** Roger Griffin,Matthew Feldman,2004 The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism

**Mussolini's Intellectuals** A. James Gregor,2009-01-10 Fascism has traditionally been characterized as irrational and anti intellectual finding expression exclusively as a cluster of myths emotions instincts and hatreds This intellectual history of Italian Fascism the product of four decades of work by one of the leading experts on the subject in the English speaking world provides an alternative account A James Gregor argues that Italian Fascism may have been a flawed system of belief but it was neither more nor less irrational than other revolutionary ideologies of the twentieth century Gregor makes this case by presenting for the first time a chronological account of the major intellectual figures of Italian Fascism tracing how the movement s ideas evolved in response to social and political developments inside and outside of Italy Gregor follows Fascist thought from its beginnings in socialist ideology about the time of the First World War when Mussolini himself was a leader of revolutionary socialism through its evolution into a separate body of thought and to its destruction in the Second World War Along the way Gregor offers extended accounts of some of Italian Fascism s major thinkers including Sergio Panunzio and Ugo Spirito Alfredo Rocco Mussolini s Minister of Justice and Julius Evola a bizarre and sinister figure who has inspired much contemporary neofascism Gregor s account

reveals the flaws and tensions that dogged Fascist thought from the beginning but shows that if we want to come to grips with one of the most important political movements of the twentieth century we nevertheless need to understand that Fascism had serious intellectual as well as visceral roots      The Blackwell Dictionary of Modern Social Thought William Outhwaite,2008-04-15 Modern social thought ranges widely from the social sciences to philosophy political theories and doctrines cultural ideas and movements and the influence of the natural sciences Provides an authoritative overview of the main themes of social thought Long essays and entries give full coverage to each topic Covers major currents of thought philosophical and cultural trends and the individual social sciences from anthropology to welfare economics New edition updates about 200 entries and includes new entries suggestions for further reading and a bibliography of all sources cited within the text      **Russian Nationalism and the National Reassertion of Russia** Marlene Laruelle,2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy      **International Bibliography of Political Science** Compiled by the British Library of Political and Economic Science,2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences      *Balkan Idols* Vjekoslav Perica,2002 This text explores the political role and influence of Serbian Orthodox Croatian Catholic and Yugoslav Muslim religious organizations in the Balkans during 20th century The author rejects the notion that a clash of civilizations has played a central role in fomenting aggression      Origins of Political Extremism Manus I. Midlarsky,2011-03-17 Political extremism is one of the most pernicious destructive and nihilistic forms of human expression During the twentieth century in excess of 100 million people had their lives taken from them as the result of extremist violence In this wide ranging book Manus I Midlarsky suggests that ephemeral gains together with mortality salience form basic explanations for the origins of political extremism and constitute a theoretical framework that also explains later mass violence Midlarsky applies his framework to multiple forms of political extremism including the rise of Italian Hungarian and Romanian fascism Nazism radical Islamism and Soviet Chinese and Cambodian communism Other applications include a rampaging military Japan Pakistan Indonesia and extreme nationalism in Serbia Croatia the Ottoman Empire and Rwanda Polish anti Semitism after World War II and the rise of separatist violence in Sri Lanka are also examined

Yeah, reviewing a ebook **Phoenix Fascism In Our Time** could increase your close friends listings. This is just one of the solutions for you to be successful. As understood, exploit does not recommend that you have fantastic points.

Comprehending as without difficulty as harmony even more than other will give each success. next-door to, the pronouncement as with ease as insight of this Phoenix Fascism In Our Time can be taken as competently as picked to act.

### Phoenix Fascism In Our Time Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Phoenix Fascism In Our Time free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Phoenix Fascism In Our Time free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Phoenix Fascism In Our Time free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Phoenix Fascism In Our Time. In conclusion, the

internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Phoenix Fascism In Our Time any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Phoenix Fascism In Our Time Books

**What is a Phoenix Fascism In Our Time PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Phoenix Fascism In Our Time PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Phoenix Fascism In Our Time PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Phoenix Fascism In Our Time PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Phoenix Fascism In Our Time PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific

software or tools, which may or may not be legal depending on the circumstances and local laws.
