*Through the portal* Wesley Wang, 2024-11-22 Once there was only a whisper the legend of a being caught between life and death a master of shadows who bore the secrets of forgotten magic This legend was forgotten until today Reborn in iron armor and with a sword as cold as the grave a new power has arisen bound to a destiny as twisted as the dark magic that flows through his veins But the world is no longer the same Old empires have crumbled gods have fallen silent and humanity clings to survival under the shadow of cruel beasts and tyrants In a realm full of ancient terrors a lone warrior rises a fragile spark in an endless storm armed with cursed magic and an unbending will Now a path of rebellion is forged through this unforgiving world With every step secrets come to light that would have been better left buried and powers emerge that can hardly be restrained Forged anew in the fire of revenge unstoppable and implacable this new champion marches toward an uncertain destiny This world has not yet known true darkness but that will soon change Welcome to the edge of the unknown

The Others Emma Wolf, 2020-02-08 Talus has failed at everything except the one thing he never should have succeeded at His fear of death led him to create an immortality serum that plunged the world into a war it can't survive Now the few remaining humans hide in underground bunkers while they try to avoid extermination by an immortal army that marches across the surface Talus knows the immortals must be stopped but he needs help from the only people who have managed to fight them off the humans Anya is a human ranger spending her days patrolling the area around her hidden base She feels like she's little more than an early warning system She wants a life free from rules restrictions and almost certain

death at the hands of an immortal So when an immortal contacts the base asking for help Anya wants to trust him But her commander forbids all contact interacting with immortals has only ever ended in death To disobey a direct order would mean getting expelled from the only base willing to take her in after her past Yet Anya can't help but think humanity could use the help of an immortal Maybe he knows a way to kill an immortal or at least stop them But can she risk the only home and friends she has to find out Anya and Talus are about to find out there is more than one side to the battle they are about to fight and it's not only the Immortals who can't be trusted **The Lexian Chronicles Omnibus** Harry Gallan,2012-08-27
